## History of North Clinton Avenue Baptist Church

In 1951, the First Baptist Church, with Rev. E.P. Russell as Pastor, started making plans for a branch Sunday School in this community. A committee was appointed by the church to be responsible for the work of the mission. Its members were W.E. Cobb, L.L. Coats, L.R. Norris, Mrs. V.L. Stephens, Mrs. K.M. Wood, and Robert Draughon. Later, Joseph Norris was added to the committee.

The first meeting, held on February 17, 1952, had 29 present. The work began in a small building owned by Mr. Joe Norris, located on the corner of East Cumberland Street and North Clinton Avenue. The Sunday School grew slowly but surely. A worship service was added. Rev. William Davenport was elected as the first pastor of the mission. Rev. Earl Davis Farthing was called to be the second pastor. During the year 1957, the Lord's Supper was added to the service. Earl Davis Farthing resigned in 1957, and Rev. Joseph D. Creech became pastor. In October of 1957, pews were placed in the building for worship and Sunday School. Benny Wood and L.L. Coats added Training Union to the service also this year.

On June 8, 1958, the mission became an organized self-supporting church. In October of 1958, North Clinton Baptist Church was accepted into the Little River Baptist Association with Rev. Joseph D. Creech as pastor and 55 charter members.

In 1961, Rev. Creech resigned, and Rev. Scott Tanner was elected as Interim Pastor. Rev. Gerald K. Reggs became pastor in 1963. In 1965, the church purchased the Annex Building across the street to be used as Sunday School rooms.

In 1966, Rev. Alva Ellis was called as pastor, followed by Rev. George Magill in 1977. The library was founded in May 1977 with books being donated.

In 1983, a fellowship hall and classroom facility was dedicated. In 1986, Rev. James Shaw was called as pastor. In May of 1990, Rev. B. Carroll Owenby was called as pastor.

In March of 2000, Rev. Joey M. Harrell became the current pastor.

## History of Harmony Baptist Church

It was September 1934, and there was a group of approximately fifty people in rural Harnett County with a strong desire to provide for themselves a place of worship. A meeting was arranged and held in the home of Mr. A.B. Haire on Highway 210 South of Lillington. The group pledged with God's help they would do whatever it took, physically and financially, to see their place of worship become a reality.

Mr. Joel Layton, Sr. donated the land and many of the materials needed to build the church. Money was raised by many creative means. Bowls of oysters were sold, eggs were collected and sold, quilts made and sold, and produce grown to sell for the purpose of building and outfitting the new church. The men of the church applied their strength and know how to provide and cut the lumber.

The church was well underway, but one thing was lacking: a name. Various names were suggested, but the one chosen as most fitting was "Harmony." The name, suggested by Mrs. Vada Sanderfer, was most appropriate because this place of worship had been constructed and accomplished with the harmonious spirit of God and His people.

On the last Sunday in September 1934, the first service was held in the new church building. For this momentous occasion, the speakers included Dr. Brewer, President of Meredith College; John Oates, Fayetteville Judge; Rev. Eugene Alexander, minister from Manchester; and Charles Ross of Lillington. One week following the dedication of the new church on October 15, 1934, the first revival service was held with the Rev. L.R. Evans of Wake Forest as evangelist. Eight days later, Harmony Baptist Church officially became a member of the Little River Baptist Association. Dr. W.R. Cullom of Wake Forest presided at the meeting. Sixty-three persons were received on profession of faith and baptism, and forty-four were received by transfer of letter.

Rev. William H. Poole was called as the first pastor of Harmony Baptist Church. Rev. Poole was from Knightdale, North Carolina. Joel Layton, Sr. was elected first chairman of the Board of Deacons, with other members including A.B. Hayes, C.L. O'Briant, and R.A. Bell. Later, J.T. Thaxton, Arthur Hamilton, and J.E. Hayes, Sr. were added. J.E. Hayes, Sr. was elected the first church clerk with Mrs. William Wilkins as treasurer.

In the late 1934 or early 1935, the Sunday School was organized with C.L. O'Briant superintendent. Lamer Simmons of Lillington assisted with organizing the Sunday School.

The Woman's Missionary Union was organized May 9, 1935. Mrs. Alton Wagstaff was the first president. The work of the church progressed and was greatly done so by the work of the ladies as new pews and a piano were purchased. The WMU also donated carpet for the sanctuary.

In 1946 the first successful Training Union was begun with an enrollment of 59. Miss Doris Morgan served as director.

In 1958, the parsonage was built. On March 11, 1962, the Church constitution was adopted. It was developed under the leadership of Rev. Royal Akins.

Being led by the Holy Spirit, the members of Harmony began making plans for a new church building under the leadership of Rev. Paul Willis. The groundbreaking ceremony was held on March 10, 1968. This effort reached completion with the dedication service on January 5, 1969. The new building committee included Roy Butts, Chairman, Thomas Champion, Clarence Frazier, Andrew Yarborough, Sarah Grainger, Mary Lanier, Lucy Thomas, and Georgia Wilkins.

The church purchased a new organ in 1975, a new piano in 1982, and pew cushions in 1983. Playground equipment was constructed in 1998. Proceeds from yard sales, held by W.O.M. and WMU in April and July of 1999, were used for floor coverings and missions. In August of 1999, the cookbook "Heavenly Delights" was produced by W.O.M. and the WMU. A beautiful quilt, made by the women of the church, is now owned by Pat Temple.

A Valentine Banquet was held in February of 1999 and again in February of 2000. A new sound system was installed in the church in September of 1999, and computers were introduced to Harmony in January of 2000. During the summer of 2000, the church began a Bread Ministry for the community, and on August 4,2000, the Rodney Cameron, Jr. Benefit was held. The church celebrated its 66th Anniversary on October 1, 2000.

## Annuity Board

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. During this past year numerous conferences, consultations, etc., were conducted to service our churches and church employees related to these issues. Education continues to be a number one priority since so many people do not participate in the plans simply because they are not aware of the great benefits.

On January 1, 2000, the Annuity Board began offering The Ministers' Annuity Plan. This new product is particularly designed for the minister who has self-employment income from performing services (i.e., weddings, funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement plans. Eligibility can be determined by contacting the Annuity Board's customer service area.

The Southern Baptist Convention in annual session in June, 2000 approved changes to the Annuity Board's Mission Statement and two new Ministry Assignments. The changes will now allow the Annuity Board to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist churches and denominational entities by making available institutional investment through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61% of our North Carolina churches. The money contributed by individuals, churches, and the matching contributions from the state convention is invested according to the individual participant's financial goals and risk tolerance with the overall aim to help participants ensure their security in old age. The number of persons in North Carolina receiving retirement benefits totals 2,807 with another 368 assisted through the Adopt An Annuitant and Relief ministries. Funds for supplemental assistance are provided from the Cooperative Program, the Retired Ministers' Support Fund, and the Adopt An Annuitant plan.

For more information related to Annuity Board products and services, call the Baptist State Convention at 1-800-395-5102 extension 174 or call the Annuity Board at 1-800-262-0511 or visit the Annuity Board Web site at www.absbc.org.

## Baptist Children's Homes of North Carolina

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything -- relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships into the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission...the millennium...the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures...

Children like Linda and her two younger sisters. Linda feared for their well-being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her too.

The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. "Quality Service Through Quality Relationships" was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. "The Family Gathering" was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" has been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30-minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 p.m. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: "helping hurting children...healing broken families."

North Carolina's "largest family" is grateful to North Carolina Baptists for prayer and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

## BAPTIST MEN

This year, the LRBA Baptist Men were involved in many projects at the local church level. Most of these projects were conducted without any report or information given to the association. Such activities as Baptist Men's meetings, RA programs, involvement with Hurricane Floyd clean up, Pine-Wood Derby races, and other mission activities were conducted. All of these activities were wonderful exhibits of Baptist Men at work, but much of this good work will go unrecognized, due to the churches failing to prove the Who, What, When and Where of the activities involved.

One of the major contributions made by our Baptist Men this year was to contribute $600.00 of the $3,500 to the purchase of a truck for Gene Hickman and his ministry at the North Carolina Baptist Men's Agricultural Farm in Buies Creek.

It has been more than a year since Hurricane Floyd brought flood and destruction to Eastern North Carolina. The aftermath of devastation is still with many residents who were affected. Many churches volunteered to help rebuild homes, churches, and businesses. Food, clothing and monetary assistance were contributed. Exact figures for work done in the association are not known, as much of this work was done in uncoordinated actions. God used Baptist Men and resources to restore a reasonable measure of stability and hope for a despairing people. It was an amazing exhibit of love and concern for others, but recognition of the individuals and groups are impossible, due to the lack of reports of the work conducted.

Marion Hobbs, Disaster Relief and Recovery Director for the Little River did report a group responded to the State Office call. The group went to Grifton several times, but apparently, in an informal non-organized effort. The group was involved in several home reconstructions in the area of Grifton. Marion estimated a total of 1,400 miles was put on the trailer for its use.

While many groups were faithful to finish work started, much is still needed in the disaster areas. The State Baptist Men Disaster Coordinator is seeking volunteers to finish on-going projects. State Disaster Relief/Recovery Regional Training sites are being conducted. Emphasis is being placed on skilled worker assistance. Workers for the Non-Disaster feeding of others are needed at Grifton and other locations. Contact the Association office if you have any desire to assist in the completion work. Your help is needed, and the Association stands ready to assist in coordinating your participation.

# Baptist Retirement Homes

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity and comfort. The "Homes" dream is to make life for North Carolina Older Adults what God intended it to be...."The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the Hamilton Home in Hamilton and the Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community -- The Gardens of Taylor Glen, a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives. Keeping this promise means overcoming many challenges. By 2020, North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many older adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

*Whatever the future may hold, Baptist Retirement Homes will care for its residents for the rest of their lives.*

# Belarussian Children's Ministry

The summer of 2000 marked the sixth time that churches in the Little River Baptist Association have hosted children from the small, economically depressed, radiation contaminated country of Belarus. Through the cooperative effort of our churches, 19 children and an interpreter received medical, dental and eye care, as well as refuge in a loving, caring Christian home for six weeks. What a wonderful experience for the children, the host families and our churches.

A big "thank you" to the 15 host families and 13 host churches who shared their homes, hearts and faith with our special guests. Each Belarussian child returned home with many wonderful memories to share with their family and friends. Each child throughout their lives will cherish the expressions of kindness, concern and love. This is evidenced in the following excerpt from a letter received by one of our families.

*"I miss you all so, so, so much. I remember the time that we had together very often. It was a wonderful time, which will stay in my heart forever. I miss the moments that I had among your family and friends. I am thankful to God that in 1996 He led us to each other, and I am thankful to*

*you for your kindness to me and to my brothers during all this time. Thank you that you showed me people can love each other and help each other. I will love you and remember you forever. You are in my heart and in my mind always. I love you very much."*

Through our work with the Belarussian Children's Ministry, we have become more acutely aware of the blessings God has bestowed upon us as Americans. This ministry provides an opportunity for us to share our blessings with those who are in great need. In fact, it is one of only a few mission programs that allow us to become active foreign missionaries and yet remain at home. We encourage your involvement by praying daily for the program and the people of Belarus, making a financial commitment to the program, and volunteering to serve as a host family to a child.

The Belarussian Children's Ministry is an Association-wide project. We invite all 42 churches to join us in our efforts to touch the lives of these children and their families. Each child that we touch, that we invest ourselves in, that we love and help heal, is never again the same. Many that have had no hope are now the recipients of hope. Many that did not know Jesus now have Him to call upon. Also, many have returned home to share this faith with their people. All this is a testimony to what happens when God's people listen, hear, and then act on what God is calling them to do.

*"Jesus took a little child and had him stand among them. Taking him in His arms, He said to them, 'Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me.'" Mark 9: 36-37*

## Biblical Recorder

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: "Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the Recorder for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001. Currently, the annual rates (including tax) are:

- Every Home Plan (20% + of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

*Divinity School*

Campbell University is a Baptist university affiliated with the Baptist State Convention of North Carolina. Both in and out of the classroom, the University endeavors to present Christian principles to students and to foster their application to daily life.

The purpose of Campbell University arises out of three basic theological and Biblical presuppositions: learning is appointed and conserved by God as essential to the fulfillment of human destiny; in Christ, all things consist and find ultimate unity; and the Kingdom of God in this world is rooted and grounded in Christian community.

Therefore, the mission of Campbell University, as a community of Christian scholars, is to provide students the opportunity to get a world class education in a Christian atmosphere and to teach students not only how to make a living, but how to make a life.

Campbell University is grateful for the support of Baptist Churches through the Cooperative Program and the Baptist State Convention; and for your leadership and support that has led to the establishment of scholarships and gifts to help endow and insure the future and mission of Campbell.

Campbell received $1,752,000 last year from the Baptists of North Carolina through the Baptist State Convention. Again this year, the University used all of these funds for scholarships and direct student assistance. None of the funds were used for operational or building needs.

With over 50 majors available, Campbell University offers the following degrees: BA, BBA, BHS, BAS, BS, MA, MBA, MDiv, JD, and PharmD. We have nearly 8,500 students representing all 50 states and more than 40 countries around the world. For more information, contact Campbell University at P.O. Box 546, Buies Creek, NC 27506, or call 1-800-334-4111.

# Christian Action League of North Carolina

*Working For a Better North Carolina*

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values
   1. The Christian Action League again co-sponsored the Fifth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
   2. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.
   3. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.
   4. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".

5. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.
6. Participated in the National Day of Prayer.
7. Set up CAL exhibit at Baptist State Convention and the East and West Districts of the Wesleyan Church conferences.
8. Worked in the General Assembly to stop a bill that would allow physicians to take immediate custody of a child that they felt had been abused. The bill died in committee.

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, started Monday, January 3, 2000. This broadcast consists of a five-minute commentary on issues that affect our lives today. We will begin airing this program on August 7 on New Bern (WAAE, 91.9 FM). Our projection is to ultimately reach the whole state.

C. Gambling

1. Video Poker Machines – The Christian Action League worked round the clock to get video poker banned in this state. We failed getting the ban but were successful in getting SB 1542 to strengthen the law and restrict the operation and expansion of video gambling in the state. We will work vehemently next session in pushing for a ban.
2. Joined Christian Coalition in survey on how Gubernatorial candidates stood on lottery/released results in newsletter.
3. Next session the Christian Action League will be on the front line in the Legislature fighting a state-sponsored lottery.

D. Abortion

1. CAL has purchased the rights through donations of a surgical procedure on a 21-week old fetus that proves that partial-birth abortion is murder. We want to see this picture used extensively in making our case for the pro-life agenda.
2. CAL participated in the Right to Life Rally held in Raleigh.

E. Alcohol

1. Participated in four LBD campaigns since January 11, 2000, and there are three scheduled for a September referendum. We help with their organizational meetings, rallies and providing educational materials.
2. Worked in the General Assembly for passage of HB 1499-Interlock/Open Container law. This bill bans open alcohol containers in the passenger area of a motor vehicle on the highway right-of-way. The bill was ratified on July 13.

F. Pornography

Have produced and aired several radio programs to inform the public of the Internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over 150 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

# Council on Christian Higher Education
# Baptist State Convention of North Carolina

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptists students through institutional support. For every dollar provided to students through the Cooperative program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill, or Wingate would not be possible.

Thank you, North Carolina Baptists, for your continued support of Christian higher education in our state.

## Discipleship Training

The Discipleship Support Team is comprised of several dedicated individual who have worked together to encourage discipleship in our churches.

The Children's and Youth Bible Drills and Speakers Tournaments were led by Ruby Babb, Georgia Lee Brown, Kathy Crenshaw and Mary Jo Thomas. David Oyster leads various Life Support groups in the association. We have also added several new pieces of Discipleship Training materials which are available to the churches through the associational office.

## Evangelism

Three members of the Evangelism Committee and our Director of Missions went to Jacksonville, NC with the idea of seeking the Lord's will for Little River Baptist Association concerning an area-wide meeting in our association. We are in the process of meeting to make that determination.

I encouraged each messenger to canvas the areas around their church to discover new prospects. We on the Evangelism Committee will be glad to aid in any way possible.

## Good News Mission Report

Good News Mission continues to work toward reaching the community in Western Harnett County where God has planted us. One of the most important things that has taken place in the last several months is the decision by Pastor Joel Johnson to move from Lillington to the Carolina Hills subdivision (located just off Buffalos Lake Road.) This move took place the first week of August. After spending the first few months driving to and from the target area, it became evident that the most effective way to reach the community would be to have a constant presence with which people could identify.

Because the Mission is not yet at the place where we feel that we can build a first building, we decided the best thing we could do was relocate our home to the Summit area of Western Harnett County. We began holding a Wednesday night community Bible study in our home on August 15. The Bible study has averaged 18 in attendance since it was begun.

In addition, we began a weekday visitation emphasis in July. The goal was to reach every home in the Carolina Hills subdivision with a personal contact. Visits were made in the early evening four days a week by the pastor and five men from the mission. We concluded this visitation in early September, with every occupied home being visited at least once (as well as follow-up with several families). Our prayer is that the seed sown will bear fruit. We continue to reach out to new families as they move into the community.

The mission continues to meet on Sunday mornings at Western Harnett High School. We averaged 30 in attendance the last several months with a high attendance of 42.

Our sincere thanks go out to Lillington Baptist Church (our sponsor church), as well as to the Little River Baptist Association for their support and encouragement. Please continue to pray for us as we seek God's guidance and timing.

## Hispanic Council

I want to thank the Association for their support of Hispanic Ministries during my tenure as Chairman. During the last several years, we have attempted many different things in Hispanic Ministries. We tried to sponsor a mission at the Associational level for five years. We sponsored the medical/dental van, had localized Hispanic ministry days at Associational churches, and we worked together with the Sanford Hispanic church and Pastor Jim Wright to reach out to the migrant population. Although we have not had the success that we had hoped, we have seen some lives touched and some souls saved. And in the end that is what it is all about. This is my final report as Chairman of the Council. I am stepping down after six years of service. I want to encourage all Association churches to continue to support Hispanic ministries in our county. It is a ministry that will only increase in importance as our communities become increasingly Hispanic in the upcoming years.

## In Memoriam

*Do not let your hearts be troubled. Trust in God; trust also in me.*
*In my Father's house are many rooms; if it were not so, I would have told you.*
*I am going there to prepare a place for you. And if I go and prepare a place for you,*
*I will come back and take you to be with me that you also may be where I am.*

Listed below are the names of our loved ones Jesus has received in glory. They now know the joy of being in the presence of the Lord and seeing Him face to face. Their hearts are not troubled – neither should ours be. Jesus is coming soon!

# North Carolina Baptist Foundation, Inc.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially under girding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling $3.8 million and received $2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote *Make Your Will Month*, Christian estate stewardship, and church fund management. Over $3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance.

As of December 31, 1999, the Foundation held $93,355,200 under management. This is an increase of more than $12.5 million over 1998. During 1999, $1,864,044 was distributed to individuals and $3,418,543 to Baptist work for a total distribution of $5,282,587. During the 80-year history of The North Carolina Baptist Foundation, Inc., $16,081,204 has been distributed to individuals and $25,723,551 to Baptist churches, institutions and mission causes for a grand historical total of $41,804,755.

# North Carolina Baptist Hospitals

### HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened, the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

### BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,00 was used to assist members of our Baptist churches in North Carolina.

## SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contracts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center of Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry Training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

## FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 9,600 employees, we are the largest employer in Forsyth and Guilford counties.
- A Certificate of need was granted for a 47,000 square foot Downtown Health Plaza to be built replacing the Reynolds Health Center, which provides health care for underserved people in Forsyth and surrounding counties.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.
- Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

## ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

*New Dental Program For Indigent Children* – Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who never had routine services because their parents could not afford it, are now being treated.

*Physician Excellence* – In 1999, 600 physicians in North Carolina were listed among, "The Best Doctors in America"; 95 were WFUBMC physicians.

*Nursing Excellence* – Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nursing Credentialing Center, the nation's leading nursing credentialing organization.

*Ranked Among The Nation's Best* – North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of the 16 specialties, according to rankings published in the July 2000 issue of U.S. News & World Report. This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

*Newest Treatment For Epilepsy* – Wake Forest University Baptist Medical Center offers a new treatment for epilepsy – a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

*Information And Appointments* – For more information or to make an appointment with a physician, contact HEALTH-ON-CALL at 1(800)-446-2255 or 336-716-2255.

**A CLOSING WORD FROM THE PRESIDENT**
From its dedication on May 28, 1923 to the present, North Carolina Baptist Hospital has been committed to our mission of providing the highest quality health care to our patients and their families in a compassionate, caring manner. This report reflects how our mission and values of excellence, compassion, innovation, and integrity are lived out every day. As a Medical Center we continue to be one of the leading research centers in the United States. We provide a wide array of comprehensive health care, across the spectrum of life, to people with the most severe medical conditions. In March, Alice Davis returned to S. Africa to help gain partnership relations with yet another area surrounding Port Elizabeth, the Southeastern Province. The president of this SA Baptist Association, Rev. Anton Roos, and his wife, Edna, then came to the U.S. and began planning for our work with them in 2001. In May, Claudia Hayes of Hillmon Grove went to S. Africa with another Baptist Nurse for a medical-health education effort. We estimate 90-100 decisions for Christ from these efforts. November will be our final team trip for the year 2000.

*S.A. 456 - 457 in the Northwest Province*
November 1 we will be returning to the Northwest Province for 17 days. We will attend the church's dedication of the building that was constructed in Leherutse in February as well as move into other villages. We have been invited to come to a Mother Church, Tweelagte, and its two "branches." Evangelism is the priority, with open doors to schools, hospital, vacation Bible school, and evening services. Pastors and laypersons will both play an important role.

Bibles have been requested by our missionary on the field, Roy Smith, for the November trip at $4.50 each. A portion of the annual offering has been requested for this purpose, as well as donations being accepted at LRBA now. Everyone is both welcomed and encouraged to attend the commissioning service for the November team on Sunday, October 29, at 6:00 p.m. to be held at Antioch Baptist Church, Mamers.

To God be the glory, and may He continue to bless all of the work in our association as He has this partnership.

Our partnerships are associational-wide, and we consider each church on mission with every team. We covet your prayer support and possible participation in the future.

## Sunday School ACTeam

The Little River Baptist Association Sunday School Team (ACTeam) continues to grow in leadership skills by attending training sessions offered by the NC Baptist State Convention, Bible-Teaching-Reaching Team. Training events attended this year were held in Greensboro, Caswell and Caraway.

A literature meeting for the association was held in June for pastors, Sunday School Directors, and teachers to "look, see and ask" about expected changes in our LifeWay curriculum for Fall 2000. An association Sunday School Training event was held on October 10 at Lillington Baptist Church to develop teaching skills, give encouragement, get new ideas and information to be used in Sunday School classes.

Continue to pray for the ACTeam and the Sunday Schools of our churches.

A New Year – a new century! We have heard about this, talked about this, prayed about this for a long time. In the midst of it all, isn't it exciting to know that it is the same Gospel, the same Lord, and the same Great Commission given by our Lord. The Good News for the 21st century is the same as it was for the first century. Jesus came and died for every person, and He rose again so that we may have eternal life. How humbling and overwhelming it is to know that He gave us the task of telling every person about His love and sacrifice.

That is what motivates us in WMU to continue teaching, studying, serving, worshipping, giving, praying, growing, and going. There is no greater motive and no greater mission than that given by Jesus Himself. There are missionaries in all parts of the world because of the influence of WMU; there are women who pray daily and give sacrificially because of the teachings of WMU, and there are innumerable people who have been ministered to because of the work of women in WMU. Only God knows the eternal results of all that has been done and is being done.

The women, girls, and children of Little River Association have participated in many mission projects this past year. Some on the associational level and many more on the church level. We have provided in abundance pens for the Christmas boxes for women in prison, Christmas cards for the men in Harnett Correctional Center, health kits for migrant children, medical kits for the Belarussian children, eyeglasses for South Africa, and bagged lunches for special needs children. We also bought sewing machines for some women in South Africa who had theirs stolen.

There were 119 women who met to pray for women all over the world in November and who gave $235 for the Baptist Women's Department of the Baptist World Alliance. There were 118 women who went to Caswell for a prayer retreat in May, and as always, we have had special weeks of prayer and study for our International and North American mission needs.

There are hundreds of children and girls who are being taught what missions is all about, and we have added groups in some of our churches. There are hundreds of women who continue to study and pray for missions and get involved in meeting the needs. For this, we are grateful to God.

For the New Year of 2000-2001, the Associational Leadership Team has adopted an objective of being a unifying force for the churches in our association as we focus on Christ-centered missions. In connection with this, we want to promote throughout the association what WMU is all about. Therefore, we are listing here the Core Values of WMU, as listed in the Book of Reports for the Southern Baptist Convention – 2000, page 175.

- We believe that Jesus Christ, Son of God, gave His life a sacrifice for the salvation of the world, fulfilling God's plan for the ages as revealed in the Bible, God's Holy Work.
- We uphold the foundational principles of the priesthood of every believer and the autonomy and uniqueness of each local church in carrying out the Great Commission.
- We embrace the strategic role of prayer and giving for missionaries and missions needs.
- We recognize the role of family in discipleship and missions development.
- We accept responsibility for nurturing preschoolers, children, youth and adults in missions.
- We accept responsibility for developing and equipping missions leaders.
- We accept the biblical mandate to respond to human need with actions modeled by Jesus Christ and with the message of God's redemptive plan.
- We partner with other Great Commission Christians to lead a lost world to Christ.

These are the values that we hold dear and believe that they should be the values that all Christians cherish and live by.

# World Missions

From the beginning, God has purposed that His face should shine upon the world's darkness, until ALL peoples behold His light and worship Him, until ALL nations hear of God's salvation through Jesus Christ. The task of global missions is unfinished. This is the report of what we as Southern Baptists have done this past year to further the Kingdom of God, until His name is known and His salvation proclaimed unto ALL nations.

902 new missionaries were appointed to serve overseas, making a total of 4,815 under appointment. Over 25,000 volunteers served alongside these missionaries. 4,748 new churches were formed, bringing the total of mission points to 38,363. A total of 363,703 baptisms brought the membership of churches and missions to 4.9 million. Receipts from the Cooperative Program were $83,702,405 and the Lottie Moon Offering receipts were $105,443,787.

There are still 2,161 "nations" or people groups who live in the Last Frontier, with little or no access to the Gospel. There are 1.7 million people living in this part of the world. Your church can join God on mission, by linking arms with the International Mission Board as a Global Priority Church, or adopting a people group, or adopting a missionary. For more information call 1-800-362-1322.

God is moving mightily through the North American Mission Board team. It has been three years since the ministries of three former SBC agencies were combined to form this new agency. Following are a few of the highlights of what the Cooperative Program and Annie Armstrong Offering accomplished: 5,025 missionaries, 3,000 chaplains, and 150,000 volunteers.

More than 900 Bible study clubs were established on high school campuses, each averaging more than three students a month making a profession of faith. The 3,000 chaplains endorsed by the Home Mission Board led 24,000 people to faith in Christ. NAMB-related pregnancy care centers ministered to 25,600 clients, resulting in 2,050 babies born, 53 adoptions, and 1,260 professions of faith.

More new SBC congregations were started last year than ever before -- 1,743. Of those, 693 were ministering primarily in Anglo areas, 671 were language or ethnic churches, 225 were primarily African-American, and 154 were newly affiliated with the SBC.

The Nehemiah Project, which places a NAMB missionary at all SBC seminaries to serve as church planting professors, trained 213 students as church planter interns. 65,000 adults participated in construction projects at more than 500 sites; 13,042 World Changers led 918 people to professions of faith.

Beginning this year, the NAMB Strategic Focus Cities will target our nations largest cities. Chicago and Phoenix were the cities this year. Boston and Las Vegas will be the focus cities in 2001, and Philadelphia and Seattle in 2002.

Let us claim the promise of Habakkuk 1:5: "Look at the nations and watch, and be utterly amazed. For I am going to do something in your days that you would not believe, even if it were told you."

# A Brief History of Neill's Creek Baptist Church

The original records of the church have been destroyed or lost for generations and for that reason the exact date of its formation is not known. Extensive research through the Historical Commission of the North Carolina Baptist Convention, referring to preserved minutes of various associations, examining early church histories pertaining to the area, etc., lead to a reasonable conclusion that Neill's Creek Church was formed in 1780. We do know, however, that it is numbered among the oldest churches in the area and is the oldest existing Baptist church in Harnett and Cumberland counties.

In selecting the name of Neill's Creek Baptist Church, the founders were following the custom of a great many of the Baptist churches in America, especially the south. These churches originally took their names from some watercourse near where the meetinghouse stood, and if there were no watercourses near or other notable geographical place, they usually took the name of the county where the church was located. Neill's Creek Baptist Church has borne the same name since the date of its organization in 1780, though the spelling of the name has not always been the same.

The era of Reconstruction in the South, roughly from 1865 to 1877 proved a trying time both in adjusting to a new relationship with former slaves and to a new relationship with the Federal government. For one thing, many lives were lost in the war and due to shortages there were sacrifices that had to be made by the people left at home. At such a time, during the war and afterward, the church became a beacon of hope in a world that was filled with troubles. It was perhaps in times like this that this church became known as "The Light on the Hill."

The Civil War and Reconstruction altered many relationships, but at Neill's Creek Baptist Church, black members continued to attend services for a dozen years after the war. In 1872, there were still sixteen black members worshiping here. Ultimately, following the trend throughout the south, the black members left the church to form their own congregation.

For much of the second century of Neill's Creek Baptist Church, James Monroe Holleman was pastor. During his 44 years of service, some interesting facts include:

- In 1878, the first person was buried in the church cemetery.
- The first Sunday school began in 1880 with six teachers and an enrollment of sixty. Average attendance was 40.
- In 1882, the Little River Baptist Association met at Hector's Creek Church (now Chalybeate) and Neill's Creek presented a petition that dismissed them from the Raleigh Association. The Little River Baptist Association then received them.

During the early history of our church, it was custom for the men to enter one door to the church and the women to enter another and to sit separately in the church. One of our older church buildings actually had two front doors – perhaps to accommodate this custom. It was in December of 1927 that a couple was married and began sitting together that brought the tradition of women and men sitting separately to an end.

In 1957, our first and only parsonage was built across Highway 210, a short distance from the church. Reverend Jack Arlen Holt was called in 1958 to become the first resident of the new parsonage as well as the first full-time pastor of Neill's Creek Baptist Church. The parsonage still stands but was sold in 1994, after 37 years of service.

A brick church building was constructed in 1938, and the old frame structure was sold for use as a barn on a farm near Lillington. Lightning hit the church on May 6, 1946 and the church burned down. A "tin tabernacle" was constructed and was used for worship until a new brick church was erected. A dedication service for the new church was held on June 6, 1948. On Tuesday evening, May 23, 1984 that disaster was to strike again. Our church building was once again completely destroyed by fire. Not a single church meeting was missed, and that same year Reverend Luis Manriques was ordained as pastor of Neill's Creek Spanish Mission and Keith Wagner and Lisa Hunter accepted the call to full-time Christian ministry as foreign missionaries. On June 15, 1986 the church held a very spiritual, glorious and emotional celebration in our new building. The official dedication service was held on Sunday, July 20.

May the achievements of the past be only a stepping stone to a mammoth future that God has planned and may all the honor and glory be His.

## A Brief History of Antioch Baptist Church

Antioch Baptist Church, organized in 1833 with 28 members, was called New Bethel Church until 1847. Church membership in 1920 was 383. Presently, the church has a total of 860 members. The original building, which was located back of the present cemetery, was torn down when the first part of our present building was erected in 1908.

Antioch has always been mission-minded. In 1874, a group of 24 members left Antioch to form a new church, which is presently Holly Springs Baptist Church. In December of 1958, Antioch organized a mission on Highway 27. Now called Calvary Baptist Church, it became self-supporting on October 6, 1974. In 1983, Antioch joined with Lillington Baptist Church to organize a mission in Anderson Creek. In the spring of 1989 the mission became self-supporting and is now called Anderson Creek Community Church. In October 1989, Antioch organized a mission in Buies Creek called Crossroads.

From 1970 – 1996, Antioch operated a day care center using the facilities of the church fellowship hall and nursery.

Through the years, the church has ordained 8 men into the Gospel Ministry: James A. Davis, Walton Page, Irvin Sephens, James Ronald Byrd, Arthur Wall, Charles Blackwell, Edgerton Rogers, and Craig Morrison. The church has had four ladies to graduate from seminary: Foy O'Quinn, Zula Rogers, Phyllis Thomas, and Donnie Stewart Winston. Antioch has had one missionary volunteer, Phyllis Thomas, who served for a number of years in Chile as Youth and Education Director for several Baptist churches and missions.

# Annuity Board

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance, ministry to seminary/divinity students, and church/clergy tax issues. These services are provided in a variety of ways to churches and church employees.

As a result of an expanded mission statement and two new ministry assignments given to the Annuity Board in 2000, the year 2001 is proving to be one of transition. Specifically, much of the Board's work during 2001 has focused on preparing to offer personal investing and institutional investments with the accompanying need for all the investment funds to be registered during this year. Despite a disappointing year in the financial markets, ten of the fourteen Annuity Board investment funds out-performed their benchmark for the year. More specifically, all six equity funds and all four blended funds exceeded benchmark returns while all four fixed income select fund under-performed.

Insurance continues to be one of the greatest challenges as the Annuity Board continually seeks to maintain viable products for participants. New insurance products and services have been developed and plans outlined for implementation. Two new Medicare supplement plans were designed and implemented. The Annuity Board paid more than $139 million in insurance benefits last year.

The Endowment Ministry, designed to give support to retired ministers, denominational employees and their widows with special needs, enjoyed a banner year. The relief ministry reached a record monetary level as $5.3 million was distributed to needy retired ministers and widows. Guidelines for the Adopt An Annuitant ministry were revised to allow more applicants to qualify for the gift.

As of May 31, 2001, there were 4,842 active participants in the retirement plan with 62% of our North Carolina churches participating. The number of persons receiving retirement benefits has increased to 2,815 with another 361 being assisted through the Adopt An Annuitant ministry plan.

It is our strong desire to serve all of our churches, ministers, and church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extension 174, visit our Web site at www.bscnc.org, or call the Annuity Board at 1.800.262.0511 or visit the Annuity Board Web site at www.absbc.org.

# Baptist Children's Homes of North Carolina

**Baptist Children's Homes serves record number of children.** In 2000, Baptist Children's Homes of North Carolina served a record 2,000 children and more than 1,600 families statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde, a maternity home in Asheville, a teen mother/baby home in Lenoir, value change homes for boys and girls in Franklin and Asheville and girls in Lenoir, a wilderness camp for boys in Cameron, emergency care cottages at each of the residential campuses and in Waynesville, and a model day care in Thomasville.

**Children tell their stories during Baptist State Convention report.** Standing ovations, applause and heartfelt hugs greeted the children and staff at their 30-minute presentation during the 2000 Baptist State Convention in Winston-Salem. More than 130 BCH children, child care workers and staff sang, shared their stories and said "thank you" to the approximately 4,500 messengers attending the Tuesday afternoon session. Messengers heard the special testimonies from Citadel graduating senior and former Broyhill Home resident Jason Davis and Hannah Adams' mother, Donna. Hannah has participated in both the 2000 and 2001 BCH Respite Camp for Developmentally Disabled Adults.

**Jason Davis thanks messengers.** Jason was featured in the 1995 Baptist Children's Homes report to the convention. At that time he was 17 and dreamed of a career in the Air Force. During his testimony at the 2000 convention, Jason appeared in the full dress uniform of The Citadel. He reminded messengers that if it had not been for their care and support, he could have never realized his dream. He told messengers that he credited them for the opportunities he has known. Jason said he plans to always come back to visit the children, and, just as others gave to help him, he would give to help the other children who would come to BCH after him. Upon his graduation from The Citadel in May 2001, Jason Davis was commissioned as a Lieutenant in the United States Air Force.

**Donna Adams claims Developmental Disabilities Ministry an answer to prayer.** The final testimony of the BCH presentation was not given by a child, but by a mother. Donna Adams of Laurinburg strained to maintain her composure as she shared how BCH's new ministry for developmentally disabled adults was the answer to her prayers. Adams' daughter Hannah suffered brain damage as an infant. Today, Hannah is a beautiful young woman. Donna said she is comforted in knowing North Carolina Baptists and the Baptist Children's Homes would be there as her family plan for Hannah's future. She thanked messengers on behalf of other parents and families of developmentally disabled children for their support and commitment to this ministry.

**North Carolina Baptists reach $1,000,000 Thanksgiving Offering goal.** Because of the support of Baptist churches all across North Carolina, Baptist Children's Homes met the 2000 Thanksgiving Offering goal of $1,000,000! The goal was record for the agency. BCH president Michael C. Blackwell said he was "enormously gratified at this outpouring response." Baptist Children's Homes is grateful to all North Carolina Baptists who committed themselves to help meet this challenging goal.

**First Baptist Church of Salisbury sets goal they couldn't reach.** Interim pastor Dr. Dale Steel said collecting a church record of $18,300 for the 2000 Thanksgiving Offering was fun. Dr. Steel recounted the meetings that led to setting the church's goal at 1% of the total BCH goal of $1 million or $10,000. In 1999, the church gave approximately $3,500. The church's leadership decided to set a goal they could not reach on their own. Leading with prayer and a commitment to meet their goal, the church watched as they passed their goal and reached their record amount. One month after receiving the record Thanksgiving Offering, the First Baptist Church of Salisbury collected the third-largest Lottie Moon ingathering in 11 years. Dr. Steel credits the church's vision, enthusiasm and determination to do their part for missions as being the key to their success.

**BCH breaks ground on two new DDM homes, and dedicates new children's cottage in Marshville.** In June, Baptist Children's Homes broke ground for two new group homes for developmentally disabled adults in Winston-Salem. The homes – Davis House and Hinkle House – are being built adjacent to BCH's Baptist House at Bethabara and will open in early 2002. The R.P. and Ella Mae Stegall Home was dedicated August 19, 2001. The new group home is located in Marshville and provides residential care for nine boys.

***New Millennium Families* study guide offered to churches.** The study guide to accompany Dr. Michael C. Blackwell's book *New Millennium Families* is being made available to churches for group Bible studies this fall. Dr. Blackwell believes BCH can help strengthen families in North Carolina Baptist churches and is committed to providing the necessary resources. Dr. Blackwell's new book, *A Place For Miracles,* is a history of Baptist Children's Homes, and will be available in late 2001.

**BCH anticipates another record Thanksgiving Offering.** The 2001 Thanksgiving Offering goal is $1,100,000. This represents a $100,000 increase over last year's record-setting amount. The number may seem enormous, but there is an enormous need. Children and families turn to BCH broken, battered and burdened. But with the help of North Carolina Baptists, BCH shows them God's love. BCH is counting on North Carolina Baptist churches to help meet this important goal during this time of economic uncertainty. Call 1-800-476-3669, ext. 1209 to order promotional material, the new Thanksgiving Offering video, last year's BCH Convention Presentation video or to request a speaker to tell the BCH story in person.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church-designated and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement: "helping hurting children ... healing broken families."

**BCH is grateful for North Carolina Baptists' prayers and support.**

## Baptist Men

Missions Activities involved in during the year and future plans include:

- **Overhills Community** – Looking to put in sporting equipment at location of the new church site to attract the local young people. Several people will be passing out flyers on November 3 to let the people know of an outdoor one-day Vacation Bible School and fun activity day. Rodney Wilson and the youth from Coats Baptist Church will be leading the activities on November 10. A special recognition needs to go out to the people of Harmony Baptist Church in Bunnlevel who have already done a lot of work in this community.
- **Camp Caswell** – Groups have been going down this year to work at Caswell to install a new Water and Sewer System, along with a new state-of-the-art Communication system. Ditches have been dug, pipe laid, wires pulled, conjunction boxes put in the ground, etc. However, there is still more work to be done. For the next few months, anyone who wishes to work can. Unskilled laborers can still help. After May, more skilled workers will probably be needed to connect the pipes and wiring up under the individual buildings. If you are interested, you can call Carsie Denning, Jr., for more information (910-897-4185.)
- **Prison Ministry** – A group went to the Bill Glass Prison Ministry Conference this past weekend in Charlotte. They actually went into the Mecklenburg County prison system and led worship services there. These men have also been to prisons in Wake County, Nash County, Sampson County and Harnett County. If any churches are interested in Prison Ministries, you can contact Bob Hedrick in Coats at 897-5652.
- **Agriculture Missions Farm** – Gene Hickman is in charge of the Agriculture Missions Farm at Buies Creek. Men from different churches from around the state have toured the farm seeing firsthand how to raise crops and animals to sustain a family in third-world countries. Men from local churches have been over to help plow fields and build a greenhouse this past year. This is a great place to take RA chapters to see how mission work is performed around the world. Contact Gene Hickman if you need any other information at 910-893-3077.
- **On Mission Celebration** – In the next two weeks, the Baptist Men's Association committee will be meeting to make plans for the *On Mission Celebration* in March. We will be contacting each participating church with specific plans that will need to be carried out by each specific participating church.

- **Royal Ambassadors** – The second week in November is Royal Ambassador week. I hope each church in the association recognizes the RA's and their leaders during the worship service. I believe this is one of the biggest priorities of the Baptist Men of our association, and I plan to have more emphasis put on it this coming year. Last year, when I was up here, I told you that I was in the process of being phased out at the Mill in Erwin due to its closing down. Because of that, I had an opportunity to do substitute teaching at Triton High School. I got a real education of what it is like to work with teenagers from all types of backgrounds. More than ever, it is time for the men of the local churches to train and teach their boys and young men in Biblical ethics, morals and values, along with performing mission work. If we don't tell the young men of today how to live correctly in the eyes of the Lord, then they aren't going to hear it.
- **In the next two weeks, I plan to have another newsletter out to all the churches telling about some of the mission projects I have just mentioned.** If you are interested in my coming to your Baptist Men's group meeting and telling them about what's going on or how to start or revamp an RA chapter, I will be glad to come.

**Respectfully submitted,**

# Belarussian Children's Mission Program

**Matthew 28:19 Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.**

If you could place the Earth's population into a town of just 100 people, with all the human ratios existing in the world still remaining, what would this tiny, diverse town look like?

- 70 would be non-white
- 30 would be white
- 80 would live in substandard housing
- 70 would be unable to read
- 50 would suffer from malnutrition
- 70 would be non-Christian, and
- 6 would possess 59% of the world's wealth, and all 6 would be from the United States.

If you have a good home, have plenty to eat, and can read, you are a member of a very select group.

If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep, you are richer than 75% of the world.

If you have money in the bank, in your wallet, and spare change in a dish somewhere, you are among the top 8% of the world's wealthy.

If you woke up this morning with more health than illness, you are more fortunate than the millions that will not survive this week.

If you can attend a church meeting without fear of harassment, torture or death, you are fortunate; more than 3 billion people in the world can't.

We are truly blessed. By the grace of God, we were born in the United States, where we enjoy a higher standard of living and more freedom than the people of any other nation in the world. However, with this wealth and freedom comes accountability. We are accountable for how we use our lives and our wealth to serve God through service to our fellow man.

We have many opportunities to serve Him by supporting the works of the Southern Baptist Convention (Lottie Moon, Annie Armstrong, Baptist Children's Home, etc.). However, the Belarussian Children's Program is the only program through which you can become actively involved in foreign missions and remain at home.

How did my family become involved in the ministry?

One Sunday in February, 1996, our pastor, Dan Deaton, announced that we would have a guest speaker who would talk with us about the Belarussian Children's Ministry the following Sunday. Although we heard the announcement, my family did not discuss the possibility of becoming active participants in the program. I personally had planned, as most good Baptists do, to make a contribution to the program and, therefore, pay someone else to do the mission work that God wanted me to do. I had the children's sermon that morning so I sat on the front pew. Sharon and our 9- year-old daughter, Meghan, sat in "our pew," about halfway back on the right hand side. I remained up front after the Children's Sermon and Bill Tomlinson, our speaker, began his talk. During his presentation, I felt God calling me to this ministry. Like Jonah, I tried to bargain with God. I said, "God, as the principal of a school, I look after 1,400 of your children for 10 months each year. I know that you aren't really asking me to give up my summers to care for these children from a tiny nation I have never heard of." At the conclusion of the service, our pastor asked that anyone interested in working in the program come forward. I didn't look back at Sharon and Meghan, but yielded to God's call and stepped out in the aisle. To my surprise, they were there beside me. We have now been involved in the program for 6 years, hosting one to three children each year.

Yes, it is difficult to believe that we have been involved in the program for six years. We have watched Kristina, our first child, grow from a leggy, shy, 12-year-old to a young lady of 18 – now in her third year at Mogilev University training to be an English teacher. We have watched Pavel, a tall, skinny, outgoing, spirited, somewhat hyperactive, young lad of 11, become a serious student at the Liceum of Technology with aspirations of going to the University to study Computer Engineering. Through his visits, he has developed the HOPE of making a better life for himself and his family. We have watched Misha, a skinny, inquisitive, loving 8-year-old child, as he experienced life in a country that he equates with a fairyland. And yes, we have watched Sergei who, at first, was somewhat suspicious of our motives, as he developed trust and grew in faith during his visit.

I have visited with "our children" in their country on two occasions – December, 1996 and December, 1999. I have witnessed the devastation of the countryside and the people by the Chernobyl nuclear disaster of 1986. As you may recall, 70 to 80 percent of the radiation fallout fell on this tiny country. As a result, there has been a dramatic increase in thyroid cancer, leukemia, bone cancer and soft tissue tumors, especially among children. Cases of leukemia have doubled and thyroid cancer has increased 100 fold. Premature births, which once stood at 5 percent, have climbed to 25 percent and the birth rate has dropped – currently there is one birth for every two deaths in Belarus.

Why should we bring these children to the US?

First, to nourish their bodies. Six weeks in the United States, where they receive a variety of fresh fruits, vegetables and meats, along with fresh clean air and water, purges their bodies of many of the contaminates that they live with daily.

Second, to give them HOPE. Hope for a better future. They see the freedoms that we enjoy, the security that is found in the family unit, and the love we share for one another.

Third, to share in our faith. Belarus was for many years under the communist rule of Russia. Religion was denounced and many churches were destroyed. Only recently have citizens been allowed to worship openly. At first, the children are suspicious of our faith but then become receptive and want to learn more about it. For example, one Sunday evening, following a youth service, my Pastor asked Pavel, "Tell me about your religion." Pavel responded, "When we pray, we must go to church and pray to an icon, who will take our prayers to God." Pavel then quickly added, "But I believe that you do not have to be in church to pray, you can talk to God anywhere." Another example, when Meghan and I were in Belarus, we usually said our prayers silently prior to each meal, as praying before meals is not a custom in their home. One evening, Pavel approached me prior to dinner and asked that I say a prayer at the dinner table. I responded that I would. At the table, we bowed our heads and I began. Pavel interrupted with, "Like we do in America!" I responded, "How is that?" Pavel's answer, "We must all hold hands."

The children return home to share their experiences with others in their lives. On a visit to the village to see Pavel, Kristina and Misha's grandparents, I was met on the pathway by the grandmother. She was excitedly speaking, in Russian, and kissing my hand. I asked Kristina to interpret. Kristina stated, "She is thanking you for the Bible." When Kristina returned from America, she carried two Russian Bibles. She gave one to her grandmother. This was the first Bible the grandmother had ever owned.

Our Belarussian children are financially poor, but they are sure rich in LOVE. By sharing our home with them, Sharon, Meghan and I have a better understanding of what it means to be

Christian. We also have a better understanding of what Jesus meant when he said, "Whoever welcomes one of these little children in my name welcomes me: and whoever welcomes me does not welcome me, but the one who sent me" (Mark 9:36-37).

### Services Rendered – 2001 Program

During the summer of 2001, twenty-four host families from 17 churches within our Association served 28 children and 2 interpreters through the Belarussian Children's Mission Program. Twenty-three of our churches made financial contributions to the Belarussian Children's Mission fund. A big "Thank You" to our host families and churches who shared their homes, hearts and faith with our special guests. Each Belarussian child returned home with many wonderful memories to share with their family and friends. The expressions of kindness, concern and love will be cherished by each child throughout their lives.

A special thanks to the members of our medical community who ministered to these little ones. Through their generosity, children were provided free physical examinations, eye care and dental services. Betsy Johnson Hospital provided free blood analysis on each child. Area physicians provided free follow-up examinations, personal care and specialty referrals as needed. Local optometrists conducted eye exams and prescribed glasses as needed at no cost to the child or Association. Area dentists scheduled free teeth cleanings and follow-up dental care - filling well over 100 teeth, pulling several, capping a few and applying a protective coating to many.

**Respectfully submitted,**
**Donald Dawson,**
*Belarussian Children's Ministry Chairman*

# Biblical Recorder

Baptists cling stubbornly to the idea that people should think for themselves and make up their own minds about issues of importance. For this reason, Baptists affiliated with the Baptist State Convention of North Carolina (BSCNC) are fortunate to have a resource that provides regular, dependable and balanced news coverage of wide-ranging matters relating to Baptist life.

The *Biblical Recorder*, the official news journal of the BSCNC, has served this purpose since its establishment in 1833 by Thomas Meredith, a prime mover in founding the Baptist State Convention in 1830. The *Biblical Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors for news and editorial writing in 2000.

The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: ***"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

As a BSC agency, the *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark informed thinking on important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder.*

In addition to its printed form, the *Biblical Recorder* maintains a popular presence on the World Wide Web, significantly enhanced through major upgrades in early 2001. The *Recorder's* website at www.biblicalrecorder.org offers Internet users an opportunity to read much of each paper's content online, and allows for the posting of breaking news prior to the printing of the next issue. New features include an internal search engine, a church locator service, classified ads, Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- Church News Service (incorporates church newsletter into the Recorder) - $7.50
- Every Home plan (20%+ of church families, paid through the church budget) - $8.50
- Club Plan (4 or more persons in a church subscribe together) - $9.75
- Individual Subscription - $11.90

## Christian Action League of North Carolina

It is with humble gratitude that the Christian Action league of North Carolina serves the Lord Jesus Christ and the churches of this great state as a beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

### Christian Values

A. The Christian Action League again co-sponsored the Sixth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.

B. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 17,000 copies have been mailed. CAL was instrumental in getting HB 195 passed that would allow public schools to post the Ten Commandments. This bill passed 94-18 on 7/26/2001.

C. CAL has worked to promote awareness of worldwide persecution of Christians through email alerts and radio.

D. The League participated with the American Family Association in distributing copies of our national motto posters "In God We Trust" through our newsletter and providing a link from our website for the purchase of these posters.

E. CAL joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.

F. The League set up a CAL exhibit at the Baptist State Convention.

**Radio**

"Christians In action," Station WAGO (88.7 FM) Snow Hill, has expanded to WAAE (91.9 FM) in New Bern and WRNA (1140 AM) and WRKB (AM 1460) in Kannapolis. This broadcast consists of a five-minute commentary on issues that affect our lives today. our projection is to ultimately reach the whole state.

**Gambling**

A. The Christian Action League has been instrumental in keeping a lottery referendum bill in Committee. Through our newsletter, emails, radio and postal service, we have encouraged the Christian Citizens of North Carolina to keep letters and calls constantly coming in to the N. C. General Assembly telling their legislators they do not want a lottery in North Carolina.

B. The Executive Director and President of CAL joined Citizens United Against the Lottery in a grassroots effort to fight the lottery. The Executive Director spoke at a news conference held at the Press Room of the Legislative Building by this group. Members of CUAL are Chuck Neeley, former gubernatorial candidate; Frank Daniels, Jr., former publisher of the News and Observer; Dr. William Friday, former President of the UNC System; Dr. Billy Graham; U.S. Senator Lauch Faircloth; former State Treasurer Harlan Boyles; and former Governor Robert Scott.

C. CAL has held "A Christian Looks at Gambling" workshops in Statesville, Burlington, Morehead City, New Bern, Laurinburg, Asheville, Charlotte, Beulaville and Salisbury, areas whose legislators were targeted as "on the fence" on the lottery issue.

D. The league has provided a packet of gambling materials for preachers across the state to use in educating their people about the dangers of a lottery.

**Abortion**

A. The Executive Director of CAL spoke before a Senate Committee to promote HB 275 – Infant Homicide Prevention Act. The bill, which nearly failed to get out of the House in the spring, gained near unanimous support after the Christian Action league got behind the legislation. The bill allows mothers under certain circumstances to avoid abandonment charges if they leave their newborn with a responsible adult or health care provider. The League believes that this is an alternative to abortion and infant homicide after birth.

B. CAL has encouraged its members to call President Bush to encourage him to stand firm for the sanctity of human life on the issue of stem cell research through emails.

**Alcohol**

A. CAL participated in four LBD campaigns since January 2001. We help with their organizational meetings, rallies and providing educational materials. Wilson Mills was successful in defeating off-premise beer and wine sales.

B. CAL worked in the General Assembly for defeat of HB 1143 – Sports Club ABC Permits, which would allow liquor-by-the-drink without a vote of the people. Rev. March H. Creech, Executive Director of CAL, spoke before the Senate Committee against this bill. Unfortunately, the Governor signed this bill into law on 5/30/2001.

**Pornography**

The CAL has produced and aired several radio programs to inform the public of the Internet pornography crisis, and worked to educate communities on how they can rid their neighborhoods of adult establishments.

**Homosexuality**

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert and newsletter. We track bills that would give protected status for homosexuals. Several bills this session are HB 941, HB 871 and SB 547. All remain in committee.

The Christian Action League of North Carolina produces a quarterly newsletter, *The Beacon*, which has a distribution of over 21,000. We also send out an email alert every Friday to over 600 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

When it comes to colleges, *"one size does not fit all."* There is a difference.

North Carolina has 117 post-secondary institutions. Some are classified as community or technical colleges. Others are public, while some are private. Some are Bible colleges. One is a seminary and one is a junior college.

Some have large campuses, while others have modest facilities. Some have major sports teams, while others offer intramural events. Some have significant endowments, while others struggle to stay open. Some have government support, while others depend upon private support.

North Carolina Baptist colleges and universities are unique. They are institutions we trust and support. They represent places that share our core belief that one's education should involve the heart, soul and mind. This belief is not shared by every institution in our state. Some are not allowed to invoke the name of God, neither are they allowed to worship God. North Carolina Baptist colleges, however, are different.

The colleges and universities associated with the Baptist State Convention of North Carolina affirm their faith in God and acknowledge their Baptist heritage. Students on our campuses are challenged to develop their faith through Bible study, worship, ministry and mission opportunities in addition to their academic studies. When a professor on one of our campuses was asked, *"Why have you chosen to be a part of this facility?"* he responded, *"Because I am free to mention the name of Jesus on this campus."* When it comes to colleges, *"one size does not fit all."*

Students in our churches struggle when they are deciding which college or university to attend. It is a decision that will follow them the rest of their lives. If they choose a school where faith is left out of their educational experience, they will graduate with degrees without the benefit of their faith being challenged.

Thank you, North Carolina Baptists, for your continued support of Christian higher education at Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

# Evangelism

The overarching objective of the church is to win the lost and disciple the saved. The purpose of the Little River Baptist Association's Evangelism Committee is to help equip our churches to fulfill the Great Commission in their local communities.

Research indicates that 92 percent of Christians have never shared their faith with anyone. The primary reason is fear. Our committee believes Jesus can take the fear out of personal evangelism.

Our committee has met and established two goals for the 2001-2002 church year. First, we want to give believers a hands-on tool for sharing the gospel. We are planning several training sessions to introduce "The Net" to our association.

The Net is a new tool designed to equip believers in evangelism by learning to share the gospel through their story/testimony in a culturally relevant way. There is no certification required. The Net is mentor and apprentice led and features weekly lifestyle learning assignments.

Its origins are the result of a team that included seminary professors, pastors, state evangelism leaders, field test churches and North American Mission Board staff. The goal was simple: product a culturally relevant approach for sharing Christ in a post-Christian culture.

We will begin with a training session for pastors, led by Marty Dupree of the State Baptist Convention's Evangelism Team. Then, we will follow up with regional training sessions for deacons and other lay leaders.

Our second objective, once witness training is provided, is to enable churches opportunities to share their witness through servanthood evangelism. Servanthood evangelism is literally giving a cup of cold water in Jesus' name.

Opportunities for servanthood evangelism are as limitless as the creative mind of God. Churches are using ministries as diverse as providing monthly oil changes and yard maintenance as open doors for sharing the gospel.

The Evangelism Committee is planning a training session for 2002 that will plant the seed for servanthood evangelism in our churches. Servanthood evangelism helps take the sting out of sharing one's faith. It truly makes soul-winning fun. And what should be more fun, and more fulfilling, than leading someone to Christ?

**Respectfully submitted,**
**Steve Reed**

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*
*Let not your heart be troubled,*
*nor let it be fearful.*

## LRBA Growth Endowment for Missions

Our endowment continues to grow slowly but in a positive direction. Established in 1979, the fund has grown as follows:

| | |
|---|---|
| 1998 | $6,277.58 |
| 1999 | 9,554.07 |
| 2000 | 10,369.26 |
| 2001 | 17,762.00 |

One-half of the income is being used for missions, and one-half is being plowed back into the fund for growth. This year, the fund provided $293.00 to the Truckers' Ministry of the Association.

Our Association with the North Carolina Baptist Foundation offers individuals the opportunity to include Associational missions in wills, trusts, etc., and at the same time, provide for our families while saving some on taxes. We are receiving funds as memorials, as part of wills and as support from churches. It has never been expected that our endowment will solve current needs, but it is set up on a long-range basis.

The endowment is growing every year by more people and more churches becoming involved. Even if no funds were added from members and churches, the fund would continue to grow because of its built-in growth factor, to the extent that its value could be

| About Year | Value | $ to Spend on Missions | $ to Reinvest |
|---|---|---|---|
| 2051 | $ 97,735.00 | $ 5,400.00 | $ 5,400.00 |
| 2101 | $545,849.00 | $38,000.00 | $38,000.00 |

That year, we will make an impact on missions, and the fund will grow faster and faster each year. From a humble beginning will come marvelous results.

**Respectfully submitted,**

## North Carolina Baptist Hospitals

### Hospital Focused on Partnerships in Healing

"We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Baptist Hospital's founding commission penned these words in 1921, and this partnership in healing has been our defining purpose. Our Christian heritage remains the foundation of Baptist Hospital and undergirds our daily commitment to provide compassionate, state-of-the-art medical care to those we serve. The Christian faith is truly the "soul of our institution."

### School of Pastoral Care

The mission of the School of Pastoral Care at Baptist Hospital is: To *provide ministries of growth, hope, and healing in the Spirit of Christ.* We are thankful that North Carolina Baptists are a significant partner in this mission, helping us to bring hope to thousands of people each year.

The Department of Chaplaincy and Pastoral Education provided ministry during the past year through more than 61,000 pastoral visits, and worship services every Sunday, Monday, Wednesday, and Friday. The department's Clinical Pastoral Education (CPE) program received a 10-year accreditation from the Association of Clinical Pastoral Education site review team. Fifty-eight students received training in one of the largest and finest CPE programs in America.

The Department of Pastoral Counseling, CareNet, Inc. continues to develop its ministries. Rev. Steve Scoggin became the director of the system's newest center, the East Carolina Counseling Centers, Inc., in Greenville, N.C. CareNet's counseling centers provided more than 25,500 hours of compassionate pastoral counseling in 17 locations across the state during the year. It is the largest pastoral counseling system in the nation. Thanks to N.C. Baptists, free or reduced rate counseling is made available to lower income people.

The Center for Congregational Health, Inc. continues to assist churches in becoming healthier communities of faith. The Center provides consultation to 25 congregations a month. Over 600 church leaders received training in educational events conducted by the Center during the past year. These include the Young Leaders Program for ministers under age 40, and Intentional Interim Ministry training. Thanks to N.C. Baptists, the Center receives essential support for its ministries. This support pays for initial consultation for all Baptist churches and provides subsidies for churches and ministers who need special financial assistance.

The Department of Church and Community Relations continues to serve as a liaison between the Hospital and churches of the Baptist State Convention. The department's director, Rev. Paul Mullen, provided ministry through 150 requests for assistance with obtaining medical care or concerns about medical bills. More than $65,000 was provided to N.C. Baptist ministers and their families by the 25% subsidy for their hospital bills. A variety of benevolent ministries was also coordinated, primarily the Baptist Benevolent Care Fund.

**Baptist Benevolent Care Fund**

North Carolina Baptists, through the Mother's Day Offering, opened their hearts to patients in financial need and gave $560,624 in 2000 for the compassionate mission of benevolent care at Baptist Hospital. All of these funds were used to pay the hospital bills of patients in financial need. The fund helps patients who "fall between the cracks," making too much for government assistance but not enough to pay for healthcare insurance. They are deeply thankful to N.C. Baptists for this gracious witness to God's love. As one recipient said, "God smiled on us through the Baptists of North Carolina." Her son is a 13-year-old cancer patient.

**Additional Highlights at North Carolina Baptist Hospital**

*Ranked Among the Nation's Best* – Baptist Hospital, part of the Wake Forest University Baptist Medical Center, ranks among the nation's top hospitals according to the July 2001 issue of *U.S. News and World Report.* One hundred eighty-eight of the nation's 6,299 hospitals appear on this list.

*Comprehensive Cancer Center Recognized for Excellence* – The Medical Center's Comprehensive Cancer Center received a 5-year renewal of its status from the National Cancer Institute. The Comprehensive Cancer Center is one of only 37 such centers in the nation, and is the only one in western North Carolina. It includes Prostate and Breast Cancer Centers of Excellence.

*Medical Center Earns Recognition for Trauma Care* – Baptist Hospital, a Level One Trauma Center, received verification in both adult and pediatric trauma services in February 2001 by the American College of Surgeons. It is the first Level One Trauma Center in North Carolina to receive such recognition.

*Downtown Health Plaza Opens* – The 47,000 square foot Downtown Health Plaza opened in 2001 to provide healthcare for underserved people in Forsyth and surrounding counties. Thousands of indigent children, adolescents, and adults have received compassionate and thorough medical care during the year.

*Expansion of Brenner Children's Hospital* – Construction of 400,000 square foot, 11-story addition to the hospital's Ardmore Tower is moving toward completion. Six of the floors will provide space for Brenner Children's facilities, such as private patient rooms, family resource centers, and programs for children with disabilities. The Tower will also include new cardiac catheterization labs and operating rooms.

*Information and Appointments* – For more information on health related issues or to make an appointment with a physician, contact HEALTH-ON-CALL at 1-800-446-2255 or 336-716-2255.

**A Closing Word from the President**

The values of our Christian faith are the guiding principles of the North Carolina Baptist Hospital mission. We are strongly committed to be a place of healing, bridging compassionate and respectful care in the Spirit of Christ with the best of medical science and technology. This commitment reflects our heritage and shapes our vision for the future. We are thankful to North Carolina Baptists for being our partner in this healing mission. We were created to serve and care for people in times of their greatest healthcare needs, and we are here for you.

**Respectfully submitted,**

# On Mission Celebration

Looking back to a time with which most of us are familiar, you probably remember an event that was celebrated in our association called a World Mission Conference. It was a time when the Little River Baptist Association churches came together to conduct a kind of missions fair. That was a long time ago by today's standard and the birth of rapid electronic data gathering and dissemination, and things have changed. The World Mission Conference of a few years ago has been refined and fine tuned to become what is now known as the On Mission Celebration.

Questions, questions: I hope you understand that the concept of an On Mission Celebration is not a new thing, but we believe it is a better thing in that there is a great deal of flexibility with which we can conduct missions awareness in our churches. For years, pastors and laymen alike have pondered and planned events trying to motivate a keener interest in our individual churches toward missions, some with better success than others. We have strived to motivate mission thinking only to be discouraged by the seeming lack of understanding of just what missions are and how we can better motivate sound missions thinking. Is helping your neighbor understand who Jesus Christ is a mission? Where do the boundaries of mission activity begin? At home, down the road in small town U.S.A., or just across the borders of North Carolina in say, Virginia, South Carolina or Tennessee: Are these missions? Are there really an missions opportunities locally or overseas in which we as a church or as individuals can become involved? Can we afford to bring into our congregation a missionary speaker to talk to us about mission opportunities? These questions can be answered with a bold **YES**. so hang onto your seats and buckle up for a journey, because these are the kinds of questions that will be answered in an On Mission Celebration.

Let's examine some of the most important questions that you may now have about an On Mission Celebration:

Question: What is an On Mission Celebration (hereafter we'll abbreviate this term to OMC)?
Answer: An OMC is a 4-day event that brings International, North American, state and local on-mission Christians together in the churches to highlight the continuing missions opportunities and needs of individual Baptist Churches with representation from Baptist perspectives.

Question: Why should my church conduct an OMC?
Answer: An OMC emphasizes the biblical basis for missions, leading churches to broaden their missions commitment and strengthen financial support of missionaries. We believe that these conferences will lead and inspire a deeper commitment to pray for missions and missionaries, as well as lead churches to reevaluate their methods of Churchwide missions awareness and mobilization.

Question: What is the purpose of an OMC?
Answer: An OMC is designed to mobilize participants to intentionally celebrate God's activity in the world, anticipate their role in God's mission, and participate by making a commitment to being on mission with God.

Question: How many churches are planning to participate in our OMC?
Answer: As of October 23, 2001, we have 25 churches that have agreed to participate. We have planned for 30 to 35 churches, and there is still time for your church to join this event. I must emphasize that the timing is near the critical at this point, and if you desire to join in this celebration, we need to know soon, and the sooner the better.

Question: How much does it cost a church to join in this initiative?
Answer: Money-wise, we ask that each church contribute the amount of money that they would normally spend toward securing a revival speaker, and that they act as host to

one of the participating speakers, providing lodging, food and transportation to the area churches in which their guest will participate in mutual supportive activities. Finally, we ask that each church appoint a person to act as the coordinator for their church's OMC activities. This position could be filled by the pastor or by someone who is so designated by the church.

| | |
|---|---|
| Question: | When is the On Mission Celebration scheduled to begin? |
| Answer: | Sunday, March 17 through Wednesday, March 20, 2002. |

We welcome each church and pray for a truly successful On Mission Celebration.

## Senior Adult Ministry

This year, the council gathered information to do a more workable database. This enabled us to again make al the churches aware of this associational resource.

We offered an associational trip to Glendale Springs, North Carolina to view the Frescoes. Fifteen people enjoyed this overnight outing.

Chalybeate Springs Baptist Church hosted our Senior Adult Day on May 17, 2001. We had 105 people who attended from 11 churches. Neill's Creek Baptist Church extended an invitation to host our Senior Adult Day next year on May 16, 2002.

We thank God for His continuous use of our groups to spread the love and joy of Christ across Harnett County.

# South Africa Partnership

### 1997-2001

### Final Report

In 1997, the Little River Baptist Association began its involvement in the North Carolina/South Africa Partnership for missions. November 1998 brought our first team of eight persons traveling to Laudium, S. Africa for building of a new church, to include people ministry and building construction. This was a lesson for all in culture and the vast spiritual needs. In 1999, LRBA participated in a Trans-Atlantic exchange program, hosting South African pastor Rev. Niki Coortze, who spoke at our annual meeting and area churches. Pastor Coortze helped convict many hearts for participation.

By February 2000, we were ready to send yet another team, this time of twenty persons, to South Africa. Our project was to go into an area, Northwest Territory, where very little mission work had been done, and to aid in their ministries. Once again, a group of men went to help in construction of a new church building as well as congregation. The second group encouraged and built up an existing congregation with Church Training and Children's Clubs. We were blessed by the third group of this team in a new endeavor, medical-eye ministry. Dr. and Mrs. Robert Barbe, seasoned eye missionaries, joined with our local optometrist, Dr. Ken Talley, to form an effective work. Many people were touched both physically and spiritually by God through the efforts of this total team.

November 2000 brought another group returning to the Northwest Territory for encouragement and training for two mother churches and their mission churches. Children's Clubs and much neighborhood evangelism dominated time for this team. One of the greatest blessings was to see the youth learning and utilizing witnessing skills.

A new year and Trans-Atlantic Exchange brought Rev. Anton Roos of South Africa, who helped in our calling and direction to the eastern coast of South Africa. In May of 2001, two teams went simultaneously with differing projects. Unlike the previous groups, these two teams parted after arrival, not to rejoin again until departure. The first team was for eye ministry, traveling throughout remote areas north of Durban. The second team focused on Church Training, Children's Clubs and Evangelism. Their work was in Port Shepstone, south of Durban, and in remote areas nearby.

God has allowed us to be involved in three aspects of his work through this partnership, those being: seed planting, cultivation and harvesting. Scripture distribution was a constant part of our mission with over 550 Bibles, 1,000 New Testaments, and 2,000 scripture portion tracts being distributed. The South African Partnership has been education, inspirational and eternally rewarding. We would like, first of all, to thank God. We thank the association for its commitment and support. We thank the fifteen churches that sent and supported team members with prayers and funds. We thank the participants. Praise God for the 400-500 souls saved during these partnership efforts. Praise, honor and glory to God!

**Respectfully submitted,**
**Alice Davis**

# Woman's Missionary Union

This has truly been a year of new births!

1. In early 2001 Alice Davis felt God leading her to help get a Christian Women's Job Corps site (CWJC) started in Harnett County. Much work has gone into this ministry, but this baby has not been fully delivered yet. Alice will give you the details.
2. In the spring of 2001 Dawn Rogers felt led to start working on Harnett Pregnancy Care Center. This ministry has already begun operating, and can be found at 1179 North Main Street in Lillington, next to John Boys restaurant. There is a sign by the road. They offer:
    - Information about pregnancy and abortion.
    - Maternity and baby clothing.
    - Food pantry.
    - Childbirth instruction.
    - Post abortion counseling.
    - Support groups.
    - Information and referrals for adoption services, social services, housing, and professional counseling.

    I believe this one is delivered, but is still an infant. Many of you have helped with this already. The center is open from 5:00 p.m. to 8:00 p.m. Monday and Thursday.
3. On Mission Celebration planning began last year (2000). Rev. Grady Edwards is chairman of the OMC committee. He will give the main report on OMC, but I want to say a few words about it.
    - I want to encourage you to sign on for this event if you have not already done so.
    - Think of special ways you can use your missionary to expose him or her to more of your people than just the evening services will do. Have him or her meet with your Sunday School class, Mission Friends, GA's, and Acteens, Lunch with your Seniors group, deacons, Church Council, Church Staff, etc. These are just some ideas. You can think of lots more.
    - As soon as you learn the name of the missionary your church will host, write and tell him or her what your plans are, so he or she can come prepared. This baby is due March 17, 2002.
4. English as a Second Language (ESL) - As a result of Glenda Reece's message about literacy at the WMU annual meeting at Memorial Baptist Church in April, Tom Waddill felt the Lord was leading him to begin teaching ESL. He broached the subject to the Angier Church, and the church voted to establish an ESL ministry. A workshop to train teachers was held at Angier in September with 24 people attending, 14 from Angier, and 10 from other churches. The initial assessment meeting was held on October 16. Twenty-two people signed up for classes. Actual classes are starting tonight, and we look for more people to sign up. We can almost hear this baby give its first cry!
5. The annual training workshop for WMU leaders was held on August 31 at the Buies Creek First Church, with 55 attending. This one was strong and healthy, and is maturing in the churches that sent representatives.
6. Coming events include:
    - Members are already collecting knit gloves (one size fits all) for the Women's prison. These need to be in the Associational office by November 9.
    - G.A. Activity Day will be held on November 3. Jordan is the study for November, and arrangements have been made to have a "real live missionary" from Jordan, Mrs. Nancy Hearn, for this meeting. The meeting will be at Neill's Creek church from 1:00 to 4:00 p.m.
    - Baptist Women's Day of Prayer for the Nations will be held on November 5 in various churches:
        - Antioch - 8:00 a.m. - Breakfast
        - Coats - 12:00 Noon - Luncheon

- Angier - 7:00 p.m. - No meal

  You are invited to attend any or all of these services, or your church can host a prayer service for our nation. Where a meal is involved, you will need to make reservations.

- The Pastors' Appreciation Banquet will be held on February 12, 2002. This is a time for the Associational WMU and the WMU's in the churches to honor the pastors in our association. Pastors, please put this date on your calendar and keep the date clear, so that you and your wife can attend this banquet.

In closing, I would like to thank all those who have served and are serving on the WMU Leadership Team. Without these committed ladies we would not be able to do our work. Thank you!

**Respectfully submitted,**

## World Missions Report

There is no greater passion for the Christian today, than the passion to reach every lost person on the face of the earth for Jesus Christ. Such a passion is the driving force for the International Mission Board. Through every possible means, they are leading us to complete "The Unfinished Task."

More than 6 billion people inhabit our world today. Nearly 1.7 billion people are lost, separated from God and with little or no access to the gospel. The following facts reveal that, under the leadership of our International Mission Board, we are desperately seeking to reach these people.

By the end of the year 2000, 4, 946 missionaries were under appointment, to serve people in 153 countries. In the year 2000, 879 new missionaries were appointed. In the year 2000, the Board sent overseas 30,805 volunteers. Of these, there were 3,627 college and seminary students, 3,099 youth, 1,348 health-care workers and 904 sports coaches and players.

In the year 2000, a record 451,301 baptisms were reported, and 6,525 churches were started. Total membership of overseas churches now exceeds 5.6 million, a 14.4 percent increase from 1999.

In the year 2000, $159 million went for overseas expenditures. Funding for all overseas expenditures comes from the gifts from the churches through the Cooperative Program and the Lottie Moon Christmas Offering.

God is also moving mightily through the North American Mission Board. It's been four years since the ministries of three former SBC agencies were combined to form this new agency. In partnership with state conventions, associations and local churches, the Board is commissioning more missionaries, putting more money on the mission field and starting challenging new ministries to reach North America for Christ. In 2000, the Annie Armstrong Easter Offering and the Cooperative Program were the largest in history. The following are some of the highlights of what those offerings, 5,081 missionaries, 3,000 chaplains and 150,000 mission volunteers accomplished.

More than 2,000 schools are using the FiSH Bible study strategy on high school campuses, each averaging more than four students a month making a profession of faith. More than 100,000 shared a 10-minute gospel presentation over one of the NAMB web sites, and hundreds accepted

Christ and were referred to local Southern Baptist Churches for follow-up and discipleship. 2, 614 chaplains led 21,000 people to faith in Christ.

SBC church starts and new affiliates were the second highest in history last year. Southern Baptists established 1,681 new congregations and added to 144 new SBC affiliated churches for a total of 1825 new SBC churches.

By the end of 2000, NAMB supported 5,081 missionaries, 16,500 World Changers led 1,544 people to professions of faith. Our Disaster Relief Program is the second largest disaster relief force in North America – last year responding to 75 different major disasters.

## *PREAMBLE*

### ARTICLE I - NAME

The name of this body will be the Little River Baptist Association.

### ARTICLE II - PURPOSE

The purpose of this Association will be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our Associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

### ARTICLE III - OBJECTIVES

To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
To discover needs which cannot be met effectively by any one church and to coordinate the use of Associational resources in meeting these needs.
To involve churches in cooperative experiences in evangelism, mission education, and benevolence.

### ARTICLE IV - AUTHORITY

This Association is a self-determining body under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

### ARTICLE V - MEMBERSHIP

**Section 1.** The Association will consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five (5) messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of the respective church.
**Section 2.** A quorum will consist of messengers from at least 50 percent of the member churches.
**Section 3.** Voting will be limited to duly elected messengers or their alternates as certified in the Annual Church Profile.
**Section 4. Policy for the Establishment of Missions**

5. The Missions Development Committee will encourage the sponsoring Baptist Church to nominate a Missions Committee of at least five (5) persons, if they do not already have one.
6. A survey of the target area will be made by the Missions Development Committee to determine accurately the needs and possibilities for that area.
7. The sponsoring agency will communicate with all adjacent churches and missions within a three-

mile radius of the target area with a written request for cooperation in starting the new mission work. The responses and any other pertinent information will be presented in the joint meeting mentioned below in Paragraph Eight of this policy.

8. The Missions Development Committee will call a joint meeting of the following:

If the joint missions are unable to reach a majority vote, it will be referred back to Missions Development Committee for further study.

If the vote is favorable by a majority vote of those present and voting, then the sponsoring agency will be requested to set a date for the organization of the mission into a cooperating Southern Baptist Church, and subsequent notice sent to all churches of the association inviting them to the organizational meeting.

## Haywood Hall
## 1924-1999

Haywood Hall, former banker with First Citizens Bank and humble and faithful servant of the Lord, touched the lives of many people in Harnett County. A man of integrity and character inspired by God, he worked tirelessly to improve life for all people by serving his church, community, county and state.

Realizing his love and desire to be involved in the lives of people, his family chose to make a donation in his memory to the Little River Growth Endowment Fund as a means by which these interests could live on. The fund will continue to grow, and the income will forever be used by the Little River Baptist Association for missions.

Mr. Hall served as a deacon and treasurer of Angier Baptist Church for many years, and was an active member of Sunday School and Baptist Men. He also served as a member of the Missions Committee of the Little River Baptist Association.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
# 2000 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2000, the Foundation provided assistance to individuals in establishing 30 endowment funds and 18 charitable remainder trusts totaling $1.9 million and received $3.6 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 164 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $4.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $10.1 million in contributions, it was the best year ever eclipsing the previous high of $9.3 million recorded in 1999.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2000, the Foundation held $97.4 million under management. This is an increase of more than $4.1 million over 1999.

The Foundation also experienced a record year in distributions in 2000. The previous high in distributions was 1999, with $5.3 million distributed to charity and individuals. In the year 2000, our distribution totaled 9.1 million dollars, with charity receiving $6.7 million and individuals, through trusts, receiving $2.4 million. During the 81-year history of The North Carolina Baptist Foundation, Inc., $18.5 million has been distributed to individuals and $32.4 million to Baptist churches, institutions and mission causes for a grand historical total of $47.1 million.

# A Brief History of Coats Baptist Church

The Coats Missionary Baptist Church was organized July 23, 1910. The three Baptist ministers present and assisting in the organizing of the church were Dr. J. A. Campbell, Dr. W. R. Cullom, and the Rev. F. D. King. The church was organized with forty-eight charter members. Twenty-seven of these came with letters from other Baptist churches. Twenty-one came by baptism.

Records prove that the organization of the church was a dream come true. Many of its charter members had been worshipping at a small church, Pine Forest, a few miles from town. As this was inconvenient, Dr. Campbell, as well as many consecrated citizens of the village, felt that Coats should have its own house of worship. After much prayer, planning, and effort, a Building Committee was appointed. The first building was started in April 1910. On July 14 of that same year the structure, though far from completed, was used for a glorious revival service.

In May 1950, definite steps were taken toward starting a new house of worship on the corner of McKinley and Stewart Streets. The new Building Committee had the whole membership backing it for everyone was of the opinion, “Let us rise up and build.” On June 25, 1953, the opening service was held in the completed church building with a record crowd in attendance.

On June 21, 1964, the church dedicated a Children’s Building, thus expanding its educational space. On August 15, 1993, at a special called meeting, the church voted to relocate. In December of 1998, construction began of phase one of the new facility. The first Sunday service was held on January 2, 2000, with a record attendance in Sunday School and Worship. A Dedication Service was held on February 6, 2000.

The history of Coats Baptist Church has been one of trust and triumph. May we continue to be found faithful as we embrace the calling of sharing the Gospel with all people.

## A Brief History of Baptist Grove Baptist Church

A number of brothers and sisters met March 24, 1875 for the purpose of organizing a church. Sheriff J. G. Brown donated the land. The Covenant, Obligations, and Articles of Faith were read by Elder Allen Betts and A.N. Campbell. These items were unanimously approved, and brothers and sisters handed in their letters and were organized into a Baptist church. The name of the church was to be called Baptist Grove Baptist Church. Brother Allen Betts acted as Moderator. Brother A.N. Campbell was called as the first pastor of Baptist Grove Church. The first clerk was Brother Eli Hilliard. Brothers D.D. Senter and J.A. Baughcom were elected Sunday School Superintendents.

D. D. Senter, J.A. Baughcom, Eli Hilliard, R.M. Lockamy and James Cotton were appointed to attend the first Associational meeting in Raleigh. The church sent $1.00 for the Association Fund. The enrollment of the church was 37, and enrollment for Sunday School was 41.

In 1875 Brother Allen Betts was called as Pastor. The church had a membership of 46 with membership in Sunday School of 55. Sunday School Superintendent was J.A. Baughcom, and church clerk was Eli Hilliard.

In 1893 delegates were appointed to the Associational meeting, and the following money was sent: Board of Minutes Funds, $2.00, Association Work, .24 cents, State Missions, .25 cents, and Baptist Orphanage, .29 cents.

New pews were built in 1910. We had the Associational meeting for the third time. Church membership was 68, and Sunday school membership was 73. J.C. Johnson was church clerk and Oscar Spence was Pastor.

Brother Leo Bridges asked for the church to grant him license to preach in 1934.

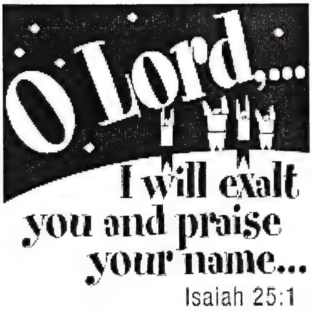
In February 1941, Mrs. Lura Hardee introduced the Women's Missionary Union – now simply referred to as WMU.

The most momentous occurrence in Baptist Grove's history was that of our former church structure being completely destroyed by fire in November 1966. Within five days of this catastrophe, reconstruction plans were implemented. On June 11, 1967, our newly structured church held its dedication service.

In compiling historical data, we are reminded of many commitments formed. In January 1984 Danny Jarmon was licensed by Baptist Grove to preach, and has pastored the Macedonia congregation since that time. Tommy Talton became another pastoral candidate sponsored by Baptist Grove to preach the Gospel of Christ in 1992. Robbie Poole, our full-time youth director, was ordained into the ministry in December 1992. In 2002, the church licensed our fellow member, Richard Streib, to preach. Today the church has been influential in God calling several of our brothers to the ministry.

Baptist Grove Baptist Church has been blessed by the ministry of our interim pastor, Rev. C. Paul Jones and his wife, Faye. We have the privilege of hosting the Little River Baptist Association this year, and it is also our privilege to introduce to the Association our new full-time Pastor, Rev. Mark Garner, and his wife, Tracy.

The Baptist Grove Church family welcomes the Little River Baptist Association to meet here and fellowship with us.



O Lord,...
I will exalt
you and praise
your name...

## ANNUITY BOARD

The Annuity Office of the Baptist State Convention of North Carolina continues to enjoy a close working relationship with the Annuity Board of the Southern Baptist Convention in providing services related to retirement planning, financial support of ministers and other church employees, life and health insurance, church/clergy tax issues, and ministry to retirees and seminary/divinity students.

Despite national and international market volatility, national grief, and a wartime political climate during this past year new opportunities and services were launched in an ongoing effort to fulfill the guiding principle of *Serving Those Who Serve the Lord.* To be specific, all the investment funds were successfully restructured to a registered mutual fund environment, call AB Funds Trust. As a result, new retail investment products, under the theme "New Investment Opportunities… *Absolutely!,*" were introduced. For the first time ministers, church employees, and annuitants may now open IRA and Personal Investment Accounts. With the passage of the Economic Growth and Tax Reconciliation Act (EGTRRA) retirement options have been enhanced dramatically including the ability to roll over other retirement funds from a secular employer.

Furthermore, new medical and disability insurance products were rolled out with the commitment to provide several options to meet increasingly different needs of our populace. Endorsed carriers, such as long-term care and property/casualty, continued to attract interest from our churches and church employees.

The Endowment and Relief Ministry was restructured to provide enhanced financial assistance to the needy, retired ministers and their widows. Funds available to assist these persons increased as well as the number of people who applied for this assistance.

The 2002 SBC Compensation Study with 35 state conventions participating has been conducted and the results are now accessible on the internet. For the first time church leaders are now able to do a customized study on the web. We are very excited about this useful tool as one valuable resource in assisting church leaders as they study to determine what is a fair and equitable compensations for those who serve the Lord in our churches.

As of June 30, 2002, 61% (2,314) of our NC churches ere actively participating in the retirement plan. A record number of 2,851 were receiving benefits and 388 being assisted through the Adopt An Annuitant ministry.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extension 174, visit our Web site at www.bscnc.org or call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

### Jason and Lacey Know Real Hope after Facing Hopeless Times

Jason and Lacey lived with their mother in Hilo, Hawaii. It sounds wonderful, but for the brother and sister it was far from paradise. Their mother's lifestyle constantly placed the two children in danger. Jason was given the blame by his mother for many of the things that had gone wrong in her life. "She didn't care about anything," Jason recalls now. "I was just there. She didn't care for me." Jason drew violent pictures. He had difficulty relating to people and was diagnosed with attention deficit disorder. Soon his secrets were exposed. He had suffered severe physical and emotional abuse by his mother. Drugs had been a pervasive part of his life. He had begun using drugs when he was six years old. Once Jason's grandparents discovered the truth about Jason's life, they sought immediate help for their grandson and found the help they desperately needed from Baptist Children's Homes. In August 1996, he began his new life at Broyhill Home in Clyde. Lacey still lived with her mother. The two moved to Arizona. Lacey spent her days in the cab of her mother's boyfriend's semi-truck. She was not attending school. After Jason left, Lacey became the focus of her mother's abuse. Again, the siblings' grandparents intervened. The couple began to think about bringing Lacey to live at Broyhill Home. In 1997, 14 months after Jason, she was safe. Lacey and Jason's grandparents credit Baptist Children's Homes for giving their grandchildren real hope. Lacey says she plans to be a lawyer. She likes fighting for the underdog. Jason has plans for a career in broadcast journalism. Since coming to Broyhill Home, both children have accepted Christ as their Savior. "Things began to turn around for me when I became a Christian. I began to read my Bible," Jason says. "I learned a lot of the answers to my questions. I felt like I could be more open." "Jason might be in an institution, in prison or dead. We try not to even think of what Lacey's life would be like today," the grandparents say. "They've been saved!" Jason and Lacey are two of the 1,855 children cared for by BCH last year.

### Baptist Children's Homes Grieves with Nation after September 11th attack – BCH President Calls for Acts of Kindness

In the wake of the tragic events of September 11, BCH president Dr. Michael C. Blackwell stepped to the forefront to calm and encourage children and families. As the nation reeled from the attack, Blackwell immediately offered words of comfort to families through news media from Louisiana, Arizona, Alabama and across North Carolina. He urged Americans to "show kindness" to one another and exhibit "acts of goodness" toward their communities in response to the violence exhibited against our country. BCH children and staff united to provide needed items for those serving at Ground Zero and gave blood for the victims. Despite the physical and emotional effects of September 11, BCH's mission has remained unwavering. "America's spirit has not been lost, and our spirit of helping and healing is stronger than ever," said Blackwell.

### BCH Faces Financial Shortfalls Due to 9/11, North Carolina Baptists Rise to Meet Financial Challenges

As charities across America began to feel the financial effects of 9/11, Baptist Children's Homes also faced shortfalls. Experiencing nearly a 60 percent drop in annual fund giving, President Michael C. Blackwell made an urgent plea to friends and supporters. After an intense effort including personal letters and phone calls, North Carolina Baptists responded, rallying to close the gap by year-end. "I knew North Carolina Baptists would not forget their children," said Blackwell. North Carolina Baptist also stepped forward by meeting the 2001 Thanksgiving Offering Goal. Today, the effects of 9/11 are still being felt. "It is important for North Carolina Baptists to not grow weary in their efforts to help our boys and girls," said Blackwell. "Our churches are our lifeline. It is because of them we are able to touch the lives of so many."

### New BCH Strategic Plan Unveiled

*Quest: A Journey of Excellence* is the title of the new strategic plan that will guide Baptist Children's Homes through 2004. The major goals of the new plan include recruiting and retaining competent qualified staff; training staff; and maintaining and enhancing BCH facilities.

### BCH Trustees Approve Allocation for Information Technology

Trustees made way for sweeping technological improvements throughout BCH. A new Information Technology Center was created and work began to connect all ministry sites digitally. "Every step we take is designed to enable us to better serve children and families... today and in the future," said Dr. Michael C. Blackwell.

### Gastonia Couple Honored at Nolen Building Dedication

William "Red" and Mabel Nolen were recognized for their contribution at the dedication of the newly renovated and renamed Nolen Administration building at Mills Home on January 22, 2002. A gift form the Gastonia couple, who have long-time ties to BCH, made the necessary renovations possible.

### BCH's Developmental Disabilities Ministry Dedicates Two New Group Homes

More than 200 Baptist leaders, Baptist Children's Homes administrators, staff, and guests were in attendance for the historic dedication of BCH's first, new group homes for developmentally disabled adults on March 26, 2002. The two homes, Davis House and Hinkle House, joined Baptist House at Bethabara located in Winston-Salem. Plans to break ground on the next DDM group home to be located in Sanford are scheduled for 2002. Baptist State Convention President Dr. Jerry Pereira, who spoke at the dedication, predicted "the Lord is going to do great and mighty things" through this ministry.

### *A Place for Miracles* Published

In March 2002, BCH president Michael C. Blackwell introduced his second book. More than three years in the making, *A Place for Miracles* is a mixture of history, autobiography, inspiration, and vision. The book received the 2002 Baptist Communicators Association Design Award for Best Book Design.

### *New Millennium Families: A Study Guide* Introduced to North Carolina Baptists

In September 2001, the study guide to BCH president Michael C. Blackwell's book *New Millennium Families* was introduced at the first of two statewide Deacon-Spouse Training Events in Bryson City. A total of more than 200 deacons and their spouses attended the two conferences. Blackwell and study guide creator Gaylin Huff led group sessions regarding the changing make-up of families as discussed in the book and its effects on the church in North Carolina. *A Study Guide,* to be used with *New Millennium Families,* helps teachers prepare for and guide groups of adults using four different formats: 7 Week Study, Youth Parent Study, Single Parent Study, and Family Ministry Study.

### Baptists Called to Join "Chain of Prayer" for North Carolina's Children and Families

BCH president Michael C. Blackwell has asked for all North Carolina Baptists to participate in the "Chain of Prayer." Begun in February 2002 at the annual Baptist Men's conference in Charlotte, this physical chain is made up of thin strips of paper containing the handwritten prayers of NC Baptist men, women and children. Throughout the year, these strips are being gathered by BCH representatives and formed together into a chain that will be displayed at this year's Baptist State Convention in November. With children and families facing many different sources of crisis in today's world, Dr. Blackwell believes this statewide unification of prayers for children and families in our state will yield great results.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement – "helping hurting children… healing broken families" – through 14 locations throughout the state. **Thank you, North Carolina Baptists, for your continued prayers and support.**

Michael C. Blackwell, President
Sybil Stewart, Chairman, Board of Trustees

## BAPTIST MEN

In the last few weeks there have been many statistics come out concerning the youth in America. One dealt with Teenage Pregnancy. After working with teenage girls for many years, information was released dealing with the underlying reasons why girls get pregnant. The number one reason was they had no relationship with their father. The average father spends approximately 4 minutes a day talking with their children.

In a completely different survey that was just released two weeks ago, 91 % of born-again teenagers in American churches said they believed Jesus was not sinless, the Bible was not the whole truth, and that Truth is what the individual set it to be. Again, these were proclaimed Christian teenagers attending church each week. After all these answers were studied it was identified that the main underlying reason they believed the way they did was that they had little or no relationship with the men in the church.

It makes me stop and wonder, "where are the men in America today and what are they doing - even in our own churches?" These are two very different and serious problems with the youth today but they both have the same problem. No Godly Men to show them the truth and the correct way to live their lives.

This is why it is so important for every church to get men involved in Missions and working with their youth - especially the boys. Like I said last year, I believe every church should have a Royal Ambassador program led by men of the church. I think it is the duty of all Christian men to first take responsibility to train their young ones by Biblical standards. You can't do that any better than through an RA. program.
I will be glad to come to any church to help you get started on establishing a program.

If you do not feel equipped there are ways to get help with what you want to do. There will be Men's Rally in Raleigh on Nov. 7and one in Fayetteville on Nov. 4. If you need any more details about it, see me after the meeting tonight.

Besides working with the boys, the main responsibility of Baptist Men is to actively participate in Mission projects. There are quite a few Mission projects in our Association that I hope many churches will be involved in this year.

We have already had one meeting last week trying to map out a strategy for this coming year to get churches involved in their communities through Mission work. I will be calling on some of the churches in the nest few weeks for a meeting to get some special projects going in their specific location.

Briefly, I will share a few projects that need the churches participation this year.

- Last year there was a team that went to Honduras. Now there is a need for two more teams to go. One will be working on building a cinder block building is scheduled for Mid May at this time. Later on, Carpenters are needed to build furniture for the building. This is scheduled for August.
- The first two years of the Alaskan partnership there were over 2,000 people from N.C. that went there. In May another team from this association will be going to help train people there in church related activities. This team is already full but

volunteer groups are still being invited to come.
- Groups the past two years have been to South Africa. There is still interest in going back to Port Shepstone if your church is interested. Anton Roos will be here in the Association Nov. 11 at the Little River Office at 6:30 to tell what's going on there now.

In local Mission projects, the following is being planned for this coming year.

- Several men from the Coats community are going to Central Prison in Raleigh Dec 7. If your church has any interest in Prison Ministry please let me know.
- Truck Stop Ministry in Dunn needs volunteers.
- The Campers on Missions were at the Erwin Denim Days Celebration at the beginning of October. They have an excellent ministry telling about Jesus to people. We have discussed having them back for Coats Farmers Day, William C. Lee Celebration, Mule Days, etc.
- Habitat for Humanity house is being in Buies Creek. The house is being built in honor of Lenora Tuck.
- Mission Farm in Buies Creek can always use help.

The list can go on and on because there are so many needs of people.

In closing I would like to say again that I will be calling on some churches to assist in specific Mission projects this coming year. We are planning on having meetings with their leaders in the next two months. If you would like me to come speak to' the Men at your church or help in any way just let me know.

# BELARUSSIAN CHILDREN'S MISSION PROGRAM

Take a step out of your Americanized world for just a moment. Leave behind your designer clothes and accessories, your free vote and your Bill of Rights. Leave all that and enter into a place of communism and despair. Welcome to Belarus, a seemingly insignificant country with seemingly insignificant people; even their government thinks so. This is a world unlike our own, yet it is only a few thousand miles across the Atlantic. It was only eight years ago that the Little River Baptist Association and its member churches were introduced to this little country that was formerly a part of the USSR. "White Russia", as Belarus is nicknamed, reminds us time and time again of the selfishness of many Americans and how so much of what we have is taken for granted.

Upon hearing the story of the war-torn, poverty stricken country of Belarus, many in our Association felt tremendous pain for people that they didn't even know. They learned that during World War II, Hitler marched his army through Belarus and, during a two-week bloodbath, killed 1 in every 3 people. This sent the already poor economy spinning into a downward plunge. In 1986, problems became worse when a nuclear reactor malfunctioned in Chernobyl. For weeks the government denied that anything had gone wrong. Meanwhile, deadly radiation infected the air, land, water, and homes of the people. Belarus received 70 % of the fallout caused by this disaster. The amount of contamination dropped on Belarus was comparable to 200 times that emitted by the bombs that exploded over Hiroshima and Nagasaki, Japan in 1945. The once healthy people became hopelessly sick. Medical procedures were not up to par, meaning the people couldn't get the help they needed, and so many died. Even today children are being born prematurely and with abnormalities as a result of the disaster and adults still suffer from radiation related illnesses. The occurrence of thyroid cancer in children has increased 1OO-fold in Belarus, and cases ofleukemia have doubled. Much of the water and farmland is not usable, although agriculture employs 20 % of the labor force.

Through the children that our Association have hosted, we have learned of the horrible circumstances they are forced to endure. Our discussions have revealed that in Belarus there is no use voting because, due to their communistic government, there is only one name on the ballot. Several in our Association have been to Belarus to see firsthand what life is like. They have witnessed what so many Americans don't bother to notice, or choose to ignore. While there, they worked in orphanages where it was so cold that children wore layers of clothing inside and facilities that were so overcrowded four to eight children bunked in one small room. They were shocked to learn that at the age of 16, children are given no further government support and are left on the streets to die, unless they can steal or prostitute themselves. Houses in the country had no plumbing and in the city people lived in hostels consisting of only two small rooms; each floor sharing a community kitchen. They visited a children's hospital where the best medicines they had were equivalent to American over-the-counter drugs. Where Americans have mansions and Mercedes Benzes, the most prosperous Belarussians have flats, which have three rooms and a kitchen, and while Americans get their monthly paychecks of thousands of dollars, the people of Belarus are paid mostly the same-$50 a month. It was while there, in that desolate country filled with people of sad disposition, we realized that we are so blessed.

Every person in this room is much luckier than the children of Belarus, children who are content with a Christmas gift of a Chocolate egg, a book, and some shampoo. We, who are disappointed when all we get for our birthday or Christmas is a greeting card, it is us who are blinded by greed and snobbery. It's funny that this country was founded by individuals who came here seeking a land where people would not be labeled and looked down upon and where a man's worth would be determined by his heart and dedication.

Now our most successful leaders are hypocrites and a person of value must have authority and, most importantly, money.

For years, it appeared that Americans may never grow sympathetic towards and helpful to destitute countries like Belarus. However, since September 11, 200l,we have seen a glimmer of hope. We were all so greatly affected by the tragedy of innocent victims being killed, we have humbled ourselves. In a way, this tragedy was a reminder to us that we are not an island, isolated from the rest of the world. We now realize that death and destruction can plague our country. Perhaps a showing of affection toward the other 192 countries in this world will, not only gain us more respect, but also, result in the common good for all the world. We have the power to save desperate places like Belarus, but only by a change in our self-centered ways.

Welcome home, to America. Are you humbled, saddened, indifferent? Though Belarus may never see a democratic election, or know anything other than a $50 paycheck, its children have seen love and hope through the Americans who have been awakened from their greed. The summer of 2002 Belarussian Children's Mission Program touched the lives of 19 children and 2 interpreters. . Fifteen host families and 13 churches served as caretakers for our guests. We are eternally grateful to all participants. It takes very special people to open their homes and hearts to these precious children. All went "beyond the call of duty" to assure that the needs of their special guest were met. We are sure that each child returned home with a better understanding of our faith, a greater appreciation of our culture, and hearts "filled with love."

As you are aware, the Belarussian Children's Mission Program is self-supporting. That is, the committee must raise the funds needed to finance the program. The following is an accounting of our funds:

| | |
|---:|---:|
| Brought Forward: | $ 2634.92 |
| Collected from Association Churches: | 17,374.07 |
| Collected from other sources: | 3,108.69 |
| **Total Available Funds:** | **$23, 117.68** |
| Paid to ABRO: | $18,480.00 |
| Buses, Postage, Envelopes, Bulletins, etc.: | 3,929.34 |
| **Total Expenses:** | **$22,409.34** |

**Belarussian Children's Mission Program Fund Balance as of 10/14/02 is $ 706.34.**

**The cost per child/interpreter was $1067.00.**

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. Over 18,000 have been distributed state-wide.
- The Executive Director of the Christian Action League has written numerous editorials that have appeared in major newspapers across the state; two have appeared in the Raleigh *News and Observer* and one in the *Charlotte Observer.* Reverend Creech is published regularly in *The Charlotte World, The Raleigh World* and the Triad World newspapers.
- CAL publishes once a week an Issues Alert that keeps over 1,000 people updated on the most significant events in the cultural war. Many times the Issues Alert advocates some action that Christians can take to make an impact for Christ on our legislators and U. S. Congressmen.
- Reverend Creech has taken a bold stand in favor of U.S. Rep. Walter B. Jones' bill "House of Worship Political Speech Protection Act - HR 2357" which would permit churches and other houses of worship to engage in political campaigns. Rep. Jones said: "If this nation is going to remain free and strong, I think churches have an obligation to talk about issues." This bill would restore the free speech rights of pastors and ministers to speak openly about moral and religious issues during political campaigns without fear of IRS reprisal. Rev. Creech appeared on NBC 17 to debate the North Carolina head of Americans United for the Separation of Church and State on this issue.
- The Christian Action League actively promoted the "Shield a Badge with Prayer" program started by Reverend Michael Taylor, President of the North Carolina Sheriffs' Chaplains Association. The program pairs law enforcement officers with Christian people who commit to pray for them. Rev. Creech's promotion of the program on radio and in editorials resulted in Agape Press (a national Christian news agency) picking up the story and elevating it to national prominence.
- For the second consecutive year, Reverend Mark Creech has been asked to participate in the Christian World View Institute for Students. The Institute combines a balanced mix of courses that include training in the Christian World View and the opposing world views, apologetics, logic, intelligent design, government, journalism, America's Christian heritage and leadership.

B. Gambling

- Reverend Mark H. Creech has been an active member of Citizens United Against the Lottery which includes such distinguished members as William Friday (former Chancellor of the University of North Carolina system); Billy Graham (Evangelist); former Governor Robert Scott; former U. S. Senator Lauch Faircloth and Chuck Neely (2000 Gubernatorial candidate).
- The Christian Action League of North Carolina focused most of its energy this year in keeping a state-operated lottery out of North Carolina. Our efforts have been effective. Chuck Neely, President of Citizens United Against the Lottery, recently said: "Mark Creech and the Christian Action League have played a pivotal role in holding off the gambling forces. Mark, who speaks with the powerful, impassioned voice of truth, has helped to organize hundreds and hundreds of the faithful to call their legislators and let them know of their opposition to the lottery. Without the leadership of CAL, it is doubtful that we could have prevailed so long. The battle goes on, but Mark and CAL are always to be found where the fight is thickest. On behalf of Citizens United Against the Lottery,

I am proud to acknowledge the leadership and effective effort of Mark Creech and the Christian Action League.

- In order to equip pastors and lay persons with information about the harmful effects of a lottery, the Christian Action League held workshops called "A Christian Looks at Gambling" in strategic areas across our state. CAL also furnished hundreds of packets of lottery materials (Gambling: A Bad Bet for North Carolina) to pastors.
- The League has lobbied for the passage of the Video Poker Ban bill (SB 1008). The bill currently remains in the House Rules Committee. The Department of Revenue says there are 10,094 video poker machines in the state.

C. Sex Education

- In March 2002, the Wake County school board voted to teach comprehensive sex education. Reverend Mark Creech and CAL fought vigorously to keep comprehensive sex ed out of Wake County schools. Creech said in an editorial that appeared in the Raleigh *News and Observer* "protected promiscuity has no part in God's plan. Only sex in the context for which it was intended-lifelong, monogamous marriage-is safe."

D. Education

- Reverend Mark Creech appeared on NBC 17 to debate a professor of history from the University of North Carolina about the University's requirement that freshmen and transfer students read "Approaching the Qu'ran: The Early Revelations." Anchorman Monty Knight said the television station's ratings on that particular program were higher than even the national networks. They had never received such high ratings for a news broadcast before. Rev. Creech also wrote an editorial entitled "UNC's Doctrine" that appeared in newspapers across the state. Joe Glover, President of the Family Policy Network (the Virginia-based organization that brought the lawsuit against UNC-Chapel Hill), said he believed Rev. Creech's editorial had a significant impact on the decision by legislators in the North Carolina House to vote to defund the summer reading program at UNC-Chapel Hill.

E. Alcohol

- During the last session of the General Assembly, SB 166 (2001 Studies Act) established the Legislative Alcohol Beverage Control Study Commission. The Commission was established to consider the significant impact of the privatization of the State's present system of alcohol beverage control. If privatization was approved, it will exacerbate alcohol-related problems in our beloved State. The Christian Action League of North Carolina is the major enemy of the proliferation of alcohol and we are on the front line in the General Assembly trying to defeat this legislation.
- CAL has assisted 13 townships and counties in preparing and executing strategy to defeat alcohol referendums since January 2002. We provided free materials and counsel that were critical in minimizing the proliferation of alcohol in North Carolina.

F. Homosexuality

- Rev. Creech wrote an editorial that appeared in the nationwide Agape Press entitled "Thanks Be to God that Anne Graham Lotz Stood Up for Truth." During a recent address to about 500 women. Lotz called homosexuality one of several sins from which man needs to repent. She was ridiculed for this remark and Rev. Creech vigorously defended her position.

"Shaping Lives for... a Life" is the mission of North Carolina Baptist colleges and universities.

Students come to the campuses of Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate expecting to receive an education. What they may not expect is an experience that will shape the rest of their lives.

Like the artist who carefully and methodically sculpts wet clay, giving it form and function, the faculty and staff of North Carolina Baptist colleges and universities shape the lives of students through their dedicated teaching and mentoring.

The graduates of these campuses emerge as people who become our future ministers, doctors, lawyers, artists, teachers, businesspeople, and church and community leaders.

It has been shown that graduates of church related institutions invest themselves in their churches and communities in greater numbers than graduates of public institutions of higher education. As a result of the support of North Carolina Baptists, the future looks bright for our churches and communities.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of North Carolina last year made it possible for six hundred twelve (612) members from four hundred forty-five (445) convention related churches to receive special scholarship assistance to attend our five affiliated institutions of Christian higher education. Seventy-four (74) out of eighty (80) associations were represented in this group.

Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous North Carolina Baptists. One of those recipients lost his father unexpectedly during his freshman year in college. Scholarship assistance from North Carolina Baptists made it possible for him to continue with his studies. He graduated this year.

Another scholarship recipient is the mother of six children. In spite of the pressures to be a good mother, she pursued her studies while holding down a full-time job. She, too, graduated this year with a perfect 4.0 grade point average. She is employed by a North Carolina Baptist institution.

These are a few of those who are benefiting from your generous support of our Baptist State Convention. In the coming years, we will benefit from their contributions to our life as North Carolina Baptists.

# EVANGELISM COMMITTEE REPORT

The latest statistics *on* Southern Baptist outreach don't paint a pretty picture. 54% of Southern Baptist churches have no intentional evangelism effort. 92% of all Southern Baptists will die without ever *once* sharing their faith with another person. Where does the Little River Baptist Association fit into this picture?

An intentional evangelism strategy is composed of three ingredients: (1) a visitation and outreach program; (2) an evangelism-training program; and, (3) an intentional/proactive approach for evangelism. Based *on* these criteria, many of our churches have lacked a strategy. . . until now!

Let me introduce you to The NET. It's a simple, easy to customize strategy for reaching new people. It's designed to help churches train their people to do evangelism in *our* changing culture. Here's Dr. Bob Reccord, president, of the North American Mission Board. (Present video)

As you plan an intentional evangelism strategy for your church, consider The NET as your church's centerpiece. The NET will work for Little River Baptist association churches and will fit any ministry style. A team of pastors, state evangelism leaders, seminary professors, field test churches and North American Mission Board staff developed it.

On January 14, *2002,* the Evangelism Committee invited Rev. Marty Dupree, from the Baptist State Convention, to lead a pastor's workshop at Chalybeate Springs Baptist Church *on* The NET. At that time, we challenged *our* churches to consider implementing it.

The NET has taught members of my congregation at Erwin First Baptist Church how to share their testimonies in a way that communicates effectively. No certification was required, it was easy to learn, and natural. They've learned to clearly articulate their story by combining their salvation experience with the essential truths of the gospel.

In May 9,2002, the Evangelism Committee hosted a workshop with Dr. Alvin Reid, from Southeastern Baptist Theological Seminary, *on* servant hood evangelism at North Clinton Avenue Baptist Church. Dr. Reid shared with us how to use acts of kindness as an open door for sharing the Good News.

Every church in *our* association can develop at least one servant hood evangelism strategy for reaching the lost in their community. All it requires is a burden, commitment and a little creativity. Through these training opportunities, participants were given both a timeless story to tell and countless opportunities for telling it. While Satan tries to silence the people of God through fear and intimidation, The Evangelism Committee believes winning people to Jesus Christ should be exciting and fun. Few experiences in life compare with seeing that first glow in a new believer's eyes.

We continue to praise the Lord for what He's doing through the association's truck stop ministry at Sadler's Travel Plaza in Dunn. Scriptures are being distributed, people are being saved, and lives are being changed. Pray for Chaplain Mark Bordeaux as God directs him in this vital evangelistic outreach.

Pray for your Evangelism Committee as we seek to fan the flames of a revival fire that will engulf our entire association for Jesus Christ.

# HISPANIC MINISTRY

## Hispanic Theological Education

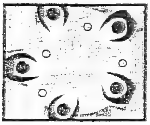
On October 12th of this year, 34 Hispanic pastors and church leaders attended the first class session of the new Hispanic Theological Education Certificate Program, co-sponsored by the Baptist State Convention of North Carolina and the Campbell University Divinity School. Students came from towns all over eastern and central North Carolina. They may complete the certificate program only, or also enroll in a bachelor's or graduate program, depending upon their degree status.

Little River Baptist Association has sponsored three scholarships for the Hispanic students. We look forward to trained leadership for growth of Hispanic work in God's kingdom within LRBA.

## Current Hispanic ministry within Little River Baptist Association:

Angier Baptist has an ESL class and Spanish preaching
Lillington Baptist has Spanish Sunday School, translation for morning worship and an ESL class. Lillington reports 16 Hispanic professions of faith this year.
Erwin Baptist is preparing for an ESL class
Trinity Baptist is teaching Conversational Spanish for anyone interested.

The Hispanic Council of Little River Baptist Association sponsored the Medical / Dental Bus August 31 at Angier Baptist Church. Both medical and spiritual ministries were arranged and carried out. Local professionals volunteered their time with us, as well as many volunteers in helping capacities from various LRBA churches. 44 patients were seen in all, with each receiving a New Testament, health kit, and counseling. 5 persons made a first-time profession of faith in Jesus Christ.



We extend praise to God, and thanks to all volunteers, for the renewed Hispanic work within our Association. We anticipate God's blessings on another year with his Hispanic people.

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*

## North American Mission Board, SBC

God is at work through and among Southern Baptists, and the North American Mission Board is a key part of the team reaching North America for Christ. Five years ago, Southern Baptists took the bold move to incorporate three strategic agencies into one, increasing effectiveness of mission resources. In partnership with state conventions, associations and local churches, we are commissioning more missionaries, putting more money on the mission field, and starting challenging, new ministries to reach North America for Christ. In 2001, gifts to the Annie Armstrong Easter Offering and the Cooperative Program helped NAMB impact efforts in church planting, evangelism, strategic cities, disaster relief, Canada, and much more. Following are a few highlights of what those offerings, 5,154 missionaries, 2,500 chaplains and 250,000 mission volunteers accomplished.

### Reaching People for Christ

- More than 2,500 schools are using the FiSH Bible study strategy on high school campuses, each averaging more than two students per month making a profession of faith.
- More than 1.2 million visitor sessions were recorded on the North American Mission Board Web site. Visitors spend an average of 10 minutes each with one of NAMB's Internet Web sites. Hundreds of people made professions of faith through these sites and are referred to local Southern Baptist churches for follow-up.
- 2,561 SBC-endorsed chaplains led 16,000 people to faith in Christ.
- As a result of church and community ministries, there were 28,384 professions of faith.
- The Evangelism Response Center is making it possible for specially trained Southern Baptist volunteers to accept calls in their homes from people responding to evangelistic advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. There were 34,350 calls received and 873 people made salvation decisions during the calls, while 7,680 referrals were made to SBC churches.

### Starting New Churches

- Southern Baptists established 1,299 new congregations, added to 466 new SBC affiliated churches for a total of 1,765 new SBC churches.
- The Nehemiah Project, which placed a NAMB missionary at every SBC seminary to serve as church planting professor, deployed more that 200 students as church planter interns.
- Canada leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020.

### Mobilizing Christians

- 100,000 adults participated in construction and ministry projects at more than 350 sites.
- 19,245 people participated in World Changers summer mission opportunities in 66 NAMB-sponsored projects. More that 13,600 presentations of the gospel were made, and 1,596 professions of faith were recorded.
- Southern Baptists have the second largest disaster relief force in North America, second only to the American Red Cross. More than 15,000 disaster relief volunteers

from 35 state conventions responded to 65 disasters, prepared 1.25 million meals, and repaired 1,000 homes. The in-kind contribution of labor by Southern Baptist Disaster Relief volunteers following the terrorist attacks on September 11 is $2.2 million. More than 25,000 Disaster Relief volunteers have been trained to assist in relief efforts.

**Reaching the Cities**

- Strategic Focus Cities mobilizes Southern Baptists to reach two major cities per year. Efforts targeted Las Vegas and Boston during 2001, with the following combined results: 5,800 decisions for Christ; 29 churches planted; 6,000 volunteers; 300,000 evangelistic literature distributed.

## NORTH CAROLINA BAPTIST FOUNDATION, INC.

The mission of the North Carolina Baptist Foundations since its inception in 1920 has been to assist the Convention and its institutions in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially under girding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowments funds and church fund management.

During 2001, the Foundation assisted individuals in establishing 33 endowment funds and 8 charitable remainder trusts totaling $4.8 million and received $9.4 million in contributions to existing endowments all of which will ultimately benefit countless Baptists causes on a permanent basis. Programs were provided for 162 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $2.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $16.5 million in contributions, it was the best year ever eclipsing the previous high of $10.1 million recorded in 2000.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2001, the Foundation held $106.8 million under management. This is an increase of more than $9.4 million over 2000.

During 2001, our distributions totaled $6.7 million, with charity receiving $4.4 million and individuals, through trusts, receiving $2.3 million. During the 82-year history of The North Carolina Baptist Foundation, Inc., $20.8 million has been distributed to individuals and $36.8 million to Baptist churches, institutions and mission causes for a grand historical total of $57.6 million.

## BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: PARTNERS IN MISSIONS

The Baptist Hospital mission began in 1921 when our North Carolina Baptist founders stated, "We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Gold crosses that adorn the exterior of the hospital symbolize our historic and daily commitment to bring medical excellence and Christian compassion to those we are privileged to serve. This report will highlight our partnership with North Carolina Baptists in continuing the mission of healing.

## SCHOOL OF PASTORAL CARE

Our mission at the School of Pastoral Care is **"to provide ministries of growth, hope, and healing in the Spirit of Christ."** This defines the spiritual essence of who we are and the meaning of what we do in caring for hurting people. We are very thankful to North Carolina Baptists for their gifts to the School through the Cooperative Missions Program. You are making a tremendous difference as our partner in life-changing ministries.

**CareNet, Inc., our Department of Pastoral Counseling,** is the largest faith-based counseling system in the nation. We continue to expand our services across North Carolina. The scope of this ministry is astounding: 27,000 hours of counseling per year at 21 locations. These include 4 regional centers (Winston-Salem, Greenville, Fayetteville, and Wilmington) and 17 strategically located satellites. The individual stories of emotional and spiritual healing, of broken families being restored, are even more telling.

**The Center for Congregational Health** celebrates its 10th Anniversary in 2002. Dr. David Odom has been the Center's visionary leader from its beginning. The initial mission continues to guide this ministry of helping churches become healthier communities of faith. The Center is providing consultation to approximately 25 churches per month, and training to over 600 church leaders per year. The financial support of NC Baptists allows Baptist churches to receive initial consultation at no cost, and provides subsidies for churches and ministers needing financial assistance. Please call the Center for more information (336-716-0459.)

**The Department of Chaplaincy and Pastoral Education** provided ministry through more than 61,000 pastoral contacts in the past year. Every day chaplains can be found comforting bereaved families, praying for seriously ill patients, reading Scriptures to those who are afraid, offering comfort and extending hope in the name of Jesus Christ. Fifty-three students received supervision and training in 2001.

**The Department of Church and Community Relations** continues to serve its mission as a liaison between the Hospital and North Carolina Baptist churches. We welcome you to call Rev. Paul Mullen if you need assistance (336-716-3027). Many pastors call on behalf of church members who need a referral to the Medical Center or have concerns about medical bills because of financial need. Speakers can be requested to provide an overview of the Hospital and its ministries to church groups.

## BAPTIST BENEVOLENT CARE FUND

It is a difficult burden to be physically sick and worried about how to pay for needed medical care. North Carolina Baptists extend the compassionate reach of missions to patients in financial need at Baptist Hospital through their gifts to the Mother's Day Offering. Those you have helped are deeply thankful for this gracious witness to the love of Jesus Christ, and they are drawn closer to Him. All of the funds are used for this purpose. **Thank you**, North Carolina Baptists, for giving $568,808 to this ministry in 2001!

## ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITALS

*Number 1 in Patient Satisfaction* – Baptist Hospital was ranked #1 in the nation in patient satisfaction, according to Press Ganey patient satisfaction scores for the spring quarter of 2002. Press Ganey, the health care industry's top satisfaction measurement firm, ranked Baptist Hospital first among its peers.

*New Brenner Children's Hospital Opens* – The 11-story addition to the Hospital opened in April 2002. Six of the floors provide private rooms for all pediatric patients, state-of-the-art technology, family resource centers, a prayer room, and an enclosed playground on the roof. The tower also includes additional operating rooms and a spacious surgical family waiting room.

*New Substance Abuse Treatment Center for Older Adults* – Wake Forest University Baptist Behavioral Health, a subsidiary of Baptist Hospital and WFU Health Sciences, has opened the first residential program in the region devoted exclusively to treating chemical dependency problems among adults 55 and older. The comprehensive treatment program focuses on treating the whole person, encompassing physical, emotional, social, and spiritual health.

*Ranked Among The Nation's Best* – The North Carolina Baptist Hospitals, Inc. ranks among "America's Best Hospitals" according to the July 2002 issue of *U.S. News and World Report.*

*WFUBMC: What's in a Name?* – The North Carolina Baptist Hospitals, Inc. is one of two component institutions of Wake Forest University Baptist Medical Center. The partnership also includes Wake Forest University Health Sciences (WFUHS), consisting of WFU Physicians, the School of Medicine, and other entities. Baptist Hospital and WFUHS are separate but interdependent institutions, each with its own Board of Trustees. The combined institutions, WFUBMC, are overseen by a joint Board of Trustees which facilitates the effective and collaborative pursuit of its mission: excellent patient care, medical education and research, and community service.

*Information And Appointments* – For more information on health related issues or to make an appointment with a physician, contact HEALTH-ON-CALL at 1(800)-446-2255 or 336-716-2255.

## CLOSING WORDS FROM THE PRESIDENT

We at Baptist Hospital are very thankful to be partners in the mission of healing with North Carolina Baptists. Our roots are in this partnership, beginning as a mission enterprise of the Baptist State Convention in 1921. This report also highlights the ongoing nature of the relationship with the School of Pastoral Care. We have a sacred privilege and responsibility to serve Jesus Christ by serving people in need at Baptist Hospital. We thank you for being our partner in these "ministries of growth, hope, and healing." We ask that you pray for our patients, their families, and our staff as we seek to serve our Lord each day at the Medical Center.

Respectfully submitted,

Len B. Preslar, Jr.
President, The North Carolina Baptist Hospitals, Inc.

## ON MISSION CELEBRATION 2002

May I begin by expressing my deepest appreciation to every church for their participation in our On Mission Celebration? Furthermore, I want to express my particular commendation to those individuals who came forward in the final preparation and struggles of last minute oversight perplexities caused by scheduling changes that invariably will arise when so many variables are attempted to be coordinated into some kind of smooth flowing plan. And to the OMC Committee and particularly to Michelle Coyle who put it all on paper, chart and graph, so that we would have some kind of road map to follow. Thank you.

Beginning with a Missions Fair on Saturday, March 16, 2002, the On Mission Celebration continued through Wednesday, March 20 with churches holding services each evening. Thirty churches participated in the missions celebration with thirty one missionaries/speakers coming to our area from the International Mission Board, the North American Mission Board, the NC Baptist State Convention and from our association.

There were triumphs and regrets; some things that we did right and some things that we could have done better, but nothing that was wrong or inappropriate. Please allow me to summarize these quickly.

- Arrangements: There are ways this area could have been improved.
- Recruitment of Program Personalities: Unknowingly, we relied on data that was not always current. The next time we should work closer with the personalities under consideration, to insure their availability.
- Budget Considerations: We exceeded our budget. We probably should have asked more from each church or asked for a Love Offering from each church to help with the honorariums, maybe both.
- Forums: There should have been more, at least one in every participating church to insure that the church understood every facet of the program. In addition to that, each event on the calendar from agreement to participate; receipt of monies; etc. (all planning details) should have been moved forward two (2) months.
- Documentation: I for one would have liked to have had each participating church make a video of the Sunday morning presentation. These would be submitted to the Association Office and shared with the other churches who would have liked to hear and see them.

Finally, let's do it again in about three years in order to continue to heighten our mission awareness. Thank you for allowing me to become a part of this OMC 2002.

# OVERHILLS COMMUNITY BAPTIST CHURCH
# REPORT TO
# THE 127TH ANNUAL MEETING OF THE LITTLE RIVER BAPTIST ASSOCIATION

Overhills Mission began January 1, 2002, as a Church Planter for Little River Association. God blessed more than we could have ever dreamed.

We were constituted as a Church on May 5, 2002, under a tent on our church property which was provided by Little River Association.

We have been blessed to have many events on our church property. They include Easter Sunrise Services, Vacation Bible School, all day gospel sing, several community cookouts and fun days plus our fall Revival.

We conducted backyard Bible Clubs assisted by Hilmon Grove Youth.

God has blessed us with a membership of 75 and a building fund sufficient to begin our building program after the first of the year.

We plan to be good stewards to God for His blessings and to the Little River Association for their making the property available. Also, to the Little River Association for their valuable leadership and to the Baptist State Convention for their training and financial support.

## PARTNERSHIP MISSIONS

## 2002

### Honduras

Little River Baptist Association saw two teams going to Honduras during 2002. Both teams encountered challenges and blessings. The teams were commissioned together at Holly Springs Baptist Church on Sunday, July 21,2002. Guest speaker was Mark Abernathy of Baptist Men, BSCNC. We thank God for the blessings and give him the glory for all the work that was accomplished with both of these teams. Following are the teams and some details on each.

**Holly Springs Baptist Team:** Made up of 12 members of their church, this team went to Choluteca where they roofed an existing church building, and participated in witnessing and worship activities.

Dwight Smith
Kenneth Cummings
Robert Wright
Jimmy Lucas
Sheri Lucas
Sherwood Thomas
Frank Layton
Joey Shue

Rev. Jerry Parsons

**Little River Associational Team:** This team was comprised of 12 persons from 5 different churches. They went to Catacamas where they built pews for an existing church, led in two VBS's (morning and afternoon), participated in evening evangelistic services and distributed eyeglasses. The team was blessed to attend a baptismal service in "rushing river waters," and also help with the local feeding program for approximately 100 children. Upon return, funds given while there were complemented enough to feed the children twice per week for one year. LRBA has established and is continuing a relationship with Pastor Mazzoni in Catacamas.

## SENIOR ADULT MINISTRY

The 2002 year has been exciting and good for us. We have again tried to include the shut-ins by emphasizing to each group their need to reach these persons. Of course, the associational Senior Adult Ministry stands ready to help in any way we can.

We've received calls for information regarding Medicare, Medicaid, adult neglect and abuse, nursing home placements, home health services, etc. While we do not operate as a clearing house we were able to direct these requests to appropriate agencies.

First Baptist Church, Erwin, organized a Senior Adult group this year. Welcome! We hear good things from your members. If your church does not have this ministry, let me urge you to consider the feasibility with your church population.

Our Council met regularly and planned for the Annual Fellowship Day. This was May 16th at Neill's Creek church. We had 213 to pre-register and it was obvious the group at Neill's Creek had worked cooperatively to assure us an excellent day! Special thanks to Reecie Surles for coordinating the day. 189 seniors from 20 churches attended. Efforts are made to have our programs inspirational, informative, entertaining and varied.

The 2003 Senior Fellowship Day is scheduled for May 15, at the First Baptist Church, Erwin. Please calendar this.

# VACATION BIBLE SCHOOL - 2002

Planning for VBS 2002 began in the fall of 2001 by the Associational ACTeam. Pastors and VBS Directors were invited to an Early Planning Workshop at South Erwin Baptist Church on January 31, 2001. Eleven people from five churches took advantage of the opportunity to get a head start on planning for their Vacation Bible School. Associational VBS Director, Michelle Coyle, led the group in getting motivated and organized for the coming summer by discussing ideas on enlisting workers, responding to prospects, curriculum overviews, VBS, BBYC and MVBS goals for the association and informing participants of the dates of the Associational VBS Workshops.

Two Associational VBS Workshops were held this year in hopes of providing more convenient venues for training for the VBS leaders in our churches. Twenty churches took advantage of the training. The first VBS Workshop was held on Thursday, April 11, 2002 at Rawls Baptist Church with 66 in attendance. The second VBS Workshop was held on Thursday, April 18, 2002 at Westfield Baptist Church with 83 in attendance. The same clinicians conducted workshops on both dates in the following fields: Preschool (Betty Price, S. Erwin), Children (Kay Simpson, Westfield), Youth (Lee Coyle, Rawls), Adult (Mike Donohue, Rawls), Pastor/Evangelism (Steve Reed, Erwin First), Mission VBS/ Backyard Bible Club (Alice Davis, LRBA), Missions (April Will, S. Erwin), Crafts (Nancy Byham & Vera Gipson, Rawls), Music (Sandra Taylor, Fellowship), Recreation & Snacks (Michelle Coyle, Rawls), and VBS Directors (Jackie Elmore, Westfield.) The children and youth of Fellowship Baptist Church performed the VBS music for those in attendance at both workshops. LifeWay's theme for VBS 2002 was Amazon Outfitters, On Expedition with the One True God.

Some vital statistics:
With 26 churches reporting;

- eleven used LifeWay's curriculum.
- 3,352 adults and children were involved in VBS in our association
- 171 people were involved in 3 MVBS/BBYC conducted by 2 churches
- 6 churches provided link-ups with other churches
- 40 decisions for Christ
- $1,243.65 was given to the Cooperative Program
- $3,378.17 was given for other causes
- $610.95 was given to the Angier Food Pantry
- $375.00 was given to the Truck Stop Ministry to purchase Bibles
- $130.00 was given to purchase supplies to make up medical kits for the medical/dental van
- one church took up canned goods

Joyfully Submitted,
Michelle C. Coyle

## WOMAN'S MISSIONARY UNION

Beyond Belief - the WMU theme for 2002 has been lived out in many ways by the WMU groups in our association. First and foremost, we have been constantly reminded that our God is "Beyond Belief", and that He is truly working in our midst. So, we praise Him for Who He is and thank Him for allowing us to have a part in His mission program.

Some of the special events and mission projects that were sponsored by WMU have become traditional each year, and we always look forward to them. These include:

- Pastor's Appreciation Banquet that was held for our pastors in February, 2002.
- Baptist Women's Day of Prayer. There were three association-sponsored services.
- Leadership Training for all our church leaders.
- Promotion of special mission studies and offerings for State Missions, North American Missions, and International Missions.
- Christmas cards sent to all the prisoners at Harnett Correctional Unit. This year we included cards for the guards, as well. In addition, we provided stick pens for each man in the prison.
- Gifts to be given to the inmates at Women's Prison, in Raleigh. This year, we gave 1400 bottles of shampoo.
- Snacks given to the Divinity School students during exams, to let them know that they are loved by WMU.
- Lunches prepared for the Spring Fling at Campbell, when they have a special day for Special Education students.
- Health and personal items kits for migrant children, and for use at the Medical Dental Van.
- Medical kits given to each Belarussian child who comes to our Association.

Special note needs to be made about our prayer retreat held at Caraway at which we had 137 ladies attend. This is the largest event that we have each year and a time in which we are inspired and encouraged in our spiritual walk.

Our annual meeting was held at Coats Baptist Church, in May, 2002, at which time we were challenged to become more involved in missions all around us.

All age-level groups had special events during the year. Our youth had a Youth Mission Rally at Hillmon Grove; and in addition to having wonderful music and hearing missionaries, they gave $130 to mission causes. Our GA's had a sleepover in November 2002, during which they learned more about prayer, worship and mission projects. And our Mission Friends had a wonderful Fun Day in April 2002, with a special emphasis on missions, also.

It was a special joy to be able to participate in the On Mission Celebration held in our Association last year. Our director, Lucille Waddill, was much involved in the planning of that event. It proved to be a highlight of the year.

We had six women from our association to participate in MissionsFest weeks. These are week-long mission projects in various parts of our country sponsored by National WMU. Some of our women had never been on a mission trip before, but now they are "hooked". We know of at least 8 people who accepted Christ during the trips. Hopefully, we will have even more to go in 2003.

Three of our churches are continuing the ESL classes that were started primarily as a result of the WMU Emphasis on Literacy. And we also trained four more mentors for the Christian Women's Job Corps.
Our women have been involved locally, nationally, and even worldwide. There is much to be done if we are to win this world to Jesus Christ and the objective always of our WMU is to teach about, learn, pray for, give to, and participate in missions, with the hope that "All Will Hear."

Respectfully Submitted,

Dorothy Barham, WMU Director

## WORLD MISSIONS REPORT

### *Southern Baptists at Work at Home*

This past year Southern Baptists, through the North American Mission Board, in partnership with state conventions, associations and local churches, are impacting all of North America with the message of salvation through our Lord Jesus Christ. With 5,154 missionaries, 2,500 chaplains, and 250,000 volunteers, much has been accomplished.

We are reaching people for Christ through the FISH Bible studies more than 2,500 high school students were reached with the Gospel; through church and community ministries there were 28,384 professions of faith. Southern Baptists established 1,299 new congregations, and a goal has been set to establish 1,0000 healthy, reproducing churches by the year 2020.

Volunteer mission work was carried on by 100,000 in construction and ministry and 19,245 people participated in World Changers summer mission opportunities. Strategic Focus Cities mobilizes Southern Baptists to reach two major cities per year. During 2001 Las Vegas and Boston were targeted resulting in 5,800 decisions for Christ, 29 churches planted, 6,000 volunteers, and 300,000 pieces of evangelistic literature distributed.

### *Southern Baptists Around the World*

God blessed Southern Baptist churches as they sent a record 33,963 volunteers through the International Mission Board. This includes 174 people who served less than four months, 3,450 college and seminary students, 4,073 youth, 1,695 health-care workers and 914 sports coaches and players. 2001 also saw the highest group of career missionaries appointed for overseas mission work – 124.

A brand of church growth that was dynamic in Luke's day continues to flourish today, with more than 30 church-planting movements in different parts of the world. One such group is growing in China. In East Africa, a retired pastor from Tennessee was able to win an elder Maasai to the Lord, and today some 90,000 of Kenya's Maasai people follow the Lord.

Around the world, there are over 61,569 churches reporting 395,773 baptisms; The Lottie Moon offering in 2001 totaled $11,709,471.00.

In spite of war and tragedy, in spite of many countries closing their doors to the Gospel, in spite of the rise of other religions who do not acknowledge the God of the Universe, the Father of our Savior, Jesus Christ, the Word is being taken to the ends of the earth, and will continue to be done as long as God's people respond to His command, "Go into all the world and preach the Gospel, baptizing them to observe all things that I have taught you, and, lo, I am with you to the end of the world."

## A Brief History of Crossroads Church

In early 1988, God planted the idea for an outreach-minded church in the hearts of three families. In 1989 Antioch Baptist Church in Mamers agreed to sponsor the new church, called Crossroads.

A new approach to reaching un-churched people was used to let people know about the new church —telemarketing! Of the 5,000 persons spoken to, 1014 households wanted information mailed to them. The first service was Easter Sunday, April 15, 1990. 144 people attended, in the Cape Fear Christian Academy gym. Also in 1990, land was purchased on Highway 421 in Buies Creek.

Jimmy Hutto served as the first full-time minister from June-November 1990.

In October 1990, services were relocated to Ron's Barn in Coats. From August 1992-October 1997, Sunday Services took place at Buies Creek Elementary School.

Jeff Witcher began services as the second pastor in February 1993.

A building campaign started in 1993. The type of building the church had wanted from the first months was that of a Family Life Center, which is a gym that is used for worship, fellowship, dinners, and, yes, even basketball. We wanted to reach the un-churched community by offering them programs and activities beyond the routine programs and traditional ways of worship.

In August 1994, as the church was weeks away from beginning construction on its Highway 421 site, Harnett County officials informed them that a portion of the land was in the runway protection zone. The county purchased that portion to expand the runways of the Harnett County Airport and the other portion was sold.

In March 1996, Pastor Witcher resigned. The search for new land and pastor started again.

The Byrd's Food Store building in Lillington was purchased in August of 1996 and, in October 1997 the first service took place in the renovated building with new pastor Dr. Ken Dalton, who came to serve as pastor of Crossroads in August 1997.

Throughout the ever-changing life of Crossroads Church, two things have remained constant – God and the vision He gave us. The church faces each change with serious prayer and seeks God's will for His church. Crossroads' mission has been and continues to be "To reach un-churched people with the message of Christ and together become fully devoted followers of Christ."

## A Brief History of Kennebec Baptist Church

Eighty eight years ago Rev. Ben Campbell held a revival in a brush arbor in the sawmill village of Kennebec in southern Wake County. During this revival and until a building was built, the church met in the brush arbor and used a large stone as an altar. On October 24, 1915, the Rev. Campbell, with the assistance of Rev. James Holloman, organized a Missionary Baptist Church and named it Kennebec Baptist Church. (The name Kennebec comes from the Kennebec River in Canada, originally, sawmill owner Kemp Johnson and other residents bought ice from this river during the summer). On April 14, 1916 Mr. Johnson donated an acre of land to the church and the first church building was constructed beside the present graveyard on Highway 55. On September 24, 1916 the church approved a resolution to join the Little River Baptist Association.

The original church was remodeled three times. In 1950 a piece of the stone that had been used as an altar was placed as a cornerstone of the church. Another piece rests above the cornerstone of our current church.

In 1957 Kennebec took a step of faith and called the Rev. Virlin Griner as its first full-time pastor. Since that time the church has had many faithful pastors leading and guiding the church through the years. In 1969 the church purchased a parsonage and in 1985 it constructed the current parsonage.

One of the most momentous events in the history of our church occurred on April 22, 1973. On that Easter Sunday the members of the church walked from the old church on Highway 55 to come worship in the facility in which we now reside. In 2000 we began work on a fellowship hall and in April of 2001 we dedicated the new fellowship hall to the Lord.

Throughout its history Kennebec has supported missions and outreach. In 1936 our WMU was organized and our first VBS was held in 1937. Then in 1960 we began R.A.'s, G.A's and the Brotherhood. In 2001 the church began the FAITH evangelism program and as a result we have seen over 30 people come to know Christ as their Lord and Savior. In 2002 we began the AWANA program, now we have over 60 children actively involved in learning scriptures on Sunday nights, while our R.A. and G.A. programs have also grown.

Our future also looks bright. This year we have added a full time youth pastor and the church is currently pursuing plans to begin a second worship service. Additional education space and a family life center are now being discussed. We are continuing to share Jesus with our friends and neighbors and are excited about what God will do through us in the future.

# Minutes of the 128th Annual Meeting of the Little River Baptist Association

## First Session

The first session of the 128th annual meeting of The Little River Baptist Association convened October 27,2003 at 7:00 P.M. at Crossroads Baptist Church in Lillington, N.C. The meeting opened with singing a hymn of praise.

Moderator Martin Groover called the meeting to order.

The program agenda was adopted on motion by Kay Simpson.

Ken Dalton, host pastor welcomed the messengers and guests to Crossroads, and then led in prayer. Daniel Deaton, LRBA director of missions, recognized and welcomed all new pastors in the association.

Alice Davis gave mission message "Joy of Empowerment". The purpose is to bring glory to God. Dan Deaton gave mission staff message with emphasis on starting new churches. Two new churches have been started, Overhills Community Baptist Church and Holland Community Baptist Mission.

Emery Hobbs, LRBA treasurer reviewed the treasurer's report found on pages 10-20 in the Book of Reports. He thanked each church for their support.
Richard Byrd presented the proposed budget for the year 2004, which will be voted on in the second session.

Clerk's report was given by Jane Tutor. Attendance in the first session is 127 members and 29 visitors for a total of 156.

Martin Groover asked for miscellaneous business.

Lee Shearin, Baptist men's director reported volunteers are needed in eastern N.C. for repairing damage by hurricane Isabel. He recommended churches in the association be involved in hurricane Isabel's Relief Fund, to pray for the victims, and to partner with other churches.

An offertory hymn of praise was sung by Crossroads praise singers.

Dan Deaton spoke on equipping today's church at LRBA. The association needs the best equipped, best trained people for today in order to penetrate the community, meeting the needs of the people and then minister like we learn.

Clay Burgess, pastor of Holland Community Baptist Mission reported 13 months ago with the help of Dan Deaton and Little River Baptist Association, Apex Baptist Church and State Baptist Convention Holland Community Baptist Mission was started with 44 members. They now have 90 members with 23 baptisms, over 50% were

unchurched. The mission is to nurture and grow in Christ. Most of the members don't know how to do church and don't know how to tithe. Roy McLamb, pastor of Overhills Baptist Church reported the church started as a
mission on January 1,2002. Five months later it was commissioned as a church. They are meeting on Sundays in South Harnett School and on Wednesdays at Flatwoods Fire Department. They have an average of 147 in attendance, with 14 baptisms this year. They are ninth in the association in giving to the association. He encouraged other churches to support LRBA financially.

Rick Hughes reported on Alaska. A group from LRBA went to Alaska. Training sessions were held. They had more in the youth ministry than they expected and they taught them how to have consistent youth ministry. They requested our prayers, as they are praying for us.

Dorothy Barham gave report on WMU. She related WMU is about study, teach, learn and involve everyone. It's about missions, realizing there's a world to reach. She reported WMU is involved in Missions Fest, women going in groups to the mission field. Girls in Action celebrated being ninety years old. 210 women attended a week-end retreat at Mundo Vista and 125 women attended the annual meeting. Their goal is that WMU will be active in every church in the association.

Alice Davis reported on community ministries. She related there were eight professions of faith through the Festival Ministry in Harnett County. Everyone can be involved. The medical-dental bus ministry needs volunteers. Eleven made professions of faith through this ministry.

Tony Cartledge reported the Biblical Recorder continues to be healthy with over 50,000 receiving it. The website is used extensively. The news is relevant; fair and balanced.

Shirley Shelbourne gave the nominating committee report. She made motion it be approved as printed. Motion was seconded by Max Eller and it carried unanimously.

Resolution of Appreciation for Joyce Pulliam for her dedicated leadership in ministering to our senior adults during the past seven years was presented and moved for adoption. The motion carried unanimously. Ms. Pulliam received a copy of the resolution.

The congregation sang a hymn of praise.

Mark Bordeaux gave report on Truck Stop Ministry. Location of ministry is Sadler's Truck Stop at 1-95 exit between Dunn and Benson. Three hundred trucks and two hundred cars per day stop at Sadlers. They now have a new chapel. Most of the drivers have no personal relationship with a pastor. They need spiritual nourishment, fellowship and love. Four thousand new testaments have been given away. Rev. Bordeaux would like to be invited to churches to share information about the ministry.

North Carolina Baptist Foundation report was given by Tom Denton. He reported Little River Baptist Association has invested more than any other association. The first nine months of the years has been very positive.

Daniel Young reported on Belarussian Children's Ministry. The association hosted twenty eight children and two interpreters. Of these, eleven were from orphanages and three from foster homes. They were provided with physical and spiritual health.

There was no miscellaneous business.

They taught for seven days. Honduras seminary has closed for lack of funds. There are more churches than trained pastors. Drew Woerner, Peggy Mooney, and Norfleet Gardner reported seventeen people from Coats Baptist Church went on a mission trip to China. They taught English classes. They developed relationships with individuals and shared the plan of salvation.

Daniel Deaton challenged churches to work together to reach all people in Little River Baptist Association. Churches are more together than apart. Association cannot start new churches. Churches start churches.

# REPORT for 2003 BOOK of REPORTS

## OFFICE of ANNUITY

The last three years have indeed been challenging for participants in the Annuity Board retirement plans. During a time that climaxed the worst three-year stock market cycle since 1941 many of our retirement participants have been challenged to look more carefully and monitor more closely their asset allocation with a determined focus on their long-term retirement goals. AB Funds Trust through the Annuity Board has continued to perform at or above respective bench marks in the equity and bond investment industries despite volatile market conditions.

In an effort to meet constituency needs the Capital Preservation Fund was offered as a 14th investment choice on April 1, 2003. The fund seeks to maximize current income while seeking to maintain a stable value per share. The crediting rate is reset quarterly, is net of all fees and will be announced at least two weeks prior to the quarter's end. The fund is suitable for investors who want to preserve capital and are seeking higher current income than a money market fund over most time periods.

The continuing national health crises characterized by increases in drug costs, provider expenses, consumer demand, and government regulation tops the list in fueling rising health care costs. General inflation and industry litigation fees have also added to the costs. The Annuity Board continues to seek ways to provide affordable health care products. New health initiatives/plans are under consideration and will be available on January 1, 2004.

As a result of these escalating costs for medical insurance, too many of our churches have decided they can not provide this coverage as a benefit for their ministers/church employees. Unfortunately, those who labor under the burden of a "pay package" have seen an enormous erosion of their disposable income. We continue to encourage churches to provide adequate benefits (insurance coverage, retirement, and social security offset) separate from salaries for their ministers and staff and to structure/administer compensation that takes full advantage of the tax laws. The 2002 SBC Compensation Study has proved to be a very valuable resource in assisting church leaders as they strive to provide fair and equitable compensation for those whom God has called to provide spiritual leadership to our Baptist churches across the state of North Carolina from Manteo to Murphy.

The relief ministry through the Annuity Board continues to provide assistance to those needy, retired ministers and to their widowed spouses. Presently, 386 North Carolinians are being helped by the Adopt An Annuitant and Relief Ministries.

As of June 30, 2003, 61% (2,326) of our NC churches were actively participating in the retirement plan, and a record number of 2,879 were receiving benefits. Of course, our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extensions 171 or 174, visit our Web site at www.bscnc.org, call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

# Baptist Children's Homes of North Carolina

*Baptists make a difference...* This summer Baptist Children's Homes had a very special guest on the Mills Home campus in Thomasville. Many Baptists will remember Patricia Sutherland. She has shared her story at multiple state conventions, and her life has been shared in ***Charity & Children*** on a couple of occasions. Patricia is a beautiful young woman and a rising senior at Toccoa Falls College in northern Georgia. Looking at Patricia today, you would not recognize her as the same little girl who came to Baptist Children's Homes 11 years ago.

As a young child she lived with abusive, alcoholic and drug-addicted parents who forced her to lie about their abuse. The little girl was threatened with a pistol held to her head and made to sleep on cold hardwood floors. Her abuse and neglect were compounded by a severe medical condition. Because her parents were unable to properly care for Patricia, she went months at a time without the daily medication she so desperately needed.

Then one day, Patricia found the security she had longed for at our Broyhill Home in Clyde. But even at Broyhill Home her life wasn't easy. Patricia has Turner's syndrome, a condition affecting her balance and coordination and stunting her growth. Because she was awkward and clumsy, other children made fun of her at school. But her physical problems only seemed to make her stronger.

While at Mills Home this summer, Patricia was asked to share her story with the girls on campus. She boldly assured them that God has a plan for their life. But then she challenged the girls by telling them it is their choice. They can put their past behind them and trust God and follow His lead, or they can wander through life lost.

Because of your help, children like Patricia are rescued from the jaws of hopelessness and despair, set on solid ground, supported by loving Christian men and women, and are given hope so they can realize their dreams – dreams that at one time in their lives, they could never imagine were possible.

*Baptists Respond to Needs Donating Towels, Bedding and Food.* If you ask North Carolina Baptists for help, expect them to provide in a big way. When the word went out to North Carolina's WMU that Baptist Children's Homes needed towels and washcloths, hundreds of women in churches across the state provided them. Towels and washcloths flooded in to all BCH locations. When Baptists learned that pillows and sheets were needed in BCH cottages, an avalanche of bedding poured in. And BCH's first statewide food roundup is bringing great enthusiasm and response.

*14,640 Baptists Pray for North Carolina Children.* More than one hundred BCH children and staff presented the Chain of Prayer at the 172nd Baptist State Convention in Winston-Salem. The chain consisted of 14,640 strips of brightly colored paper inscribed with the written prayers of North Carolina Baptist men, women, and children. Each prayer made up an individual link in the Chain of Prayer. The effort was a BCH initiative and was promoted in North Carolina Baptist churches. The Chain of Prayer united thousands of people and represented their belief in the power of God to meet the needs voiced in the prayers.

*BCH Hosts National Child Care Executive Meeting.* BCH president Michael C. Blackwell and Baptist Children's Homes of North Carolina hosted the fifty-fifth annual meeting of the Baptist Child Care Executives April 22-24 in Greensboro. Directors and other top management of Baptist child care agencies representing as many as 19 states attended the annual meeting. The conference serves as a time of fellowship and continuing education for participants. A highlight took place Wednesday evening with "pig-pickin' in Mayberry" at Mills Home in Thomasville. Children and staff recreated the sights and sounds of the popular sixties television program ***The Andy Griffith Show***.

***Historic Ice Storm Wreaks Havoc.*** Mills Home in Thomasville. BCH's oldest facility and flagship campus, suffered major damage due to one of the worse ice storms to ever hit the Piedmont. The cost due to the loss, cleanup and repairs reached tens of thousands of dollars. No injury or harm came to the children and staff. Duke Power called the ice storm the worst in its 100-year history. Parts of the campus remained without electricity for as long as five days. Baptists from across the state sent funds and relief groups to aid in the clean-up efforts reducing the storm's economic effects.

***North Carolina Baptist Church Donates Property and $100,000 to Help Build a New Group Home for Developmentally Disabled Adults.*** Asheville's Calvary Baptist Church dedicated property they donated to Baptist Children's Homes and presented $100,000 to help construct the Alverta Bolick Home for developmentally disabled adults on June 8. 2003. The financial gift was made possible through the generosity of the late Alverta Bolick. The group home will be built adjacent to the church and provide a home for six residents.

***Baptist Children's Homes Faces Serious Financial Challenges.*** This year, Baptist Children's Homes took necessary actions to offset further economic hardships. With an overwhelming decline in income and projected budget deficit of $4 million for fiscal 2003-2004. BCH cut the 2003-2004 budget (effective October 1, 2003). The cuts resulted in the closing of one or more cottages in four of BCH's Family Service Areas. the closing of Baptist Maternity Home in Asheville. the elimination of the agency's Intensive Family Preservation Services, and a reduction of 68 and one half budgeted positions. (Due to positions currently vacant and the reassignment of some staff. the actual net loss of people was 31.)

***BCH…Focused on the Future.*** Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. Although facing critical financial times. BCH holds true to its mission of ***"helping hurting children… healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

# Baptist State Convention of North Carolina Annual Missions Report

The Baptist State Convention of North Carolina provides on-going leadership development and direct mission ministries through its General Board programs of work, primarily conducted by staff located at the Baptist Building in Cary.

The majority of the General Board-supported ministries are in the Mission Growth Evangelism and Congregational Services groups. In addition, many of the direct mission projects (partnership missions, etc.) are administered through the two convention auxiliaries---Baptist Men and Woman's Missionary Union. Many of these mission and ministries are conducted cooperatively with the various associations across the state.

Partnership mission projects (with the approximate number of volunteers) for 2003 include Honduras (700 volunteers), Alaska (1,000 volunteers) and Southeast Asia (75 volunteers). To date, almost 1,300 volunteers have served with the Baptist Men's Medical/Dental Bus in 42 associations across the state. In addition, 1,400 people were trained for disaster relief ministries.

The annual Baptist Men's Convention registered approximately 2,000 participants with 880 boys attending the Royal Ambassador Congress. The Co-ed Student Missions conference registered 45 participants with 500 people scheduled to attend the Camporee Project.

The estimated number of participants in Deep Impact and World Changers include Deep Impact Honduras (130), Deep Impact Spring Weekend at Caswell (300), Deep Impact Charlotte set for November (300) and Mission Connect (1,050).

Woman's Missionary Union of North Carolina provided training for over 2,000 people at the two weekend Missions Extravaganza meetings at Ridgecrest this year. During two weekend meetings, $13,454 was received to help with the Project HELP: Restorative Justice program.

WMU-sponsored events in 2003, and number of participants, include Baptist Nursing Fellowship (190), Girls in Action Days (645), Children in Action Days (175), Camp Mundo Vista summer program (1,069), GA Mother/Daughter Camp (354) and Young Women on Mission Retreat (225)...

Other WMU-related ministries for the year included training 566 ladies in associational leadership meeting, providing a woman's prison retreat at Camp Mundo Vista for 60 inmates, send 2,300 Red Christmas Boxes, 134 gifts to missionaries and conducting a ministers' wives retreat.

Christian Women's Job Corp (CWJC), a national WMU program designed to help women who need to enter the job market, includes 16 sites across the state, involving more than 95 volunteers. Since 1999, CWJC has served approximately 100 participants per year.

Student mission projects for 2003, and number of participants, include Youth Corp (21), BSU-funded (24), Wilmington Area Resort Ministries (4), Resort Area Ministry, Boone (2), Raleigh Area Ministry (2), Caraway (23), Mundo Vista (43), Praise and Worship Team (15) and Language Ministry with migrants (1).

International Student Ministry projects involve a fall conference at Ridgecrest (90 students) and a spring conference at Caswell (300 students). The BSC annual convention at Ridgecrest registered almost 400 students with 220 students attending the spring student leadership conference at Caraway.

Baptist State Convention congregational leadership projects are held across the state throughout the year, including the ETC (Equipping Today's Church) meetings at Ridgecrest and Caswell), Children's Bible Drills and Youth Speakers' Tournaments, youth weeks at Caswell, and program-related training events on a statewide, regional and associational levels.

In addition, the Baptist State Convention includes three social service agencies (Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital) and five college and universities (Chowan, Campbell, Wingate, Gardner-Webb and Mars Hill). The convention also supports two agencies--the Biblical Recorder and Baptist Foundation.

## Belarussian Children's Mission Program Report

The Belarussian Children's Mission Program Steering Committee is delighted to report that this year 28 children and 2 interpreters were hosted through the Little River Baptist Group. The children served were among the youngest and the neediest of those we have been blessed to work. The statistics for them are as follows:

- Seventeen made the trip to the United States for the first time, 11 had been involved in one or more previous trips.
- There were 20 girls and eight boys.
- Eleven of the children were from orphanages.
- Three of the children were from foster/boarding homes.
- The majority of the children came from dysfunctional family situations.
- Ten of the children were eight-years-old or younger.

Throughout the summer, our host families were loving and supportive of the child entrusted to their care. They willingly opened their homes and hearts to their special guest who, in essence, became a very important part of their family. In addition, our hosts provided both physical and spiritual nourishment to their child. The children received medical care, well balanced meals, a stable home life, and exposure to our Christian faith. Many of the children began their stay with sad eyes, blank stares, and skepticism. However, after 6 short weeks with their families, they were transformed .They were happy, healthy, energetic, and hopeful – hopeful for a better life, hopeful for a stable family, and hopeful for the love they had experienced through our Lord, Jesus Christ.Little River Baptist Association host families and their churches are:

A big "**Thank You**" to all our host families and churches. You made thisyear a memorable one for the Association and, most importantly, the children.

This year, we had two churches outside our Association that "attached" to our group. They are:

- Lee's Chapel Freewill Baptist– hosting 1 child, and
- Fuquay-Varina Baptist Church – hosting 12 children

These churches were allowed to work with our group with the understanding that they provide full financial support for each child served. Both churches proved to be wonderful "partners" in our endeavor to serve as many childrenas possible.

We are indeed fortunate to live in an area served by a caring medical community. For the past nine years, they have provided services to our Belarussian children at no cost to our host families or the Association. This year, the following members of or medical community provided services to our children:

| | | |
|---|---|---|
| Hospitals | (value of services) | $ 1,200.00 |
| Betsy Johnson Hospital, Dunn | | |
| Good Hope Hospital, Erwin | | |
| Physicians | (value of services) | 4,662.00 |

| Dr. Charles Warren | | |
| Dr. Charles Sikes | | |
| Dr. Laura Smith | | |
| Dr. Valerie Colborn | | |
| **Total Value of Medical Services Rendered** | | **$ 39,618.00** |

## Financial Record

As you are aware, the Belarussian Children's Mission Program is self-supporting, i.e., operating expenses are acquired primarily through monetary contributions from churches and their membership. This year, 22 of our churches participated in this endeavor thus contributing to the success of the prgram. An accounting of funds received and disbursed follows:

| | |
|---|---|
| **Available Funds:** | |
| Opening Balance (1/1/03) | $ 263.61 |
| Contributions LRBA Churches | 20,595.73 |
| Contributions Attached Churches | 15,000.00 |
| Contributions Individuals & Organizations | 1,810.00 |
| **Total Funds Available** | **$ 37,669.34** |
| **Expenses:** | |
| ABRO | $ 29,700.00 |
| Food for trip | 92.95 |
| Bibles | 449.54 |
| Pay for Interpreters | 600.00 |
| Medical | 126.53 |
| Appreciation Plaques for Medical Community | 195.77 |
| Postage | 60.39 |
| Socials | 550.71 |
| **Total Expenses** | **$ 31,775.89** |
| **Fund Balance as of 10/20/03** | **$ 5,893.45** |

The total cost per child/interpreter was $1,059.20. Interpreters are required by the Belarussian Government and serve a vital role in our ministry. They attend all medical appointments, advise host families and their guests, accompany the children to and from America, etc. Therefore, the cost perchild, when the expense of bringing the required interpreters is factored in, was $ 1,134.85.

The Belarussian Children's Mission Steering Committee is looking forward to another year working with "our" Belarusian children. We encourage each church and its members to continue to pray for the success of this ministry and the children of Belarus.

Respectfully submitted,
Dan Young, Chairman

## Biblical Recorder

The *Biblical Recorder* is celebrating its 170th anniversary in 2003 by remaining true to its original mission of publishing relevant news and fostering healthy dialogue among members of the Baptist State Convention of North Carolina.

The world is far different than it was when Thomas Meredith founded the *Biblical Recorder*, but the importance of communication and conversation among Baptists remains unchanged, and the current landscape has many similarities with the one Meredith faced in 1833. Baptists were struggling for growth and shaping their identity in 1833. In time, Baptists came to dominate the denominational landscape of North Carolina, but a variety of societal, demographic and other changes have diminished the overall Baptist presence once again.

And, as early Baptists were often divided over theology, with some clinging to predestination while others championed free will, today's North Carolina Baptists face a changing landscape that features a variety of ways to express our Baptist identity. It has never been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to provide regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. It serves as the official news publication of the Convention, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association for editorial writing in 2000, for design in 2001, and for news writing in 2000, 2001, and 2002 -- including the association's grand prize for news writing in 2001.

In addition to its printed form, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web at www.biblicalrecorder.org. The Web site provides much of each paper's content online, as well as to access classified ads, online Bible study resources and a portal to other news services. Thousands of interested readers around the world consult the online version regularly.

The Web presence became even more important in late 2003, as the *Recorder* shifted from a publication schedule of 40 issues per year to 27 regular issues plus periodic special issues. The move, made as a matter of stewardship, coincided with the addition of new features and improvements to the Website, including more frequent news updates.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at subscription rates below the actual cost. Subscription packets and free sample issues are available. For more information, please contact:

## Notes to Financial Statement
## December 31, 2003

Note 1 – LRBA Growth Endowment Fund
Assets of the fund are held in trust by The North Carolina Baptist Foundation, Inc. and were valued at $21,226.40 as of December 31, 2003.

Note 2 – Buildings
The account currently includes only the cost of the disaster recovery storage building. Records are being examined to establish the original cost of the LRBA office building.

Note 3 – Disbursement of Holloway Estate Funds
The following motion was presented and approved at the LRBA Executive Committee Meeting on April 10, 2003:

Funds were received from the Julius Holloway Estate and deposited for Little River Baptist Association on February 3, 2003. The amount of this gift was $19,683.09. Officers of the association: the Moderator, Vice Moderator, Financial Secretary and Director of Missions, met and discussed the following disbursement of these funds.

1. $12,700.00 to pay off the Campbell Divinity School Scholarship commitment.
2. $2,348.65 for a new, and much needed, folding machine for the LRBA office.
3. $4,634.44 contributed toward "New Work" within the association.

It was felt that the contribution to new work was consistent with the Holloway's vision for Little River Baptist Association.

# Council on Christian Higher Education

Baptist State Convention of North Carolina

2003

Christian higher education represents one of the enduring values of the Baptist State Convention. Since it's founding in 1830, North Carolina Baptists have supported Christian higher education through gifts to the Cooperative Missions Budget, Baptist State Convention.

Our state and Convention depends upon the graduates of our institutions to lead us. The classrooms across our state are filled with teachers who have received their training from one of our campuses. North Carolina businesses are staffed with people who have been challenged during their formal education on our Baptist campuses to consider the ethical and moral consequences of their decisions. Our churches are filled with God called men and women who have undergone academic preparation to lead our churches, associations and Convention. Where would we be without those graduates?

This success story has been made possible as a result of the faithfulness of North Carolina Baptists who support the Baptist State Convention through their gifts to the Cooperative Missions Budget.

Our five Baptist campuses take pride in their association with our Convention. Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate are institutions of Christian distinction. Each considers their Baptist witness to be a hallmark of their institutional mission.

Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate welcome the challenge to prepare the next generation of leaders to serve our state and our Lord. A large majority of the students on each campus identify themselves as Baptist. Among those who are Baptist, some are receiving special financial support as a result of your faithfulness to our Convention's mission.

Last year six hundred eighty-seven (687) North Carolina Baptists received special scholarship aid made possible by your gifts to the Convention. This group represents five hundred four (504) different churches and seventy-three (73) different associations.

Churches that give through Optional Giving Plans B & C are helping another special group of North Carolina Baptists. Both giving plans make it possible for the Council to release theological grants to North Carolina Baptists who have heard God's Call and who are engaged in the pursuit of their first professional theological degree. Last year, 320 recipients received this special assistance. As one student told the Council office, "That grant was a major life-saver for me." His comments reflect other students' sentiments, as well.

What does the future hold?

No one knows for sure; but we know that our North Carolina Baptist colleges/universities will continue to receive your students and provide opportunities for them to grow intellectually and spiritually. We can be assured that when they graduate from our campuses, they will carry on with the tradition of those who preceded them through their service to our state and Convention.

# THE INTERNATIONAL MISSION BOARD

## ANNUAL REPORT

In 2002, Southern Baptist ran to keep up with what God is doing in the world. International Mission Board personnel engaged 138 new people groups and 22 major urban centers unreached by the gospel. They and their overseas partners reported increases of more than 40 percent in the number of new churches and new outreach groups started. At the year's end, one of the greatest challenges Southern Baptist faced was funding the record number of new missionaries God is calling forth.

Demonstrating a passion for following God's purpose, 1,096 Southern Baptist were appointed or commissioned by the International Mission Board to join God in taking the Gospel around the world.

In 2002, the International Mission Board saw a dramatic decrease in the number of volunteers serving overseas. Factors such as recent terrorist attacks in the United States led to the decrease, especially among high school students going as volunteers.

A total of 8,369 churches were organized in 2002, an increase of 42.5 percent. The number of new outreach groups jumped to 9,862, and the total number of church members among overseas Baptist partners rose 8.9 percent, to more than 6.2 million members in 71,904 churches.

The total number of missionary personnel continues to rise. By year's end, 5,376 missionaries were under appointment and it is the hope of the IMB that by the end of this decade there will be a total of 8,000. It is imperative for Southern Baptist to increase their gifts to the Lottie Moon Christmas Offering to keep pace with the growing overseas workforce.

God is working in amazing ways through Southern Baptist and Baptist partners overseas. Last year they reported 421,436 baptisms, and 8.7 percent increase. As we give through the Cooperative Program and the Lottie Moon Christmas Offering, we are making possible the carrying out of all that God is leading us to do through our International Mission Board and our partners overseas.

In 2002, $187 million of the IMB's overseas expenditures went to missionary support (salary, medical, children's education, travel, freight, housing, cars) and $39 million went for fieldwork (evangelism, Christian leadership, media, health care, human needs and related activities).

You can be ON MISSION WITH GOD as you continue to support the International Mission Board and their partners overseas in reaching the world for Jesus Christ and His Kingdom. Only then will we have peace in our world.

Vivian Simpson

## Honduras

Little River Baptist Association sponsored three teams to Honduras in 2003. We have continued work within the same general region of Olancho, eastern Honduras. The first team returned to Catacamas, Olancho, (where we worked in 2002), to do block construction of a church kitchen and complete interior walls at the Baptist Camp. They also provided eyeglasses, and held evangelistic services. Team two returned to Catacamas to build tables and benches for the dining hall at the same Baptist Camp. They also participated in local evangelistic outreach. Our third team began in the southern region of Honduras, but spent the second half of their trip in Juticalpa, Olancho. This team was a "pastor training" group. They were the initial group of theological trainers to help certify Honduran pastors.

Team 1: Marvin Johnson, Johnny Patterson, Frank Shelburne, Kenneth Talley, Harry Anrnette, Ivan Byrd, Jackie Crumpler, John Carson
Team 2: Mike Donohue, Kurt Weaver, Chris Bowling, Ted McLeod, Bob Roberson, Steve Reed, Efren Diaz
Team 3: Kelton Hinton, Glenn Starling, Ellis Fulbright

We have accepted a request / challenge to construct a much needed Health Clinic in Juticalpa during 2004. Prayers and monetary donations are needed for this project.

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

## Missions Development Council

Your Missions Development Council is constituted by the following members: Dorothy Barham, John Gupton, Roy McLamb, Jesse Mooney, Charles Nobles, Eslie Phillips (chairman), Joe Sakas, and Tom Waddill. The Council has been actively involved over the past months seeking to serve you.

Our first responsibility has been to constitute ourselves into a working body and to plan our work. Our next task was searching out the need for new work and beginning the process if implementing procedures toward getting new churches established. The council has worked in conjunction with Dan Deaton, our Director of Missions, Alice Davis, our Missions/Ministries Development Coordinator, Bob Wiley, Director of new church starts from our state office, and David Oyster, the statistician for the association.

The immediate concern of the Council has been the establishment of a new work in the south-western part of the association at Sprout Springs. Dan Deaton has conferred with the members of the Missions Committee of the Hillmon Grove Baptist Church which we hope will be the sponsor church for the Sprout Springs Church. Members of the Committee have visited the proposed church site and talked with Mrs. Carletta Cagle, member of The Hillman Grove Baptist Church, the donor of the property for the church. Conversation has also been had with a possible pastor and persons have attended a worship service that he led and in which he was the preacher. Progress is being made but much more work needs to be done.

As the council looks to the future certain goals loom:
1) More churches need to recognize the need for sponsoring new church starts. The conviction of the Council is that all new churches need a sponsoring church.
2) At least one new church start per year. This goal seems reasonable considering the population growth in the county.
3) The establishment of a Spanish church. A definite need exists to meet the need of the many Spanish-speaking people in our area.

We request that our people make these goals a matter of prayer.

Eslie R. Phillips, chairman.

## -- 2003 ANNUAL REPORT --

God is working through and among Southern Baptists, and the North American Mission Board (NAMB) is a key part of the team reaching North America for Christ. In partnership with state conventions, associations and local churches, we are commissioning more missionaries, putting more money on the mission field, and starting challenging, new ministries. In 2002, gifts to the Annie Armstrong Easter Offering and the Cooperative Program helped NAMB efforts in church planting, evangelism, strategic cities, disaster relief, Canada, and much more. Following are a few highlights of what those offerings, 5,204 missionaries, 2,400 chaplains and 400,000 mission volunteers accomplished.

### Reaching People for Christ

- An estimated 2,500 schools have student-led Christian clubs who are using the FiSH! strategy. More than 8,500 commitments to Christ are made each year as a result of these FiSH! clubs.
- 176 new chaplains received SBC endorsement through NAMB. The total chaplain count is 2,416, and more than 13,800 people came to Christ through their faithful sharing of the gospel in settings such as prison, military, institutional, corporate, and healthcare.
- Church and community ministry missionaries recorded 29,594 professions of faith. Literacy mission efforts resulted in 14 new churches and more than 820 professions of faith. More than 280 refugees were resettled. Hunger ministries fed 3.7 million people, with more than 17,000 professions of faith recorded.
- The Evangelism Response Center makes it possible for specially trained Southern Baptist volunteers to accept calls in their homes from people responding to evangelistic advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. There were 29,666 calls received and 460 people made salvation decisions during the calls, while 13,877 referrals were made to SBC churches.

### Starting New Churches

- Southern Baptists established 1,451 new congregations, and added 164 new SBC affiliated churches for a total of 1,615 new SBC churches.
- The Nehemiah Project, which has established seven church planting centers on Southern Baptist seminary campuses, trained and helped place over 160 students in short and long term church planting ministries. Seventy-nine students went out as lead church planters in 2002.
- Canadian leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020. Partnerships were established with several SBC mega-churches to plant flagship churches in Canada.

### Mobilizing Christians

- NAMB's missionary count reached 5,204. Of this number, 3,280 are missionaries and their spouses operating under various levels of cooperative funding with state conventions and local associations, and another 1,924 are long-term Mission Service Corps missionaries with two or more years of service.
- An estimated 416,000 Southern Baptists participated in short-term projects.
- More than 15,000 disaster relief volunteers from 35 state conventions responded to 65 disasters, prepared 1.25 million meals, and repaired 1,000 homes.
- World Changers summer mission opportunities saw more than 23,500 participants in 88 projects. More than 13,600 presentations of the gospel were made, a 17% increase over the previous year. More than 14,000 gospel presentations were made, and 1,345 professions of faith were recorded. Participants gave $230,000 to missions.
- There were 1,457 high school and college students who answered God's call as summer, sojourner, or semester missionaries. Semester missionaries served in 37 of 42 state and Canadian conventions. They presented the gospel almost 4,000 times and recorded 325 professions of faith.

### Reaching the Cities

- Strategic Focus Cities emphasis in Seattle and Philadelphia resulted in a combined total of more than 13,000 professions of faith and 78 new SBC churches. Nearly 9,000 mission volunteers served in the two cities. Planning for similar efforts in Miami and New York City were also initiated.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
## 2002 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2002, the Foundation assisted individuals in establishing 28 endowment funds and 17 charitable remainder trusts totaling $1.5 million and received $3.3 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $6.3 million in contributions during 2002 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2002, the Foundation held $96.4 million under management.

During 2002, our distributions totaled $5.8 million, with charity receiving $3.5 million and individuals, through trusts, receiving $2.3 million. During the 83-year history of The North Carolina Baptist Foundation, Inc., $23.1 million has been distributed to individuals and $40.3 million to Baptist churches, institutions and mission causes for a grand historical total of $63.4 million.

# 2003 Report to the Associations

"Touching Lives With Hope"

## BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: EXTENDING THE HEALING TOUCH OF CHRIST

North Carolina Baptist Hospital admitted its first patient on May 30, 1923, culminating a vision of the Baptist State Convention to extend the healing ministry of Jesus Christ. Eighty years later, in 2003, we remain firmly committed to the original mission of providing the highest quality medical care marked by excellence, integrity, innovation, and compassion consistent with the teachings of Christ. This report highlights our partnership in missions with North Carolina Baptists.

## BAPTIST BENEVOLENT CARE FUND

The Convention established the annual Mother's Day Offering in 1924 to help patients in financial need pay their hospital bills, to lift heavy burdens in the name of Jesus Christ and his love. Since that time every dollar of every gift has been used for that purpose—caring for children like Haleigh in her battle with cancer, and adults like Wade and Vickie. You have made a tremendous difference in their lives and many others just like them. Please read their inspiring stories of thankfulness in the new Mother's Day Offering web site (www.ncbhmothersday.org). ***Thank you,*** North Carolina Baptists, for giving $600,372 to this ministry in 2002!

## SCHOOL OF PASTORAL CARE

*The fruits of Cooperative Giving* by North Carolina Baptists are evidenced in life-changing ministries of the School of Pastoral Care. Our mission is "***to provide ministries of growth, hope, and healing in the Spirit of Christ.***" ***Thank you,*** North Carolina Baptists, for extending the healing reach of Christ to thousands of hurting people through our ministries.

**Baptist Hospital CareNet Counseling Centers, our Department of Pastoral Counseling,** annually provides over 24,500 hours of counseling at 22 locations across our state. This ministry brings emotional and spiritual healing, consistent with the compassion of Christ, to those who have been broken. Our counselors are licensed professionals with deeply held personal faith. They extend the ministry of churches, receiving many referrals from Baptist pastors on behalf of church members who are hurting. Approximately 40% of our counseling hours are provided to Baptists.

**The Center for Congregational Health** has continued to develop vital ministries. Nearly 600 church leaders received training in the past year through the Center's programs of ***leadership development.*** "The Pastor as Spiritual Guide" and "Young Leaders" programs have proven to be highly beneficial for N.C. Baptist ministers, deepening their faith as spiritual leaders for their churches. Approximately 25 churches per month have benefited from the Center's ***consulting ministry.*** Initial, expert consultations are provided free to N.C. Baptist churches thanks to Cooperative Giving. ***Intentional Interim ministers*** trained by the Center continue to serve churches in our state, across the nation, and Australia. Mentoring programs for young ministers are also being provided.

**The Department of Chaplaincy and Pastoral Education** provides ministry to patients, families, and staff through more than 61,000 pastoral contacts each year, extending great compassion and hope in the name of Jesus Christ. Specialized training in hospital ministry was provided to 63 students in the past year, making our Clinical Pastoral Education program one of the largest in the nation.

**The Department of Church and Community Relations** receives no Cooperative Program funds, but serves as a vital liaison to N.C. Baptist churches. The department ministers to over 150 Baptists per year by facilitating physician appointments or helping others with concerns about medical bills. Many of those who are helped have no health insurance and are burdened by financial need.

## ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

*Ministry to Ministers and Their Families* -

- The ***Ministers Care Plan*** provides a subsidy to full-time, ordained ministers serving North Carolina Baptist churches, and their immediate family members, who need the support of counseling to recover from emotional pain and stress. Clients pay $20 per session at a CareNet Counseling Center. The Baptist State Convention and CareNet pay for the remainder of the cost. Please call Rev. Paul Mullen, Director of Church and Community Relations, for more information (336-716-3027).

## CLOSING WORDS FROM THE PRESIDENT

The initial vision of North Carolina Baptists to extend the healing touch of Christ has unfolded in remarkable ways at Baptist Hospital over the past 80 years. As Christ ministered to those who were broken in body, mind, or spirit and made them whole, we continually strive to follow his example. We consider it a sacred responsibility and profound privilege to serve him in this mission of healing. We are thankful to you, North Carolina Baptists, for being our partners in ministry.

With the exception of those born in a leap year and those who reached 39 and holding – most of us have celebrated a birthday. So you too are headed toward our group. Thank you for being an association willing to recognize your senior adults. It's been a busy and productive year for us.

Our council met regularly to discuss and plan. We are always looking for new ideas. Your suggestions are welcomed and will be considered.

Since May is designated statewide as Senior Adult Month seveal churches recognized their groups on the first Sunday in May. It was good to hear about their program. Especially the way different speakers developed the theme, "Hope for the Journey." By this time in our life we all have story to tell.

Wow! You can imagine our delight when around 300 registered for our annual Senior Adult Fellowship Day. We met at Erwin First Baptist Church. The XYZer's were great host and hostess. So many of their church members worked to make this day a success. Thank you Steve Reedand your group. So many have told me how they enjoyed the day.

Our next annual Fellowship Day is May 6, 2004 at the Rawls Baptist Church. See you there!

The media lost no time in pointing a finger when an 86 year old senior in California had an accident. We decided to offer a Safe Driving Course for seniors. We've met once and had the introductory part. AARP volunteers teach the course. Anyone wishing to participate is welcome. We are scheduled for January 22 & 23, 2004 to meet at the associational office Contact Michelle to let her know you'll be attending.

We are excited to have Overhills as a new senior group. Pamela and James Short will be their coordinators. Welcome!

*Hope For The Journey*

## Associational WMU Director's Report
## 2003

God has a plan for the world. That plan is that every person might come to know Him and it was made even before the world was created when God knew even then that He would send Jesus Christ as the means for every person to come to know Him. Because He came and because we know Him, He has given us a part in that plan. That is what we have been talking about in WMU this past year - "God's Plan. . ..My Part."

We have been involved in several ways in doing what we think is our part, and we have encouraged others in the churches to be doing their part. Some of the ways we have done these are:

Encouraging Churches: We have provided training for leaders and assistance in starting new mission groups. It is a joy to report that we did have several new groups started this year.

Informing Churches: Through our newsletter and through personal contact, we keep the churches informed about mission projects, new opportunities for ministry, and opportunities for spiritual growth.

Planning Mission Projects: We have had ministries to the prisoners in Harnett County and to the women prisoners in Raleigh; gave 1721 bears for children in Cumberland County who had to go to the hospital; provided doughnuts and coffee to correctional officers; provided health kits to migrant children and medical kits to the Belarussian children; made sandwiches for special needs children, and furnished snacks to our Divinity students during exams.

Providing Spiritual Growth Opportunities: We had 202 women attend our annual Prayer Retreat; we had two associational Baptist Women's Day of Prayer meetings, and several of our churches had their own.

Being Involved in Missions Outside our Association: We had nine from our association who participated in WMU's MissionFests in Rochester, NY, and Cincinnati, OH. In addition, many of our women went with groups from their churches on mission trips.

In addition to all these, our GA's had a big birthday party, celebrating the 90th birthday of GA's. Our Mission Friends got together for a Mission Friends Fun Day.

We are excited about the upcoming year. One of our emphases is to develop closer relationships with women from all our churches. Along that line, we are planning a Women's March Madness, on March 20, for the purpose of having some fun, fellowship, inspiration, etc. for all our women.
God has a wonderful plan for this world. We are humbled that He would want us to have a part in that. But, in WMU, our desire is that we will not fail to do that which God has called us to do. That is our only goal- to be on mission for Him!

Respectfully Submitted,
Dorothy Barham
Associational WMU Director

## *PREAMBLE*

### ARTICLE I - NAME

The name of this body will be the Little River Baptist Association.

### ARTICLE II - PURPOSE

The purpose of this Association will be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our Associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

### ARTICLE III - OBJECTIVES

To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
To discover needs which cannot be met effectively by any one church and to coordinate the use of Associational resources in meeting these needs.
To involve churches in cooperative experiences in evangelism, mission education, and benevolence.

### ARTICLE IV - AUTHORITY

This Association is a self-determining body under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

### ARTICLE V - MEMBERSHIP

**Section 1.** The Association will consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five (5) messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of the respective church.
**Section 2.** A quorum will consist of messengers from at least 50 percent of the member churches.
**Section 3.** Voting will be limited to duly elected messengers or their alternates as certified in the Annual Church Profile.
**Section 4. Policy for the Establishment of Missions**

1. There are three (3) recognized groups that may begin a new mission work in new areas:
   a. A Church affiliated with the association.
   b. The Missions Development Committee.
   c. Any interested group of cooperating Little River Baptists.
2. Any Baptist group wishing to organize a mission will first advise the Director of Missions and the Missions Development Committee of their intent.
3. It will be the duty of the Missions Development Committee to offer their services to any sponsoring agency anticipating new mission work.
4. When necessary, the Missions Development Committee will assist the mission in finding a sponsoring LRBA Church. If the committee is unable to find a sponsoring Church, the committee may serve as the sponsoring agency.
5. The Missions Development Committee will encourage the sponsoring Baptist Church to nominate a Missions Committee of at least five (5) persons, if they do not already have one.
6. A survey of the target area will be made by the Missions Development Committee to determine accurately the needs and possibilities for that area.
7. The sponsoring agency will communicate with all adjacent churches and missions within a three-mile radius of the target area with a written request for cooperation in starting the new mission

work. The responses and any other pertinent information will be presented in the joint meeting mentioned below in Paragraph Eight of this policy.

8. The Missions Development Committee will call a joint meeting of the following:
    a. The Missions Committee of the sponsoring Church.
    b. The pastor and a lay representative from each of the adjacent churches and missions within a three-mile radius of the target area.
    c. The Director of Missions.
    d. The Moderator.
    e. The Missions Development Committee of the Association.
9. If this joint group, by a majority vote of those present and voting, looks with favor upon the establishment of a new mission, the work can at that point begin. The Missions Development Committee will assist the Missions Committee of the sponsoring agency in drawing up an agreement between the mission and the sponsoring agency. If the joint missions are unable to reach a majority vote, it will be referred back to Missions Development Committee for further study.
10. The Missions Development Committee, the sponsoring agency's missions committee, and the Director of Missions will work in cooperation in the process of the organizing of the new mission.
11. After the mission is organized, the Missions Development Committee will continue to work with the sponsoring agency and the mission until the mission is organized into a cooperating Southern Baptist Church.

**Section 5. Policy of the Organization of a Church**

1. The sponsoring agency and/or the mission will send a written petition to the Missions Development Committee stating the desire of the mission to be organized into a cooperating Southern Baptist Congregation.
2. The Missions Development Committee will then call a meeting of the pastors and a lay representative from each of the churches in the association to meet with the representatives of the mission for the purpose of considering the request. At least two weeks notice will be required for this meeting.
3. The Moderator of the association will preside at this meeting.
4. The sponsoring agency and the mission will be prepared to furnish the following information:
    a. The history of the origin and development of the mission from its beginning to the present.
    b. A proposal for a permanent physical location of the Church property and buildings.
    c. A statement elaborating upon the mission's ability to be financially self-supporting.
    d. A statement concerning the mission's availability of qualified leadership necessary to carry on the work of a Baptist Church.
    e. A statement concerning the mission's organizations (Sunday School, Discipleship Training, WMU and Brotherhood, etc.).
    f. A statement from the mission concerning its attitude toward all of our Baptist work; such as cooperating with other Baptist Churches, the Cooperative Program, willingness to support SBC institutions and agencies, etc.
    g. A statement of doctrine and faith prepared by the mission.
5. With this information in hand, the group will then take a vote to recommend that the mission be organized and received into the fellowship of the association, be denied this request or to postpone consideration until specifically detailed matters are resolved to the satisfaction of the group. If the vote is favorable by a majority vote of those present and voting, then the sponsoring agency will be requested to set a date for the organization of the mission into a cooperating Southern Baptist Church, and subsequent notice sent to all churches of the association inviting them to the organizational meeting.

**Section 6. Policy of the Physical Relocation of Church Property**

1. The Church desiring to relocate its physical location will be requested to consult with the Missions Development Committee stating the desire of the church to relocate.
2. The Missions Development Committee will then call a meeting of the pastors and a lay representative from the adjacent churches and missions within a three-mile radius of the proposed new location for the purpose of considering the request. At least two weeks notice will be required for this meeting.
3. The Moderator of the association will preside at this meeting.

4. The Church will be prepared to furnish the following information:
   a. Why the Church desires to relocate.
   b. The history of the origin and the work of the Church from its beginning to the present.
   c. The proposed permanent location of the Church property, buildings, etc.
   d. A statement of the Church's organization, structure, support and participation in Southern Baptist work.
5. With this information in hand, the group will then take a vote to affirm the church in its desire to relocate, or to deny this request, or to delay any action or recommendation by the group at this time. Map of Associational Churches

Note to Reader:

This book was compiled from the data included on the 2004 Annual Church Profiles turned in by the churches of our association. The Annual Church Profile is filled out once a year beginning in July. Not only does our office use this data to keep our churches apprised of all of the upcoming events of the association, but also from the various departments of the Baptist State Convention of North Carolina and others.

If your church's information is not correct, or is incomplete, please make sure you notify us. It is very important that the information given on the Annual Church Profile (ACP) be complete, detailed and accurate data. For example, if the Chairman/Chairperson of the Deacons is listed as being Mr. Doe, but you do not give us his full name, home address and phone number, then the default is for all notices and mailings for Mr. Doe to go the church office. This may cause delays in timely notification and reply to opportunities for ministry.

Most of our churches in the association complete their Annual Church Profile each year with few errors or omissions. The APC is done on paper and online. Our staff is here to answer any questions that you may have regarding the APC. Let us strive to make sure that the 2005 Annual Book of Reports is the most complete and accurate one to date.

# A Brief History of Angier Baptist Church

Angier Baptist Church is located in the town of Angier, in the southern Bible Belt. It began in 1883, while Chester A. Arthur was President of the United States and T.J. Jarvis was Governor of North Carolina. God began stirring the hearts of a small group of families living near the growing community of Angier. The Rev. A.N. Campbell, father of Rev. J.A. Campbell, founder of Buies Creek Academy (now Campbell University), had been preaching in the homes in the Currin's Cross Road area. When the groups became too large to meet in homes, Rev. Campbell called them to meet in an abandoned whiskey warehouse, and on September 18, 1883, New Life Baptist Church was organized. Six people moved their letters from Neill's Creek Baptist Church and thirteen people came forward for baptism. During the baptismal service at a nearby pond, two others joined and were baptized. Minutes of the November 1, 1883 Little River Association Report indicate the New Life Baptist Church was received into the Association as a member.

Rev. A.N. Campbell became the first pastor and served until 1889. Nineteen pastors served the church during the ensuing years, with Rev. Grover K. Blackburn becoming the twenty-first, on March 1, 1994.

During the years, the church buildings have changed from the first, an abandoned warehouse, about 18x30 feet, to a one-room structure, built in the country in 1884. That was torn down in 1900 and moved into town and used until an octagonal-shaped building was finished in 1925. The present facility was dedicated on October 6, 1957. Additions and renovations have taken place and more land purchased so there are, at the present time, nine acres. A building program is underway to add more educational space.

Membership has grown from less than twenty-five members to a resident membership of 473. The members have served the community with ministries to every age group in many ways, through Sunday School, WMU and its organization, mission trips, the church food closet, Meals on Wheels, at nearby Rest Homes and by helping a small church with literature, choir robes and prayer. A Hispanic church uses our building for Sunday School and worship services.

The past speaks of many who sacrificed to reach others for Christ. That record stands. The future challenges us to preserve the past, learn from it and be inspired to move forward, taking the message of salvation through belief in Jesus, our Savior, to all people.

## Broadway Baptist Church
### The First Years And Beyond:
A Brief History

*Contained herein is a very brief sketch of the history of Broadway Baptist Church. Time and paper are not sufficient to recount every significant event that brought us to where we are today. Many gifted and dedicated servants of Christ have labored long and contributed much in blood, sweat and tears to bring us to 2004. Reproduced here are reports compiled by previous generations, I have allowed those closest to the events to speak.*

### From the Beginnings

On February 3, 1924, the Juniper Springs Baptist Church met in regular conference. The Pastor, the Reverend H.M. Stroup, presided as Moderator. Brother Henry Thomas served as Church Clerk.

The Building Committee was asked to make a report, (the report being on the new building, which was located at this present site), and the following report was given. $2,258.19 had been paid out for materials and services rendered. $800.00 had been borrowed from the bank. $2,242.64 had been received in cash, which left a balance in the Treasury of $816.15. The report was received and the committee excused. Those serving on the committee were: Mr. A.P. Thomas, Mr. C.E. Thomas, Mr. W.M. Thomas, and Mr. A.A. Collins. A Resolution was then offered by Brother A.P. Thomas, which read as follows:

1. That we change the name of this church to Broadway Baptist Church.
2. That we notify each member that we will vote on this the first Sunday in March 1924.
3. That we ask every member to be present, and that we have a new roll of members made out. That if any member does not wish to have his name on the new roll, that they have an opportunity at this meeting to express themselves.
4. Whereas some of our members of the old Juniper Springs Church, which wish to remain and organize themselves into a Church, be granted a letter to do so if they desire.
5. That this resolution be voted on, and if it carries, that the same be entered on the Minutes to be approved of on the next regular meeting, March 2, 1924.

The Resolution carried.

Juniper Springs Baptist Church met in regular Conference, March 2, 1924. Minutes of the previous meeting were read and approved. Avis Atkinson and Alma Ballard were received under the watch-care of the Church until their letters were received. It was unanimously carried to change the name of the church (Juniper Springs) to Broadway Baptist Church.

H.M. Stroup, Moderator
Henry Thomas, Clerk

### Officers of the church at its beginning:

J.M.B. Thomas, senior deacon
A.P. Thomas, deacon
G.L. Stone, deacon
W.M. Thomas, Treasurer
H.A. Thomas, Clerk

From the time of its beginning until August 1933, Broadway Baptist Church went about her regular duties with the usual ups and downs of any church trying to serve the Lord. The dark days of the Depression were hanging heavily over the Broadway Community that year. At 1:00

A.M., August 4, 1933, with the suddenness and fury of a tornado, the Broadway Baptist Church (building) was completely destroyed by fire.

On August 6th, following the fire, a service was held under an oak tree near the burned ruins of the Church building. The Pastor's sermon subject for the service was Numbers 12:30 "And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it." The congregation sang, "I'll Go Where You Want Me to Go." The other churches in the community responded to the tragedy by offering their buildings for the Church to use for worship. A service was held in the Presbyterian Church that evening at 7:30 PM. It was decided at this meeting to hold a meeting on the 10th of August at the home of H.A. Thomas. It was also decided that the Church would build back as soon as possible. A building Committee was appointed which consisted of the following members: Mr. A.P. Thomas, Chairman; Mr. A.A. Collins, Mr. G.L. Stone, Mr. H.A. Thomas and Mr. Owen Taylor. Their first responsibility was to work out and submit plans for reconstruction of the church building. On September 3, 1933, a Church conference was held after the services. The Building Committee recommended that a new building be constructed on practically the same plan as before, but with minor changes inside. It was also recommended by the committee that the new building be constructed of brick and tile. Construction began on October 25th of that same year, and the Sunday School met in the Sanctuary on January 5, 1934. The completion of the work, paying as they went, took many years. The building was finally completed in 1948. A dedication service was held with the honorable J. Melville Broughton, former Governor of North Carolina, the dedicatory speaker, March 7, 1948.

From that time the Church has enjoyed slow but steady progress. A list of other accomplishments over the years are as follows:

In 1953 a parsonage was built by the men of the Church.
In 1957 an annex was added to the Church to provide badly needed classrooms. (This was the first major addition to be added)
In 1960 the steeple and vestibule, new pews and carpet were added.
In 1969 the Sanctuary was completely renovated and a Baptistry was installed.
In 1973 a six-room addition to the church and electric heat and air conditioning for the entire church plant was completed.
A Sign for the church was added in 1974.
Work on a new parsonage began in 1975.
In 1977 Clyde Johnson was retained as the first "full-time" pastor.
In 1984 Mrs. Vernell Sloan donated to the church the lot adjoining the church, this lot is located at the intersection of First Street and (then Buckhorn Ave).
In 1985 Pastor Tyson was sent as a messenger to the Southern Baptist Convention in Dallas, Texas.
In March 2001 Groundbreaking held for fellowship hall.
Dedication service for fellowship hall was held September 2001.

### Toward the Future

*Looking to the past enables us to gather our energies toward a bright future for Broadway Baptist Church. Each member throughout her history has contributed uniquely to the ministry of the church. Though times have changed the Gospel remains the same. Methods may change but the message of eternal life through Christ ties us in a seamless stream with those that have preceded us. My prayer is that each of Broadway's members may find their place of service and pull together as we face the future together. God has been faithful in her past to guide and direct, we expect Him who is ever faithful to lead us to the future. Until Christ returns we continue to be about our Lord's business, sharing the Gospel with a lost and dying world. All the glory belongs to God. Praise Him!!*

The Third Session of the Little River Baptist Association was called to order by Martin Groover at Angier Baptist Church at 7:00 P.M.

Rev. Groover, with point of privilege, read James Chapter 5. He related prayer was talked about more than practiced, and it was the most effective thing anyone can do, any body, any where, any time. Joe Sakas led the invocation.

Sandra Taylor presented the District Drillers children in a very impressive Bible Drill exhibition, followed by the Associational Youth Choir singing "Redeemed".

Jamee Free reported on a youth trip from Chalybeate Springs to Jeremiah Center in Montana. The main purpose of the Jeremiah Center is to teach people about Jesus Christ. They do this in many ways, first by showing them the love of Christ. There is less than 1 % Baptist in that state.

17 people from Westfield Baptist Church went on a Church-Wide Mission Trip to Kentucky. They were in the poorest counties in the United States. They did Bible study and made home repairs.

Daniel Deaton gave a challenging devotion. He challenged all church's to work together as "Missionaries" and to send in reports to let the Association know what you are doing. There is a good spirit in the Association. It is a right, privilege, and responsibility to tell others about Jesus. It is not what we say as much as what we do that matters. Let people know God Loves Them.

Dan thanked Rev. Martin Groover for serving as Associational Moderator for the years 2003 and 2004.

A Choral Anthem was presented by the Angier Baptist Choir "I've Got Joy in My Heart", Followed by a Praise Song Medley.

# OFFICE of ANNUITY REPORT

## 2004 BOOK of REPORTS

After a tumultuous three-year period resulting in a dramatic economic downturn which adversely affected retirement accounts of millions of Americans a dramatic rebound occurred during the last year. As a result, the asset base of the Annuity Board gained over 1 billion dollars in one year for the first time since the Annuity Board was established in 1918 to serve ministers and employees of Southern Baptist churches. Concurrently, many participant retirement accounts recouped much of the funds which evaporated during the downturn. The downturn presented a serious challenge to our office in assisting participants with meaningful educational materials and resources to make wise investment decisions.

Secondly, the ongoing national health care crisis continues to present serious challenges to our churches who strive to be responsible employers by providing adequate medical insurance in a rapidly escalating cost environment. To assist in this effort, the Annuity Board responded this year by offering new medical insurance plans. These new plans offer more flexibility with varying levels of deductibles and monthly rates. Along with the new plans, the Board emphasized a three-step approach to address the rising cost of health care. First, the Annuity Board is aggressively managing costs and continuing to create plans that provide more options for participants. Second, participants are encouraged to develop healthy habits related to eating and exercise. And, third, churches need to take the initiative, if at all possible, to provide medical coverage as a benefit for their ministers and staff rather than as a part of the salary package. Those church employees who live within the constraints of an antiquated "pay package" approach have seen a dramatic decline in disposable income if they have tried to maintain adequate medical insurance for themselves and their families.

Thirdly, as a result of actions taken by messengers at the annual meeting of the Southern Baptist Convention in Indianapolis, the Annuity Board gained permission to serve evangelical ministry organizations outside the SBC and to change the official name of the Annuity Board to GuideStone Financial Resources of the Southern Baptist Convention. The name change will become official with an affirmative vote at next year's annual convention in Nashville, Tennessee.

Fourthly, the Endowment ministry of the Annuity Board continued its work to make Southern Baptists aware of the tragic plight of retired ministers and their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped to underwrite the financial assistance given to those who are in desperate need. More than 3,000 persons in our convention presently receive financial assistance with 335 residing in North Carolina.

As of May 31, 2004, North Carolina participants in the retirement plan moved above 5,200 in 2,332 (61 %) of our churches. Our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extensions 320 or 321, visit our Web site at www.bscnc.org, call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

# Baptist Children's Homes of North Carolina

(July 2003-July 2004)

***Above and beyond - these words best describe what North Carolina Baptists did last year!...*** Churches around the state came mightily to the aid of Baptist Children's Homes in 2003-04 as their beloved institution faced one of its most critical financial times. Prayers, money, and gifts of food, towels, sheets, school supplies, and clothes flooded in. These showers of blessings softened the blow of a nearly four million-dollar budget cut. ***Thank you.***

History was made as churches from all 80 Baptist Associations gave food to BCH's first-ever statewide food roundup. Nearly 500,000 pounds of food were collected filling every available space on our campuses. Directors of Missions graciously opened their offices as collection points for the food. Churches delivered food filling their offices, halls and storage rooms. Trucking companies picked up the food from the Association offices and delivered this great expression of your love and concern. ***Thank you.***

**(The next Food Roundup is slated for April 2005.)**

Last year, nearly 2000 videos of ***Jennifer's Story*** were distributed to churches. The video told how North Carolina Baptists made a difference in the life of Jennifer Shore. Jennifer found hope and healing at Baptist Children's Homes. As an adult she and her husband returned to become child- care workers. More than 600 churches invited BCH representatives to share how the lives of children, children like Jennifer, are being changed every day. United together, North Carolina Baptists not only met the 2003 Thanksgiving Offering goal, but exceeded it! ***Thank you***.

Baptist Children's Homes is at the center of North Carolina Baptists' hearts. Their actions prove it! Jesus challenged us all when he said, "In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven." Our children and staff, the people in your communities, and the citizens of North Carolina saw Jesus in action and our Heavenly Father was glorified! ***Thank you.***

***Blackwell marks 20th year as president...***On July 1, 1983, Michael C. Blackwell became president of BCH. Trustees honored his twenty years of ministry during their September 2003 board meeting with "A Celebration of Ministry."

***BCH begins strategic planning process...***BCH president Michael C. Blackwell initiated an agency year-long strategic planning effort. Blackwell says this is the most comprehensive effort since he became president. All areas of the agency are involved in the development of the plan. Recommendations will be presented to the Trustees at

their September meeting. The plan will debut in January 2005.
***Shine your light!...****Inspired* by North Carolina Baptists, this year's Thanksgiving Offering theme is "Shine your light." Although blessings flowed freely in 2003 helping to avert more difficult hardships, our need remains great. Children and families continue to pour out their hurt on our doorsteps. Alone and suffering, children need to know that in their journey of darkness there is a light shining, guiding them to a better day. You help keep the light on and shining bright as we, day-to-day, offer help in Jesus' name. Our statewide Thanksgiving Offering goal this year is $1,300,000. This represents a $75,000 increase over last year's offering goal. An increase demanded by necessity. Challenge your church to participate in the 2004 Thanksgiving Offering. ***Our success depends on you.***

***BCH...Focused on the Future***. Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. RCR holds true to its mission of ***"helping hurting children... healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

# Baptist Foundation, Little River Baptist Growth Endowment Fund Report – 2004

The Growth Endowment for LRBA is not designed to solve our problems of next week. It is designed to help support missions through LRBA years down the road. There is no reason to think that the need for mission funds will decrease. Almost surely the need will be greater in fifty or one hundred years than it is today. We cannot go back one hundred years and start an endowment program, but we have started a program **now** that will really be significant in our future. If we never add any more to our LRBA endowment than we now have, 100 years from now it will be worth $762,864.46 and will yield about $26,700.25 to spend on missions that year. Twenty years after that, it will double again.

There are several ways that people are helping the endowment grow.

1. We know we will never spend all of the income. One-half of the earned income from the endowment is plowed back into the endowment for growth. This means it will double about every 20 years.
2. Some people have made direct gifts to the endowment which gives them a tax saving **and** the feeling of supporting missions now and forever... That's a long time!
3. Some have set aside funds now that will pay them 5,6,or 7% per year to live on for the rest of their lives, and then pay the same percentage to their children for 20 years, and then after that time, pay the same percentage to the LRBA for mission projects forever.
4. Some churches are developing endowments for their own church and then giving 10% of the income from their endowment to LRBA Growth Endowment to help carry on associational missions forever.
5. Some are including LRBA Growth Endowment in their wills so that after we leave this life, some of our lifetime earning can carry on the work of the Lord annually until he returns. A tithe of an estate to the Lord's work through a will can perpetuate His work annually forever.

When we pray, let us ask God what He would like for us to do with our worldly possessions that we cannot take with us. Can we find a good reason or excuse **not** to tithe an estate?

If questions arise, feel free to call one of your Endowment Trustees.

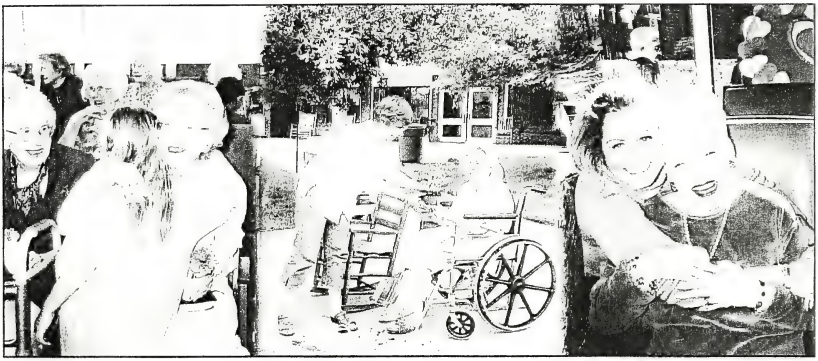
BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951



*"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delighful inheritance." –Psalm 16:5-6*

Because of your generosity, Psalm 16 is a fitting scripture for the over 700 Older Adults who reside at the Baptist Retirement Homes of North Carolina, Incorporated...

**Their lot has been made secure–**
All of your gifts through the Cooperative Giving Plans of the Baptist State Convention, through the February North Carolina Offering for Older Adults, and through direct gifts from the churches are designated to provide care for those who otherwise could not receive care. Many of our Assisted Living care residents and the majority of our Nursing Care residents receive financial assistance from you. Furthermore our promise to each of our residents is care that will last for as long as they live.

**Their boundary lines have fallen in pleasant places–**
At the Western North Carolina Baptist Home in Asheville ... at Brookridge Retirement Community in Winston-Salem ... at The Taylor House in Albemarle ... and at Hamilton Baptist Home in northeastern North Carolina, beauty, security, and comfort are found in full measure.

**They have a delightful inheritance–**
At each of the Homes, the ministry of a Baptist Chaplain lifts the hearts of our residents. The enrichment and recreational opportunities at each Home make for an enjoyable lifestyle. ## Belarussian Children's Mission Committee Report
Annual Meeting
October 25-26, 2004

. The Belarusian Children's Mission Program Steering Committee is delighted to report that this year 21 children and 2 interpreters were hosted through the Little River Baptist Group. The children served were among the youngest and the neediest of those we have been blessed to work. The statistics for them are as follows:

- Five made the trip to the United States for the first time, 16 had been involved in one or more previous trips.
- There were 15 girls and 6 boys.
- Ten of the children were from orphanages.
- Three of the children were from foster/boarding homes.
- The majority of the children came from dysfunctional family situations.
- Seven of the children were nine-years-old or younger.

The Little River Baptist Association and the Belasrussian Children's Mission Committee thanks our host families for opening their homes and hearts to the children of Belarus. Through their participation, they have, first, provided a child with nourishment of the body. Six weeks in the United States, where they receive a variety of fresh fruits, vegetables and meats, along with fresh clean air and water, purges their bodies of many of the contaminates that they live with daily. Second, they have given them HOPE. Hope for a better future. They see the freedoms that we enjoy, the security that is found in the family unit, and the love we share for one another. Third, they have shared their Faith. Belarus was for many years under the communist rule of Russia. Religion was denounced and many churches were destroyed. Only recently have citizens been allowed to worship openly. At first, the children are suspicious of our faith but then become receptive and want to learn more about it. Then, the children return home to share their experiences with others. What a wonderful way to serve God through a foreign mission program that allows you to "serve at home." Our host families this year were:

Ernest and Iris Arp------------------------------Lillington Baptist Church
Donald and Sharon Dawson-----------------Friendship Baptist Church
Ricky and Judy Holland----------------------Memorial Baptist Church
Joe and Krystal Jordan------------------------Dunn First Baptist Church
Barry and Tammy Lewis----------------------Angier Baptist Church
David and Lisa Morris-------------------------Harmony Baptist Church
Wayne and Lisa O'Quinn---------------------Hillmon Grove Baptist Church
David and Kay Peele--------------------------Swann Station Baptist Church
Jeffery and Cindy Sink------------------------Anderson Creek Community Church
Daniel and Joan Young-----------------------Anderson Creek Community Church
Dorothy W. Byrd (Interpreter)-----------------Friendship Baptist Church

This year, we had two churches outside our Association that "attached" to our group. They were:

- Lee's Chapel Freewill Baptist – hosting 1 child, and
- Fuquay-Varina Baptist Church – hosting 10 children and one interpreter.

These churches were allowed to work with our group with the understanding that they provide full financial support for each child served. Both churches proved to be wonderful "partners" in our endeavor to serve as many children as possible.

We sincerely hope that each family and church will continue their involvement and participation is this very important mission. May God continue to bless you, your family, your church and this ministry.

This year, as in previous years, we had excellent support from the medical community. Their contributions were as follows:

| | |
|---|---|
| Betsy Johnson Memorial Hospital | $6,769.50 |
| Pediatricians (4 offices/11 doctors) | 2,960.00 |
| Emergency Services | 250.00 |
| Optometric Services (6 offices) | 3,497.50 |
| Dental (9 offices/11 Dentist | 9,685.00 |
| Oral Surgeons (4 specialists) | 1,551.00 |
| Cardiologists | 600.00 |
| Orthopedic | 250.00 |
| Speech Pathologist | 300.00 |
| Total Donated Medical Services | $25,863.00 |

Please continue to pray for the Belarussian Children's Mission Program and the children of Belarus.

## 2004 Report to the Associations

After celebrating its 170th anniversary in 2003, the *Biblical Recorder* remains true to its founding mission of publishing relevant news and fostering healthy dialogue among members of the Baptist State Convention of North Carolina.

Today's North Carolina Baptists face a constantly changing landscape as population shifts, cultural trends and denominational debates each leave their mark. As always, Baptists find a variety of ways to express their identity. North Carolina Baptists have a clear need to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to provide regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. It serves as the official news publication of the Convention, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001, and several first place awards for news and editorial writing, including two in 2003.

As readers have shifted in their preference for electronic media over traditional print formats, the *Biblical Recorder* has developed and maintains a popular and rapidly growing presence on the World Wide Web. Our Website, at www.biblicalrecorder.org, provides much of each paper's content online, as well as to access classified ads, online Bible study resources and a portal to other news services. The site is frequently updated with breaking news items and other articles of interest.

The *Biblical Recorder* was one of the first state papers to create a web site, and it remains a leader in the field. Google.com's prestigious page-rank feature lists www.biblicalrecorder.org as the number one site for Baptist news on the Internet. Web users in North Carolina and around the world now rival the number of those who read the *Recorder's* print edition, as an average of more than 40,000 unique visitors come to the site each month.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Subscription packets and free sample issues are available.

# Baptist State Convention of North Carolina 2004

## GREAT WORKS STAND THE TEST OF TIME

The classics. They are the books that are required reading in classrooms around the world. They are the masterpieces that hang in Louvre and other great museums. They are the compositions from Beethoven, Bach, Mozart, Strauss and countless others that are taught and studied and appreciated generation after generation.

What makes them classics? What makes them stand the test of time? Put simply, these works were developed by people who took painstaking care with their craft. Attention was paid to every individual detail as if the very life of the work itself depended on it. Love and devotion and skill were combined with each vision to produce an explosion of creativity and unique expression.

If these explanations truly define the classics and the great works, then the Baptist colleges of North Carolina belong in that very category. Five institutions that define the spirit and commitment of North Carolina Baptists draw their very essence from the North Carolina Baptist State Convention, an institution that was created in part to fulfill the mission of Christian higher education in this state.

Begun in 1830, the Baptist State Convention of North Carolina has stood the test of time. Using the same qualities as the great composers, artists and authors from throughout the centuries, the Baptist State Convention has poured love and devotion and care into the pursuit of offering only the finest in college education.

Campbell University, Chowan College, Gardner-Webb University, Mars Hill College and Wingate University are the five institutions affiliated with the convention. Why is that important? Because heritage and history make for strong foundations. With the support received from the convention through scholarships, resources, prayer, encouragement and leadership, these institutions grow stronger each year in reputation, prestige, character, quality and respect.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of NC last year made it possible for 499 members from 316 convention related churches to attend our five affiliated institutions of higher education. Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous Baptists like you.

# INTERNATIONAL MISSION BOARD
# 2004 ANNUAL REPORT

As our world has drastically charged in the last ten years, so has the strategy changed for reaching the more than 6 billion people who live in the world today, many of these people having no way of knowing the salvation of Jesus Christ. No longer are missionaries appointed to countries, but to people groups, which number more than 11,000. Of these more than 5,000 people groups – made up of 1.6 billion people – are separated from God, with little or no access to the gospel.

The International Mission Board has also changed its format for appointing missionaries – some will be long-term, others will be short-term, and still others will be volunteers. There are assignments available for college students and youth, from one week to a year.

This year, under the theme *"To the Ends of the Earth,"* the International Mission Board has adopted a goal of $150 million dollars for the Lottie Moon Offering. With field personnel under appointment of 5,403 and over 25,000 volunteer workers, in 2003 the Board reported over 500,000 baptisms and missionaries engaged 192 new people groups with the gospel.

"There's never before been an opportunity like there is today," says Lloyd Atkinson, IMB Vice President for mission personnel. "We're living in a unique time in history, and God is doing mighty things, we are crossing more barriers." "Pray that more will respond to the call, to help take the Gospel to the ends of the earth. "

God is also working through and among Southern Baptists, as through the North American Mission Board we are reaching America for Christ. In partnership with stat conventions, associations and local churches, we are commissioning more missionaries, putting more money on the mission field and starting challenging new ministries. In 2003, gifts to the Annie Armstrong Easter Offering and the Cooperative Program helped NAMB efforts in church planting, evangelism, strategic cities, disaster relief, Canada and much more.

Statistical information reveals that 33,617 professions of faith were reported by church and community ministry missionaries; hunger ministries fed 3.8 million people with more than 24,000 professions of faith recorded; 1,239 new congregations were established; an estimated 420,000 Southern Baptists participated in short-term projects; and more than 20,000 disaster relief volunteers from 38 state conventions responded to 75 disasters, prepared 2 million meals and repaired 1,300 homes. World Changers summer mission opportunities saw more than 23,400 participants in 87 projects.

With these and other strategic efforts, Southern Baptists are continuing to bring our country to be what we call ourselves, A Christian Nation ~ one that loves and serves the one and only God, Jehovah God, and His Son, Jesus Christ, our Lord and Saviour.

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*
*Let not your heart be troubled,*
*nor let it be fearful.*

# Missions Development Committee Report 2004

Your committee has continued its work throughout the year, encouraging new church starts and seeking to enable new missions to become churches and cooperating entities of the association, and has heard and considered reports from David Oyster, the association's demographic expert. It has also sought land for the location of new churches in areas where church starts are indicated.

Amistad Cristiana, the Hispanic mission of Angier Baptist Church, has grown and completed its progress toward church status. This mission was brought into our association as our new Hispanic Church at the December 2004 Executive Committee meeting. Amistad continues its good relationship with Angier Baptist, and receives adequate space there to conduct its activities. However, it is seeking a building to house its ministry. Rev. Giovanni Solera continues to bring effective leadership to this thriving congregation.

Hillmon Grove Baptist Church continues to seek ways and means of underwriting the new work at Spout Springs. The consensus seems to be that in the near future a church at this location will eventuate. The church has voted to approve the mission, for a chronological plan by which to affect it, and for the calling of a church planter agreed upon by the groups concerned. Commendation is in order for those in the church who have continued to work for the successful beginning of the church.

Much work remains to be done in the encouragement of the churches of the association to take seriously the establishment of new work. The population growth in Harnett County far exceeds the apparent will of the pastors and people of our churches to plant new churches to meet the needs of this growing number of people. Because of this failure, the effectiveness of your committee is greatly limited. The prayer is that our people will become concerned about the unsaved and unchurched people in our area and close the gap.

Prepared by Dr. Eslie R. Phillips
Chairman of the Missions Development Committee

# North American Mission Board
## 2004 Annual Ministry Report

### Our Mission
The North American Mission Board exists to proclaim the gospel of Jesus Christ, start New Testament congregations, minister to persons in the name of Christ, and assist churches in the United States and Canada in effectively performing these functions.

### Our Vision
We see a day when every person in the US and Canada will have the opportunity to hear the gospel, respond with faith in Christ, and participate in a New Testament fellowship of believers.

### Equipping for Evangelism
Many people in the United States and Canada still desperately need Christ. North America's population = 316 million+. Estimates are as many as 224 million of those do not have a personal relationship with Jesus Christ. In the past 10 years, U.S. population grew 13% while the number of SBC churches grew 9 %; number of resident members in SBC churches grew less than 8%. 80% of SBC churches are in the South.

North America is increasingly ethnic/multi-cultural. God is bringing the world to our doorstep. Coordinated with Baptist state conventions & associations, NAMB has developed strategies/resources to aid Christians & churches share the gospel better.

### Highlights of NAMB in 2003
† A total of 198 new chaplains received SBC endorsement through the NAMB. The total chaplain count is 2,407, and more than 15,200 people came to Christ through their sharing the gospel in settings such as prison, military, institutional, and healthcare.

† The Evangelism Response Center is making it possible for trained Southern Baptist volunteers to accept calls from people responding to evangelistic advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. 14,891 calls were received, 406 people made salvation decisions, and 2,558 referrals were made to SBC churches.

† There are a total of 104 NAMB affiliated Pregnancy Care Centers in the USA. Reported statistics in 2003 were: 5,024 evangelistic encounters; 330 professions of faith; 777 babies saved from abortion; 14 were adoptions; and 427 new Bible studies started.

† As a result of Church & Community Ministries, there were 33,617 professions of faith. Literacy missions reported 17 new church starts and more than 700 professions of faith. Through refugee ministry, 473 refugees were resettled. Hunger ministry reported 3.8 million people fed and more than 24,100 professions of faith recorded.

† In 2003, interfaith evangelism held 359 training workshops throughout the US with more than 30,189 people trained to share their faith with other faith groups. New *Belief Bulletins* and *Closer Look* in English / Spanish were added to ww.namb.net/evangelism.

### Assisting in Church Planting

NAMB's goal is to double the number of SBC churches by the year 2020 - a task that will involve helping local churches start 60,000 new churches. For the past 5 years, ethnic and African-American churches have comprised more than half of all SBC church plants in the US and Canada. In 2003, church-planting assistance included:

SBC church plants/new affiliates equal 1,436. Of new works, 650+ are ethnic.

The Nehemiah Project has begun 7 church planting centers at Southern Baptist seminaries, trained and placed 118 people serving as church planters in short and long term ministries. 106 people are serving as interns preparing as church planters.

### Mobilizing Christians

NAMB is committed to providing resources and opportunities that will mobilize Christians and churches to be on mission as volunteers where they live, work, and play.

Southern Baptists continue to volunteer for mission service in record numbers:

An estimated 420,000 Southern Baptists participated in short-term projects.
More than 20,000 disaster relief volunteers from 38 state conventions responded to 75 disasters, prepared 2 million meals, and repaired 1,300 homes.
World Changers summer mission opportunities saw 23,403 participants in 87 projects. 1,197 professions of faith were recorded.

NAMB helped churches and Christians discover their 'fit' in God's mission with principle-based mission education through:

96-year-old Royal Ambassador organization was successfully re-launched, to include a new RA logo and uniform, and both new and redesigned curriculum pieces. More than 130,000 are currently enrolled in RA programs, with 13,000 mentors leading them.

More than 860 churches were involved in 74 On Mission Celebrations in 2003, and more that 267 missionary speakers were assigned to speak at these events.

### Deploying Missionaries

Our missionary count is 5,176. Of this number, 3,245 are missionaries operating under cooperative funding with state conventions and local associations; 1,931 are long-term Mission Service Corps missionaries with two or more years of service.

### Penetrating the Culture

Today, nearly 60% of Americans live in one of the largest 50 cities. Traditionally, Southern Baptists have not effectively addressed the ministry needs in our cities. Strategic Focus Cities (SFC) is a new strategy for allocating spiritual, human, and financial resources to our major urban areas.

. *SFC* efforts in Chicago, Phoenix, Boston, Las Vegas, Philadelphia, Seattle and Miami have seen 47,080 professions of faith during the years 2000-2003. Evangelistic results have been achieved through the outreach efforts of new church plants as well as block parties, sports clinics, VBSs, and World-Changers, through existing churches.

. *FamilyNet* (subsidiary of NAMB) television programs reach 31.6 million households, while its radio audience continues at 2.2 million adult listeners per week--making it one of the largest radio ministries in the United States.

. *FamilyNet* programming resulted in over 8,000 calls to HOPE line, which viewers can call to talk to an encourager about salvation or other spiritual needs, ask questions, and request prayer. The caller also has the opportunity to be referred to a local church.

. NAMB's media teams in Alpharetta, GA produced audience-centered communication to support evangelism, church starting and mobilization strategies. *On Mission* magazine (www.onmission.com), with a circulation well over 100,000, provided practical resources and inspiration for sharing Christ and mission involvement.

. NAMB partnered with International Mission Board to produce/distribute about 20 million copies of mission-monthly-bulletin-inserts used by more than 14,000 SBC churches.

**Supporting the Mission**

Through the faithful giving of Southern Baptists and NAMB's leadership commitment to maximize financial and human resources, the agency has put more money toward the mission field than ever before. In 2003, giving to both the Cooperative Program and the Annie Armstrong Easter Offering@ (AAEO) were commendable. Receipts for the AAEO were a record-breaking $49,650,279.

## Senior Adult Ministry

Over 9 million senior motorists have participated in the A.A.R.P. sponsored Safe Driver's Course since it began 25 years ago. In January 2004, 17 of these were trained in our Associational office. The program provided some useful tips and we have had positive feedback. Our oldest participant, in her 80's, asked several questions and offered lots of input. She was truly the class clown! Since then she has contacted me to ask when the next course was scheduled and again tell me how much fun it was for her.

Members of the Rawls Baptist Church hosted our Annual Fellowship Day in May 2004. Representatives from 24 churches with approximately 300 were in attendance. We have no exact number due to our registration forms mysteriously disappearing. Extra chairs had been placed in the sanctuary. It didn't take long to fill them and a few attendees sat in the choir loft. Pastor Lee Coyle welcomed us with the comment, "It looks like our regular Wednesday night attendance." This day was designated as World Day of Prayer, so we spent some time for special prayers. Of course after our program there was plenty of food served at the Community Center. Thank you, Rawls, you were great hosts and hostesses.

Next years' Senior Fellowship Day is scheduled at New Hope Baptist Church on May 19, 2005. Hope to see all you seniors there!

Joyce Pulliam
Chairman, Senior Adult Ministry Council

## Vacation Bible School Report – 2004

This year was another testimony of what God can do through the many efforts of his people right here in Little River Baptist Association. We have been blessed with our VBS Directors, Tim and Debra Nutt, of Kennebec Baptist Church. They gave us an "early-bird" clinic with a variety of curriculum; then followed that with a great event, VBS Clinic, at Kennebec Baptist Church. There were many folks from our churches who enjoyed learning activities covering all aspects of Vacation Bible School and Backyard Bible Clubs.

We are happy to share that there were thirty-two (32) Vacation Bible Schools and four (4) Backyard Bible Clubs reported. Our Hispanic mission, Amistad Cristiana, held their first neighborhood event successfully, and the LRBA Hispanic Council helped to host a Children's Club at the park in Erwin.

There were thirty-five (35) professions of faith reported, with a number of churches writing that they still had baptisms pending. We rejoice with the all of heaven and give God the glory for a wonderful VBS harvest in 2004.

# ASSOCIATIONAL WMU REPORT 2004

Learning about missions-supporting missions with prayers and gifts-doing missions-teaching others about missions-and developing spiritually into a missions lifestyle. That is what **W**oman's **M**issionary **U**nion is all about, and that is exactly what WMU has been about in Little River Baptist Association this year. We have been thrilled to see that several new mission groups have been started, including several new GA groups, a Youth on Mission Group, etc.

Our mission outreach has been extensive; from providing more Care Bears for Womack Hospital, health kits for migrant children, medical kits for the Belarussian children, Christmas cards for the prisoners in Harnett Correctional Unit, deodorant for the Christmas boxes for women prisoners, bagged lunches for the special needs children, to going on mission trips. Many of our women were involved in mission trips with their individual churches, and three of our ladies went on MissionsFest trips to West Virginia and Massachusetts.

We always grow spiritually at our annual prayer retreat and this year was no exception. 110 women were at Caraway for the retreat in May. We also grow as we meet together and pray for women around the world at our Women's Day of Prayer meetings in November. The offering taken at those prayer meetings goes to support women's work through the Women's Department of the Baptist World Alliance.

Growing in fellowship is always important to us, and we certainly do this at our annual Pastor's Appreciation Banquet, as we show our pastors how much we appreciate them and their emphasis on missions in the individual churches. Fellowship was the key theme as we had our own *Women's March Madness,* in March 2004. What a lot of fun we had at Coats Baptist Church centered around the theme of sports and games.

We were challenged at our annual meeting in May 2004, to become more involved in the ministry of Restorative Justice. Our speaker, Margaret Harding, of the State WMU Staff, told us of the ministries reaching out to prisoners and all those involved in the Criminal Justice System. A former prisoner, Dorothy Maroney, shared her testimony in word and in song. What a witness to the power of Jesus Christ to change lives!

A survey of all the churches in Little River Baptist Association revealed that almost all of them have some kind of missions emphasis. Our goal as an associational WMU is to help and encourage our churches to continue in these efforts and grow as we start new ones. We have the resources, training, and desire to see more of our people involved in all aspects of missions, and are so thankful to God for giving us the opportunities to do so.

Respectfully Submitted,
Dorothy Barham, Associational WMU Director

# Campbell University Divinity School
## Christ-Centered, Bible-Based, Ministry-Focused

Fulfilling a 25-year dream, Campbell University Divinity School opened its doors on August 19, 1996 as the sixth school of Campbell University. Building on the heritage and reputation of Campbell as an outstanding Christian liberal arts university, the Divinity School's unique mission is to educate Christian ministers for the 21st century who are intellectually prepared, spiritually mature, and capable of inspiring and leading churches to fulfill their unique role in the world.

Earning the highest accreditation in theological education in 2002, the school strives to provide quality education that is Christ-centered, Bible-based and Ministry-focused. The Divinity School offers the Master of Divinity, Master of Arts in Christian Education, and the Doctor of Ministry degrees. The Divinity School family brings together God-called men and women from multi-ethnic groups, various walks of life and different Christian faith traditions to equip them for ministry in God's name. That preparation is not only limited to academic study but also includes an emphasis on personal growth and spiritual formation in a holistic approach to learning. Current enrollment is 206 students in graduate degree programs. Graduates number 215, serving in 15 states and seven additional countries.

# A Brief History of Buies Creek First Baptist Church

Buies Creek First Baptist Church began in 1875 as Buies Creek Baptist Church with the Rev. Mr. Allen Betts as pastor. One year prior to the actual formation of the church, a Sunday School was begun in a small schoolhouse located near the present church. A local couple, Mr. and Mrs. James Gregory, donated the land on which the first church was built in 1876 from lumber cut and hauled from the old Reuben Matthews Mill. When the congregation outgrew its original building, it relocated to its present site.

The name Buies Creek was first applied to the church. About the turn of the century, when Dr. J. A. Campbell was serving as the church's second pastor, the town took its name from the church and became known as Buie's Creek. The apostrophe was dropped from the state map in the mid 1900's. The word "First" was added to the church's name in 1968.

The present sanctuary used by the church was started in 1913 under the leadership of Dr. Campbell and completed in 1914. A parsonage was built in 1947 with the church's third pastor, Dr. A. Paul Bagby. The parsonage was sold in 1995, and a housing allowance was given to the pastor.

Other pastors who have served the church family along with Rev. Allen Betts and Dr. J. A. Campbell have been Rev. Charles B. Howard (the church's first full-time pastor who served for eleven years), Dr. A. Paul Bagby, Dr. J. William Angel, Rev. E. Weldon Johnson, Dr. John Rogers, and Dr. J. Michael Simmons, the present pastor who has served since 1995. Each pastor has contributed in his own way to leading the church forward in its ministry to the community and the world. Many of its pastors have served either as a professor or an adjunct instructor at Campbell University.

**History of Buies Creek First Baptist Church, Continued**

The church has always had close ties with Campbell University since it began as Buies Creek Academy in 1887. The church is affiliated with the Southern Baptist Convention, The Baptist State Convention of North Carolina, The Little River Baptist Association, and The Cooperative Baptist Fellowship. Throughout its history, the church has had a great desire to take the gospel to the world. Mission projects are conducted regularly in both the United States and many countries around the world. In addition, the church has established a scholarship to the Campbell University Divinity School.

It is the belief of the congregation that God called Buies Creek First Baptist Church into existence and placed it in a unique location to minister to the community, the university, and the world. With Campbell University across the street, the world has come to the door of the church. With a rich heritage behind it, the church is moving forward into the future carrying the gospel of Jesus Christ to everyone it can, seeking to honor His name.

## A Brief History of First Baptist Church of Erwin

In 1903, a mission church was organized, and the Reverend D. P. Robbins was called as our first pastor. The church was known as Duke Baptist Church, meeting under the trees located where the east gate to Erwin Mill stood. Mr. Robbins immediately began plans for a house of worship to be constructed on a lot (our present site) provided for us by the mill.

There were eleven charter members. Records of the Twenty-Eighth Annual Session of the Little River Baptist Association, held in Wake County at Piney Grove Church, October 23 - November 1, 1903, stated that the Duke Baptist Church, Duke, N. C. had been admitted, and payment of one-dollar associational dues had been paid.

Our first church building was completed and dedicated in 1906 during the pastorate of the Reverend J. A. Campbell. It was a wooden frame building, constructed at a cost of five thousand dollars. This building stood on the corner where our present adult departments and library now stand. There were mixed feelings of sadness and pride with some of the older members when the first little church was torn down to make room for the new structure; but they rejoiced in what the Lord had enabled them to erect for His glory and in order for them to have a comfortable place to worship.

Duke Baptist had several preachers between 1906 and 1914. During the Reverend Frank Hare's ministry from 1911 to 1913, plans were drawn up and funds were raised to add a baptistry to the original building. The baptistry was completed in 1914 under the leadership of Reverend S. W. Oldham, who was the first minister to use the new facility. Prior to the new baptistry being added, baptizing had been held at the old Fowler's Mill Pond near the village. On April 26, 1926, the name was changed from Duke Baptist Church to Erwin Baptist Church. This was done following the change of the town's name from Duke to Erwin.

## History of First Baptist Church of Erwin, Continued

As the church continued to experience great growth, improvements and additions were made, such as constructing extra classrooms to accommodate the increasing number of members. Plans for a new three-story educational building began materializing, and construction started in 1937. This building would take care of the needs of the Sunday school at that time. On May 26, 1940, after a lot of fundraisers, solicitations, and donations of time and money, the new building was dedicated. Our present education building, erected on the site of the original church building, houses the adult departments of the Sunday School, the Fellowship Hall and the church library, history room and storage rooms.

In 1943, the Reverend Forest C. Maxwell launched a new campaign to complete the building program at Erwin Baptist. There would be no more benefit suppers, plays, etc., no solicitations, but instead we would do what the Bible said to do – tithe. Under this plan the new sanctuary was completed in 1950 at a cost of one hundred twenty-five thousand dollars. Later in the 1970's, a pre-school, nursery, and youth building became a reality due to the growth we continued to experience.

In the 1930's great progress was being made in the East Erwin area. A Sunday school was organized in 1935 in the area. Members from Erwin Baptist Church were involved in assisting and promoting the work of the East Erwin Mission, which was admitted by the Little River Baptist Association as an organized church in 1939.

Under the leadership of Erwin Baptist Church, another Sunday school was begun in 1947. This Sunday school became a Mission Church in 1950 and was known as South Erwin Baptist Church.

Today we continue to serve the Lord through the different ministries and programs we have at First Baptist Church of Erwin: WMU; Brotherhood; the different Circles; the XYZ Club (Xtra Years of Zest); RA's and GA's; the wonderful Music Ministry which includes an Adult, Children's, Adult Handbell, Youth Handbell Choirs and a contemporary singing group. Through these many ministries and programs we are able to support missions, continue our outreach programs, visitation, soul winning, and provide Christian teaching to all age groups for their spiritual growth.

As one of our most beloved pastors, the Reverend Colie E. Rock stated, "Let us be inspired, encouraged and challenged to emulate the faith of our forefathers that we may be one with them to.....*'holdfast the profession of our faith without wavering; considering one another to provoke unto love and to good works…*'(Heb. 10:23-24)."

# Little River Baptist Association
## Historical Report
## 1996 - 2006

This year, 2006, marks the tenth year that the Reverend Daniel M. Deaton, Jr. has served as Director of Missions of the Little River Baptist Association. Needless to say, these have been exciting, progressive, and fruitful years. Much has been accomplished in extending mission opportunities and projects sharing the gospel, love and compassion of our Lord Jesus Christ in our association, our state, our nation, and in many places in the world.

The Belarussian Children's Program had just begun when Dan came on board. He embraced it with much enthusiasm. Over the past ten years, this important program has served 242 children. Families have opened their homes to the children for six weeks, providing a Christian environment of love and allowing these children to receive good food, dental and eye care.

Partnership programs abroad have included South Africa, where LRBA teams have made four trips serving in the construction of two churches, evangelistic outreach and services, church-training, children's clubs, and a medical-eye ministry. Dr. Kenneth Talley, a local optometrist, joining missionaries, Dr. & Mrs. Robert Barbe, formed the new eye-ministry team. Another area of service has been Honduras, where six trips were made with teams doing construction on church pews, a Baptist camp, and a health clinic. Teams also worked in Vacation Bible Schools, and evangelism. Eye clinics were carried out and support for a children's feeding program was begun, and continues today. Several hundred new believers in Christ are the result of both S. Africa and Honduras missions. In North Pole, Alaska, an LRBA team served in evangelism and church training. In 2005, LRBA entered into an Armenian partnership, agreeing to support a church planter, purchasing a building for church renovation and planning of future team trips. In all these mission projects, Dan has been in the forefront providing leadership, vision, and encouragement. In fact, he has gone on several of these trips himself.

Mission opportunities have also increased greatly nationally and locally during these ten years. A trailer was purchased and stocked to aid in Disaster Relief. Many trips have been made by LRBA churches utilizing this trailer, including trips to eastern North Carolina in the aftermath of hurricanes Fran and Floyd. Trips have been made to South Carolina, Florida, and most recently to Gulf Port, Mississippi, which was devastated by hurricanes Katrina and Rita. A Hispanic Mission, in partnership with Angier Baptist Church, was established. This mission has now been moved to church status under the excellent leadership of Pastor Giovanni Solera. The NC Baptist Men's Medical/Dental Bus has been used in ministry to Hispanics in our area. Scholarships funded by LRBA for Hispanic Pastoral Education are being awarded by Campbell University. An "On Mission Celebration" was held in our churches in 2002 with a second one planned for 2007. One ministry close to Dan's heart is Vacation Bible Schools and Back Yard Bible Clubs. In the past ten years some 767 plus decisions for Christ have been made in these two areas. A tremendous asset to Harnett County has been the establishment of the Harnett Family Life Center that is now opened two days a week. People from all walks of life are now able to receive counseling by competent, well-trained counselors. Another great ministry established that meets a tremendous need is the Truck Stop Ministry. Currently four chaplains are serving and to date have given out some 9,000 plus Bibles/Testaments to truckers.

**Historical Report, Continued**

Two new churches have been started from mission churches; The Overhills Community Church and The Amistad Cristiana Church. At present there are three mission churches: Holland Community Baptist, Kingdom Builders of Christ, and Spout Springs Baptist Missions. We look forward to these missions moving to church status.

Associational mission involvement has been instrumental in encouraging local churches to become increasingly involved in missions. In 2004, fourteen churches sent out individuals and teams 48 times to places of need in the state, the nation, and the world. Places in the world included Mexico, Jamaica, Alaska, Ecuador, Armenia, Honduras, Romania, South Africa, and China. This is amazing!

The continued increase in funds from our churches and other sources has been a major factor in the completion of these many mission endeavors. In 1996, the regular and designated receipts received by the association were $172,264.85. In 2005, the regular and designated receipts received were $215,045.22. The Growth Endowment for Missions established in 1997 will be of increasing importance to the association. It is now worth approximately $25,000.00. Establishing a Web Site, increasing communications via all avenues and increasing the LRBA Resource Center have enabled the Association to be more effective in its mission.

Little River Baptist Association has a bright and challenging future. Again Dan, thank you for your leadership, vision, enthusiasm, and encouragement. May God bless you and your family as you lead us into the future.

Respectfully submitted,

Frank Neville

# Anderson Creek Community Church Ministry Center Report 2004-2005

God has richly blessed this mission endeavor again this year. We have had several new folks volunteer to work in the Ministry Center this year; we have received two food grants this year totaling $6,000.00 dollars, and we were able to assist almost 1500 different individuals with their food and clothing needs. Many of these individuals were helped more than one time. I personally believe that a conservative estimate would be that we have been able to provide over 22,000 meals for these folks and their families.

For several reasons we have decided not to reapply for the grant that we received from the Baptist State Convention to help with food purchases this year. The main reason for this decision was the major effort by the Baptist Men to provide for the hurricane victims in the Deep South this year. The need just seemed much greater there at this time. But this means that we will depend more on our local brothers and sisters in Christ to help us this year. We would appreciate any canned goods or dry goods that you would be able to donate to our food bank this year, but more importantly the folks who come needing emergency assistance would appreciate it.

Thank you for your prayers and support this past year.

Respectfully,

*Rev. Ralph Darch*

## Office of GuideStone Financial Resources for the Baptist State Convention of NC

The name change from the Annuity Board of the Southern Baptist Convention to GuideStone Financial Resources, SBC, became official with action at the annual convention in Nashville, TN, in June of this year. With the name change comes a renewed effort from the national agency and the individual state conventions to service more effectively the needs of church employees relating to retirement, insurance, planning financial support, church and clergy tax issues, etc.

In an ongoing effort to provide a variety of insurance products priced competitively to meet the diverse needs of our constituency, GuideStone continues to negotiate with insurance providers for the best price. Moving to Blue Cross/Blue Shield Highmark as the primary provider and to the Blue Cross/Blue Shield national network has saved millions of dollars this year for our churches and church employees. Unfortunately, pastors and employees of our smaller churches (less than 10 employees) are at the greatest disadvantage because of the requirement to prove evidence of good health in order to qualify for coverage. We continue to encourage new students in our divinity schools, Bible institute, and seminary to take advantage of the 31 day open enrollment period commiserate with their first time enrollment in one of these schools.

The need for retirement planning among our church employees continues to be a challenge which must be met through meaningful educational experiences. The most difficult task is getting the appropriate information to key decision makers in our churches---church treasurers, budget/finance committee members, personnel committees, deacon chairs, etc., who determine what retirement benefits, if any, the church will provide for their pastors and other church employees. Many of these key leaders are unaware of the protection benefits—disability and survivor—in the Church Annuity Plan, which are **provided at no cost** to North Carolina retirement participants who meet the eligibility requirements. During calendar year 2004, 964 disability checks totaling $459,166.09 and 15 survivor checks totaling $328,655.38 were sent to North Carolina church employees and their families.

Without question the most disturbing part of my work is the large number of pastors who come to retirement with social security as their only source of income. This is especially sad for those who have served our churches for many years and have little or **NO** retirement monies to rely on in their latter years. Presently, GuideStone is providing financial assistance on a monthly basis to 244 retired pastors and church employees here in North Carolina through the Adopt An Annuitant and Relief Ministries.

Finally, it is our desire to increase the level of retirement participation from 5,165 participants in 2,354 churches, which represents 61% of our NC churches as of June 30, 2005, and to serve all of our churches and their employees with the appropriate products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 320 or 321, visit our Web site at www.northcarolinabaptists.org, call GuideStone at 1.800.262.0511, or visit the GuideStone Web site at www.GuideStone.org.

# BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

## (July 2004-July 2005)

***Celebrating our past...charting our future!*** Baptist Children's Homes has set its sights courageously toward the future as it observes 120-historic-years of service. Since 1885 when 9-year-old Mary Presson was admitted as a child in care, Baptist Children's Homes has been a beacon and a haven to children. Baptist Children's Homes has touched thousands upon thousands of lives, never afraid to meet the ever-changing needs of children and families, yet never wavering from its fundamental mission.

In the dawn of a new millennium, Baptist Children's Homes stands poised. BCH proudly charts an exciting pathway to the future through its new strategic plan: *GuidingStar. . . Illuminating the Lives of Children and Families.*

Lives are miraculously changed. Tears of boys and girls evaporate, and hopeful smiles bloom. Through the remarkable efforts of North Carolina Baptists and the love and leadership of God, Baptist Children's Homes continues its mission of *helping hurting children. . . healing broken families* - offering the promise of a better tomorrow to those we serve now and in the years to come.

***GuidingStar Defines Bold Path****. . .*After a year-long effort led by BCH President Michael C. Blackwell, Baptist Children's Homes launched *GuidingStar...Illuminating the Lives of Children and Families.* The new strategic plan was approved by the Trustees in their September 2004 meeting and was officially introduced in February of this year. Comprised of defined core values and determined focus, *GuidingStar* was created with essential input from all BCH staff. Blackwell's vision was to create a strategy that could be utilized for years to come.

***Family Gathering II Celebrates 120 Years****. . .* "Family Gathering II" brought together all staff members and children from Baptist Children's Homes facilities statewide to celebrate the agency's 120th anniversary. The historic day was held on June 14, 2005, at Mills Home in Thomasville and was only the second time the entire "BCH family" has gathered at the same time and place. Everyone participated in a day of games, singing and a worship program in the campus church.

***North Carolina Baptists "Roundup" Food For BCH...*** The "Food Roundup" was held in April 2005 for the second time in three years. North Carolina Baptists poured out their support by collecting, sorting and delivering essential food and supplies for all BCH's geographic areas. Associations reported church participation was high as Directors of Missions allowed their offices to become key collection points for donations. Volunteers donated their time to help sort and count the food.

***Many Voices, One Story****. . .* This year's Thanksgiving Offering theme, "There For Me" represents the pivotal role individuals play in the lives of hurting children. Baptist Children's Homes represents the outstretched hands of God, supported by North Carolina Baptists through their prayer and financial support. BCH staff lends their lives and their hearts daily to care for the physical, spiritual and emotional needs of boys and girls. Just as Jesus proclaims in the scriptures, "I will never leave you nor forsake you," dedicated friends have made the same promise to the children who walk through BCH's doors. It is only through North Carolina Baptists' support and commitment that BCH can continue to make a difference. This year's statewide Thanksgiving Offering goal is $1,350,000. This represents a $50,000 increase from last year. Challenge your church to participate in the 2005 Thanksgiving Offering.

***Breaking New Ground***...Baptist Children's Homes continues to make a difference around the state. On September 26, 2004, BCH broke ground for two new Developmental Disabilities Ministry group homes in Zionville. "Joy Cove Ministries," the homes for adults with developmental disabilities, are currently under construction on the original Camp Joy property near Boone. . . Three BCH direct care staff became the first child-care workers in the state to be professionally certified through the Children and Family Services Association - North Carolina. Two other staff members received certification to train additional child care workers for professional certification. . . Groundbreaking for the Alverta Bolick DDM group home in Asheville took place on November 30, 2004. The home is under construction. . .A "Laying the Foundation" ceremony on February 9, 2005 celebrated the building of the Harmony Home DDM residence in Dunn. The home was built in cooperation with Housing and Urban Development and Harnett County's Association for Retarded Citizens. . .The building of Kennedy Home's new education center was commemorated with a groundbreaking ceremony on July 3,2005. In partnership with Lenoir County Schools, the facility will house the specialized education program serving Kennedy Home residents and other students from the community.

# Baptist Foundation, Little River Baptist Growth Endowment Fund Report – 2005

Our Little River Baptist Association Growth Endowment is beginning to be significant. This year we will have $1,177.62 to spend for missions. The Growth Endowment for LRBA is not designed to solve our problems of next week. It is designed to help support missions through LRBA years down the road. There is no reason to think that the need for mission funds will decrease. Almost surely the need will be greater in fifty or one hundred years than it is today. We cannot go back one hundred years and start an endowment program, but we have started a program **now** that will really be significant in our future. If we never add any more to our LRBA endowment than we now have, 100 years from now it will be worth over $1,000,000.00 and will yield about $43,428.00 to spend on missions that year. Twenty years after that, it will double again. Actually, it will be more than that, ***BECAUSE***, people are adding more to the endowment every year!

**There are several ways that people are helping the endowment grow.**

1. **We know we will never spend all of the income. One-half of the earned income from the endowment is plowed back into the endowment for growth. This means it will double about every 20 years.**
2. **Some people have made direct gifts to the endowment which gives them a tax saving and the feeling of supporting missions now and forever... That's a long time!**
3. **Some have set aside funds now that will pay them 5, 6, or 7% per year to live on for the rest of their lives, and then pay the same percentage to their children for 20 years, and then after that time, pay the same percentage to the LRBA for mission projects forever.**
4. **Some churches are developing endowments for their own church and then giving 10% of the income from their endowment to LRBA Growth Endowment to help carry on associational missions forever.**
5. **Some are including LRBA Growth Endowment in their wills so that after we leave this life, some of our lifetime earning can carry on the work of the Lord annually until he returns. A tithe of an estate to the Lord's work through a will can perpetuate His work annually forever.**

When we pray, let us ask God what He would like for us to do with our worldly possessions that we cannot take with us. **Can we find a good reason or excuse not to tithe an estate?** If questions arise, feel free to call one of your Endowment Trustees.

BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951

## 2005 North Carolina Offering for Older Adults Celebrates Joyful Lives of "Homes" Residents

The 2005 North Carolina Offering for Older Adults and Week of Prayer will be observed February 6 - 13. The theme for this year's Offering is "Expressions of Joy: Senior Lifestyles that Make a Difference." Offering materials focus on Graham and Gertrude Madison, who are 15-year residents of Brookridge Retirement Community in Winston-Salem. By their enthusiasm and willingness to serve, Graham and Gertrude add pleasure and vitality to the lives of all who know them. This year, Graham celebrated his 100th birthday, becoming one of several Baptist Retirement Homes residents who have achieved this milestone in longevity.

**Thank you, North Carolina Baptists!**

One of the joys of aging is the security of knowing that you will be loved and cared for at every age. At Baptist Retirement Homes, birthdays are joyful occasions. Residents celebrate, knowing their care will continue even if their years outlast their resources.

For more than 50 years, Baptists across the state have been partners in serving Seniors through the North Carolina Offering for Older Adults. Because of your support, the Homes can keep its promise to provide its residents a "home for life." All monies from the Offering are used to care for residents who do not have the resources to pay for the assisted living or nursing care services they need and deserve. The goal for this year is $450,000.

To support churches in their observance of North Carolina Offering for Older Adults/Week of Prayer, Baptist Retirement Homes is sending packets of materials, which should arrive in early January. Also, administrative staff members and Trustees of the Homes look forward to visiting churches to participate in worship services or lead weeknight sessions. Churches may order additional printed materials or request a speaker by completing the Materials Request Card found in the Offering packets, or by calling Emily Reaves (336.725.0202) or by e-mailing her at ereaves@brh.org.

# Baptist State Convention of North Carolina

ANNUAL REPORT

John Butler, *President, Board of Directors*

George Bullard, *Acting Executive Director-Treasurer* September 2005

## NC Baptists FaithSoaring During Leadership Transition

Change can drag behind us like an anchor or lift us like a balloon.

Executive Director-Treasurer Jim Royston's move to the pastorate of First Baptist Church, Mooresville in September 2005 will be a change catalyst in the life of the Baptist State Convention of North Carolina. George Bullard, named acting executive director-treasurer by the Executive Committee in July, assures North Carolina Baptists that "your staff will soar during this interim period, both in current work and plans for the future."

Royston held the office for nearly eight years and will be recognized for his service during ceremonies at the Baptist State Convention annual meeting Nov. 15.

"We will continue to resource North Carolina Baptist congregations, to plant churches, train workers, nurture partnerships and to answer questions," said Bullard, Royston's associate for two years. "I have every confidence in our future, and in our ability to move forward with purpose and direction during the interim."

Peninsula Baptist Church Pastor Robert Jackson will lead a 14-member search committee.

While the change revolving around Convention leadership garnered the most attention in 2005, the deep, steady work of your Baptist State Convention continued to flow.

Operating under the mandate to resource congregations, Convention staff interacted with thousands of people from hundreds of churches and dozens of associational partners. From core efforts to plant churches, partner with state conventions in more unchurched populations, provide Christian education and benevolent care and offer dozens of training opportunities in every area of church ministry, Convention staff also have been creative in nurturing new avenues of ministry.

Thousands of young people every summer are confronted with the choice of life changing commitments in the inspirational setting of camps and conference centers. **The North Carolina Baptist Assembly at Fort Caswell, Caraway Conference Center, Camp Caraway, Mundo Vista and Truett Camp**-each in its unique way - host hundreds of groups who flock to these places to listen, learn, participate and be inspired by program professionals and personalities.

**Hollifield Leadership Center and Lake Hickory Learning Communities** host some of the best and brightest 21st century Christian ministry thought leaders for a series of learning experiences to build capacity among various learning communities. These communities have formed around the areas of **Christian Leadership Coaching, Sustaining Pastoral Excellence, Spiritual Strategic Journeys, and Congregational Transformation Experiences**.

**BSCNC Missions Report, Continued**

Because many churches cannot sponsor a new church start by themselves, partnerships are vital for progress. **The Associational Partnerships Team** believes associations have a great opportunity to make significant and positive impact on local Baptist churches today. Within one hour of blasting an email promotion of Eddie Hammett's new book *Spiritual Leadership in a Secular Age,* nine orders for it were placed through the bookstore on the www.northcarolinabaptists.org website.

Finding new ways to communicate effectively with a diverse, geographically distant constituency is a constant challenge for the **Public Relations and Resource Developme**nt group at the Baptist State Convention. From the new website, to lobby furniture in the Convention Staff Building in Cary, to audio and video magazines, media relations and the content of every promotional piece for every seminar and training event by convention staff, public relations tries to communicate a consistent message.

**Cooperative Program Missions Giving and the North Carolina Missions Offering** under gird all mission and ministry activities of Baptist State Convention staff. Mike Creswell, senior consultant for CPMG promotion, has created the 1-3-6 Challenge to North Carolina Baptist churches challenging them to increase their percentage giving by one percentage point within the next three years.

North Carolina is swelling with people, and many new Baptist churches are needed to provide a place where people can discover genuine love and faith. The **Church Planting Team** works with new church planters, trained mentors, sponsoring churches and Baptist Associations to help train church planting pastors and plant new churches where they are needed.

Members of the **Mission Growth Evangelism Team** minister to college students as they begin a new chapter in their life on a college or university campus. **The Church Growth Team** operates approximately 40 different ministries in helping NC Baptist churches reach out to the lost in their communities and in resort areas, including reaching cowboys and motorcycle riders. **Lay Renewal** is seeing renewal as testimonies of lay led events revitalizing churches warm our hearts.

Fruitland Baptist Bible Institute now offers classes in Spanish, and an academic partnership has been established with the college at Southeastern Seminary.

A basic "Prayer, Care & Share" evangelism strategy plan for churches and associations is available via the Evangelism office.

A **prayer affinity initiative** with Wyoming Baptists provides strategic prayer journeys in Wyoming, prayer walking and traveling across the state.

Too many pastors are retiring with no source of support, often because pastors and church lay leaders are unaware of the protection benefits- disability and survivor-in the **Church Annuity Plan**, which are provided at no cost to North Carolina retirement participants.

**Congregational services teams** help congregations discover and move into their futures. Only churches that see themselves into a vital, growing, active future will move toward it.

One of the partnership methods is Christian coaching. Coaching assumes that a unique "solution seed" lies within every challenge.

Coaches are being trained, and coaching is coming into its own as a way for trained and caring individuals to come alongside a congregation and its leadership to help them discover and live into their own futures.

## BSCNC Missions Report, Continued

Besides growing ministries among military families with a deployed member, in 2005 the Baptist State Convention began a chaplaincy ministry directly related to teams providing disaster relief.

**The Church building consultants** did dozens of on-site, personal consultations. **Pursuing Vital Ministry** is a congregational journey of discovery that involves the passionate core of your church to develop a future story to which your congregation will live into. Pastors learn to trust, as one did, that "people had keen insight and God was speaking to their hearts about the future story of (our) church. It involved a journey that would help us reach the point of discovering God's vision for the church and help us to live into that journey."

**Preschool and Children's Ministry Certification** trains workers and staff to meet the challenges of this culture. It also teaches ways to minister to children and families outside the church family, even forging relationships with local schools.

After North Carolina legislators passed a lottery bill in September, **Council on Christian Life and Public Affairs** Director Steve Sumerel says the battle now is to mitigate the social ills that a lottery will bring.

Hurricane Katrina sharply focused one of **North Carolina Baptist Men's** significant areas of work. Disaster relief is just one of 14 ministries of Baptist Men.

**Woman's Missionary Union of North Carolina** sponsored CrossWalk North Carolina, in which associational groups literally carried a large cross the length of the state, with a grand finale held May 13-15, 2005, at Caswell. Over 7,150 youth in more than 61 associations were involved.

WMU also was at the heart of a national Triad MissionsFEST/FamilyFEST, in July in the Central Triad, Piedmont and Pilot Mountain associations. It was the largest event of its type involving over 700 volunteers from 15 states in missions.

The ministries of Baptist Men and Woman's Missionary Union are funded by gifts to the North Carolina Missions Offering.

North Carolina Baptist social services agencies, the **Children's Homes, Retirement Homes and Hospital** continued their service to "the least of these" who need a caring touch during a moment, or a decade of trauma.

Other teams from **Bible Drill**, to **personal evangelism**, to **multicultural and language ministries**, to **business services** and **week-day education, music and all state youth choir** and **Sunday School** and others also employed active, effective ministries in 2005. These called, trained Christian professionals are your team helping to mobilize Baptists for ministry.

The mission and ministries your Baptist State Convention provides, in partnership with churches, associations and national bodies, are made possible by gifts through **Cooperative Program Missions Giving** and the **North Carolina Missions Offering**. Each association receives 10 percent of NCMO gifts given by churches in that association.

Your Baptist State Convention staff is eager and ready to resource your congregation. Contact them at 800-395-5102 or through the web at www.northcarolinabaptists.org.

You can write to 205 Convention Drive, Cary, NC 27511.

### LINKING TOGETHER TO IMPACT THE WORLD

Like all institutions of higher learning, your Baptist colleges and universities - Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate provide education for their students. But what makes our Baptist colleges and universities unique is their mission.

Education with a mission is training and developing knowledge, skill, mind and character with a special purpose. This special purpose is to encourage and enable students to use expanded knowledge, enhanced skills, improved minds and enriched character to impact the world for good in keeping with their faith commitment to God through Jesus Christ.

Thanks to your support for Christian Higher Education, the Baptist State Convention provided financial aid to 550 North Carolina Baptist students in the amount of $1,174,922 in 2004. These students received an average of $2,136. From Little River Association 9 students received scholarship aid. These students came from the following churches: Angier, Baptist Grove, Buies Creek First, Coats, Dunn First, Memorial and Trinity.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are impacting the world for good and for God.

# International Mission Board Annual Report 2005

Southern Baptist churches – working through their International Mission Board – are seeing amazing progress toward meeting the challenge of global missions. They continue to press toward a goal of seeing all un-reached peoples with a population greater than 100,000 engaged with the gospel by the end of 2005.

During 2004, IMB missionaries reported that they engaged 163 people groups with the gospel for the first time – 131 of which were un-reached. However, thousands of un-reached people groups are still not currently engaged by IMB or its partners. For them to have an opportunity of hearing the gospel, more missionary personnel must be sent, more volunteers must be involved, and many more SBC churches and partners around the world must be mobilized.

One key to taking the gospel to the un-reached lies in South Asia, home to more than 1.3 billion people. During 2004, a 3-year emphasis on reaching South Asian peoples was launched. Missionary personnel assigned there have increased in number dramatically, and Christians are being effectively mobilized to reach the un-reached peoples of that great region.

During 2004, IMB missionaries and their overseas Baptist partners reported more than 21,000 new churches and baptized more than 600,000 believers. Affiliated church membership reached a total of more than 7.45 million believers. The IMB is now tracking possible church-planting movements among approximately 50 people groups.

Southern Baptists responded beautifully when the IMB was forced to limit the appointment of new personnel because giving from the churches was not keeping pace with the numbers of church members coming forward for overseas service. They gave $136.2 million to the 2003 Lottie Moon Christmas Offering® – an increase of 18.42 percent over the previous year. Of the 749 new missionaries sent in 2004, 304 were appointed as long-term workers, bringing the total number serving in that category to 4,000 for the first time. At the end of 2004, the total number of missionaries serving through the IMB was 5,165.

The IMB continues to expand the ways it serves Southern Baptist churches and partners as they fulfill the Great Commission. Personalized relationships between churches, partners, overseas personnel and people groups are being facilitated, and the board is providing churches with coaching and resources that allow them be strategically involved.

Southern Baptists also responded to hunger and relief needs in more than 60 countries through 225 projects financed with more than $5.7 million from the World Hunger and General Relief funds. These "kingdom development" projects provided missionaries many opportunities for "ministry evangelism" (Matt. 22:37-40) with literally millions of people – many of them members of Un-reached People Groups. Field personnel intentionally designed comprehensive church-planting strategies into each project.

God has called His people to proclaim His name among all peoples. Yet a total of 4,992 people groups live in The Last Frontier – the part of the world with little or no access to the gospel. 1.6 billion people have virtually no chance of hearing the good news of Jesus Christ.

God is using Southern Baptists, however, to carry the light of Jesus to people groups in spiritual darkness across the globe. Your gifts to the Lottie Moon Christmas Offering and the Cooperative Program help dispel that darkness – so all peoples may know Him.

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the ONE our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*
*Let not your heart be troubled,*
*nor let it be fearful.*

# Missions Development Report 2005

In looking at the projected population increases for the next five years for Harnett County, the Missions Development Committee of LRBA issued a request throughout the association for possible land acquirements. Little River Association is seeking potential land purchases in new growth areas now, before real-estate prices make new church locations prohibitive.

Our newest church, Amistad Cristiana, a Hispanic church in Angier, relocated into their own facility in July 2005. This property purchase was made possible by the help of Little River Baptist Association and the Baptist State Convention of N.C. It is anticipated that the Amistad church family will assume the payments of the new facility and utilities. Various LRBA churches contributed resources and time for the needed renovations of the property. The WMU and Amistad Cristiana together held an Open House for all LRBA family. We are thankful for the progress of this growing Hispanic church.

God brought a pleasant surprise to our association in August 2005. Reverend James Clark contacted LRBA to see if we were receptive to his new church plant being affiliated with us. A group made up of appropriate Baptist State Convention and LRBA representatives met with Rev. Clark to discuss doctrine, theology, and Baptist practices. It was decided to bring Rev. James Clark and his new church start, Kingdom Builders of Christ, to the next Executive Meeting. At that meeting, Sept. 16, 2005, a motion was made to adopt Kingdom Builders of Christ as a new mission of LRBA with its existing pastor, Rev. James Clark as a church planter. A budget was approved and funding began from both LRBA and BSCNC on a monthly basis. Rev. Clark addressed the association at the 130th Annual Meeting, session one, at Buies Creek in October. Multiple LRBA churches joined in a Backyard Bible Club, literature support, and Christmas giving for Kingdom Builders of Christ Baptist Mission. Kingdom Builders is located at Eagle's Landing off of Hwy. 27 West.

October brought another new church planter to Little River Baptist Association. Rev. Steve Davis came to begin serving at Spout Springs Baptist Mission. This mission has been a focus in the western part of our county for several years. Hillmon Grove Baptist Church is the mother church, with funding being shared with BSCNC and LRBA also. Rev. Davis also addressed the fall Annual Meeting with a video of the projected area and vision. A core group for this mission is forming, and plans are being made for an Easter, 2006 launching. Spout Springs Baptist Mission is located on Hwy. 87.

The Missions Development Committee is grateful to God for these new church plants in 2005. They will definitely help us to reach our growing communities. We find ourselves, however, in a drastic situation with the projected population increase as much as 25% in the next ten years. We cannot allow ourselves the luxury of waiting until the end of the ten-year period to begin new church starts. Plans must be made now for acquiring land for site locations. In order to have the same church-to-population ratio as in 1970, we would now need 35 new churches. We find ourselves in need of prayer, vision and provision for the next decade and beyond.

***"Touching Lives With Hope"***

### FOUNDED TO SERVE

In 1921, North Carolina Baptists were led by God to establish Baptist Hospital. Our mission, 'to provide and advance excellent health care, embracing the healing presence of God,' reflects our Christian heritage and sincere commitment to each person we are privileged to serve."

N.C Baptist ministers and their families receive a subsidy of up to 25% on their hospital bills for care at Baptist Hospital. This is made possible by the Hospital's W.K. McGee Patient Service Fund, with support from the Mother's Day Offering as needed. Nearly $80,000 was provided to ministers in FY 2005.

We are very thankful for the support of North Carolina Baptists in fulfilling our mission. The minister's subsidy is one way, among many, that we are able to give back.

# North American Mission Board
## 2005 Annual Report

In partnership with state conventions, associations and local churches, the North American Mission Board, SBC is commissioning more missionaries, starting more churches, and reaching more people for Christ. Following are a few highlights of what record gifts to the Annie Armstrong Easter Offering and Cooperative Program accomplished.

## Sharing Christ

- Southern Baptists reported nearly 390,000 baptisms in 2004 – the first annual increase in five years.
- 190 new chaplains received SBC endorsement through NAMB. The total chaplain count is 2,395, and more than 11,850 people came to Christ through their faithful sharing of the gospel in settings such as prison, military, institutional, corporate, and healthcare facilities.
- The Evangelism Response Center makes it possible for specially trained Southern Baptist volunteers to accept calls in their homes from people responding to evangelistic advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. There were 14,891 calls received and 406 people made salvation decisions during the calls, while 2,558 referrals were made to SBC churches.
- 2004's CrossOver Indianapolis, held prior to the Southern Baptist Convention, resulted in 1,932 professions of faith, and CrossOver in Nashville saw over 10,000 volunteers lead more than 2,500 people to faith in Christ.
- Domestic Hunger Funds totaling over $1.4 million were distributed to the states in 2004. More than 3.2 million meals have been served using hunger funds with more than 2,200 hunger ministries reporting more than 20,000 professions of faith.

## Starting Churches

- Southern Baptists established 1,795 new congregations in 2004, 59% of which were ethnic and African-American congregations.
- The Nehemiah Project, which has established seven church planting centers on Southern Baptist seminary campuses, trained and helped place over 120 students in short and long term church planting ministries. There are 106 people serving as short-term interns preparing for church planting roles.
- Canadian leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020. Partnerships were established with several SBC mega-churches to plant flagship churches in Canada.

## Volunteering in Missions

- An estimated 116,000 Southern Baptists participated in short-term projects through NAMB during the year
- Last year more than 15,000 disaster relief volunteers from 38 state conventions prepared 3.5 million meals, repaired 2,683 homes and cleaned 11,000 yards of storm debris. In August, 2005, Southern Baptists served more than 4 million hot meals to victims of Hurricanes Katrina and Rita – more than all the previous year.

## North American Mission Board, Continued

- World Changers summer mission opportunities saw more than 24,107 participants in 91 projects. More than 15,948 presentations of the gospel were made and 1,173 professions of faith.

### Sending Missionaries

- NAMB's missionary count reached 5,126 by the end of last year. Of this number, 3,126 are missionaries and their spouses operating under various levels of cooperative funding with state conventions and local associations, and another 2,000 are long-term Mission Service Corps missionaries
- 1,865 high school and college students answered God's call to summer, sojourner, or semester missions.

### Impacting the Culture

- New Hope New York (NHNY) began implementation of a three-year plan to reach the Greater New York area for Christ, and Vancouver Focus was launched as the next strategic city and the first in Canada.

## 2005 Report

This year we've worked with church coordinators in an effort to reach our shut ins. We are encouraged many of our churches are actively ministering to this group. Our council along with host church representatives, met and planned for the 2005 Senior Adult Fellowship Day. Two hundred ninety four pre-registered, however an unfavorable weather report seemingly prevented a number from attending. Special thanks to New Hope Church for the good food and wonderful day!

We were saddened Marge Strait had to leave our council for health reasons. Marge served for several years and brought a storehouse of knowledge and suggestions to us. We praise God for her!

Mark you calendars for Thursday, May 18, 2006, 9:00 a.m. Our Annual Senior Adult Fellowship Day will be hosted by Friendship Baptist Church in Bunnlevel.

# Woman's Missionary Union Report – 2005

Why do we like to talk about WMU? Why do we continue working to enlist more adult, children, and young people in WMU activities? I attended a conference this past year at which this statement was made. "It is our job to grow missions involvement and awareness, not WMU. It is all about God's mission, not all about WMU. The good news is that WMU enables adults to be involved in the mission of God."

That is why we are involved in the missions and ministries that are a part of WMU. It is about God's mission, which is building His Kingdom, and we want to be a part of that mission. To that end, several of our churches have started new children and youth missions organizations this year because there is an excitement about missions among our children.

The Acteens of North Carolina started a movement of taking a cross from county to county across North Carolina, and our Association was a part of that in March 2005. The emphasis was on teaching our youth what it means to "take up your cross and follow Jesus." We were excited to have 200 youth and adults taking the cross down the streets of Lillington, and then participating in a rally led by Giles Blankenship and his band. Missions projects and Bible studies preceded the actual event.

There were 12.1 million children living in poverty in the US in 2002. Every year 12 million people in this world die from lack of clean water and waterborne diseases. Because of these and many other alarming facts concerning poverty, the ministry emphasis in WMU this past and in the year to come is on poverty. Our women are learning, giving, praying, and reaching out to those who live in poverty. There are many opportunities here in Harnett County, and we have made our women aware of these.

Through the channel of WMU, we are growing in missions awareness; we are praying, we are giving, we are going, and we are doing as we tell the story of Jesus in deed and in words. And we are training the next generations of missionaries and missions supporters. Through the ministry of Christian Women's Job Corps, we are helping women become self-supporting. We are touching lives for Jesus Christ through teddy bears given to children, gifts given to women and men in prison, supplies given to migrant children – and the list goes on.

No, we are not about growing WMU for growth's sake alone, but we are thankful for the opportunities we have to become better Christ's Followers through an organization called Woman's Missionary Union.

Respectfully Submitted,
Dorothy Barham
WMU Director

## *PREAMBLE*

### ARTICLE I - NAME

The name of this body will be the Little River Baptist Association.

### ARTICLE II - PURPOSE

The purpose of this Association will be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our Associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

### ARTICLE III - OBJECTIVES

To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.

To discover needs which cannot be met effectively by any one church and to coordinate the use of Associational resources in meeting these needs.

To involve churches in cooperative experiences in evangelism, mission education, and benevolence.

### ARTICLE IV - AUTHORITY

This Association is a self-determining body under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

### ARTICLE V - MEMBERSHIP

**Section 1.** The Association will consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five (5) messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of the respective church.

**Section 2.** A quorum will consist of messengers from at least 50 percent of the member churches.

**Section 3.** Voting will be limited to duly elected messengers or their alternates as certified in the Annual Church Profile.

**Section 4. Policy for the Establishment of Missions**

1. There are three (3) recognized groups that may begin a new mission work in new areas:
   a. A Church affiliated with the association.
   b. The Missions Development Committee.
   c. Any interested group of cooperating Little River Baptists.
2. Any Baptist group wishing to organize a mission will first advise the Director of Missions and the Missions Development Committee of their intent.
3. It will be the duty of the Missions Development Committee to offer their services to any sponsoring agency anticipating new mission work.
4. When necessary, the Missions Development Committee will assist the mission in finding a sponsoring LRBA Church. If the committee is unable to find a sponsoring Church, the committee may serve as the sponsoring agency.

5. The Missions Development Committee will encourage the sponsoring Baptist Church to nominate a Missions Committee of at least five (5) persons, if they do not already have one.
6. A survey of the target area will be made by the Missions Development Committee to determine accurately the needs and possibilities for that area.
7. The sponsoring agency will communicate with all adjacent churches and missions within a three-mile radius of the target area with a written request for cooperation in starting the new mission work. The responses and any other pertinent information will be presented in the joint meeting mentioned below in Paragraph Eight of this policy.
8. The Missions Development Committee will call a joint meeting of the following:
    a. The Missions Committee of the sponsoring Church.

    c. The Director of Missions.
    d. The Moderator.
    e. The Missions Development Committee of the Association.
9. If this joint group, by a majority vote, of those present and voting, looks with favor upon the establishment of a new mission, the work can at that point begin. The Missions Development Committee will assist the Missions Committee of the sponsoring agency in drawing up an agreement between the mission and the sponsoring agency. If the joint missions are unable to reach a majority vote, it will be referred back to Missions Development Committee for further study.
10. The Missions Development Committee, the sponsoring agency's missions committee, and the Director of Missions will work in cooperation in the process of the organizing of the new mission.

**Section 5. Policy of the Organization of a Church**

1. The sponsoring agency and/or the mission will send a written petition to the Missions Development Committee stating the desire of the mission to be organized into a cooperating Southern Baptist Congregation.

organized and received into the fellowship of the association, be denied this request or to postpone consideration until specifically detailed matters are resolved to the satisfaction of the group. If the vote is favorable by a majority vote of those present and voting, then the sponsoring agency will be requested to set a date for the organization of the mission into a cooperating Southern Baptist Church, and subsequent notice sent to all churches of the association inviting them to the organizational meeting.

**Section 6. Policy of the Physical Relocation of Church Property**

1. The Church desiring to relocate its physical location will be requested to consult with the Missions Development Committee stating the desire of the church to relocate.

# Brief History of Buies Creek First Baptist Church

Buies Creek First Baptist Church began in 1875 as Buies Creek Baptist Church with the Rev. Mr. Allen Betts as pastor. One year prior to the actual formation of the church, a Sunday School was begun in a small schoolhouse located near the present church. A local couple, Mr. and Mrs. James Gregory, donated the land on which the first church was built in 1876 from lumber cut and hauled from the old Reuben Matthews Mill. When the congregation outgrew its original building, it relocated to its present site.

The name Buies Creek was first applied to the church. About the turn of the century when Dr. J. A. Campbell was serving as the church's second pastor, the town took its name from the church and became known as Buie's Creek. The apostrophe was dropped from the state map in the mid 1900's. The word "First" was added to the church's name in 1968.

The present sanctuary used by the church was started in 1913 under the leadership of Dr. Campbell and completed in 1914. A parsonage was built in 1947 with the church's third pastor, Dr. A. Paul Bagby as pastor. The parsonage was sold in 1995 and a housing allowance was given to the pastor.

Other pastors who have served the church family along with Rev. Allen Betts and Dr. J. A. Campbell have been Dr. J. William Angel, Rev. E Weldon Johnson, Rev. Charles B. Howard (the churches first full-time pastor who served for eleven years), Dr. A. Paul Bagby, Dr. J. William Angel, Rev. E. Weldon Johnson, Dr. John Rogers, and Dr. J. Michael Simmons, the present pastor who has served since 1995. Each pastor has contributed in his own way to leading the church forward in its ministry to the community and the world. Many of its pastors have served either as a professor or an adjunct instructor at Campbell University.

The church has always had close ties with Campbell University since it began as Buies Creek Academy in 1887. The church is affiliated with the Southern Baptist Convention, The Baptist State Convention of North Carolina, The Little River Baptist Association, and The Cooperative Baptist Fellowship. Throughout its history, the church has had a great desire to take the gospel to the world. Mission projects are conducted regularly in both the United States and many countries around the world. In addition, the church has established a scholarship to the Campbell University Divinity School.

It is the belief of the congregation that God called Buies Creek First Baptist Church into existence and placed it in a unique location to minister to the community, the university, and the world. With Campbell University across the street, the world has come to the door of the church. With a rich heritage behind it, the church is moving forward into the future carrying the gospel of Jesus Christ to everyone it can, seeking to honor His name.

## Additional Information on LRBA Ministries And Specific Fund Needs

1. **CCN Broadcasts** – This resource is considered the best resource available for training in all areas of church life. These broadcasts are utilized at Hollifield Learning Center by the Baptist State Convention regularly. They are available to us on an annual fee basis with a start-up with first year @ approx. $2,000. We look forward to offering the best cutting-edge training out of the LRBA office.

2. **Spout Springs Baptist Mission** – This Mission has a tremendous response with as many as 185 in attendance since Easter. They are currently pushing themselves to begin their building project ASAP. Funds for site fees ($2500), architectural drawings (not determined), literature and promotional materials are needed.

3. **New Work on Overhills Rd. between Hwy. 210 and Ray Road** – This is a brand new work being projected during the next year. It will necessitate a considerable budget to put a full-time Church Planter on the field for the first year.

4. **Truck Stop Ministry** – We have placed over 9000 N. Testaments. The price of these has increased 3 times since we began the ministry. Funds will be sent to purchase bibles, gospel tracts and chaplain services.

5. **Armenia Partnership** – LRBA has entered an agreement to support a church planter in Gavar, Armenia. We have also purchased an old factory (single building) to be renovated into church use. Monies are needed for building materials and pastor support. We are currently paying the pastor $200 / per month through designated contributions. We used some of our reserves to purchase the building, and are looking toward beginning renovations in 2007. We do not know how much this will cost; we are currently soliciting members for a preliminary strategic planning team to go to Armenia in Sept. 17-29, 2006.

# First Session of 131st Annual Meeting
## of Little River Baptist Association

October 24, 2006

The first session of the 131st annual meeting of LRBA met at Lillington Baptist Church on October 24, 2006 at 6:30 p.m.

The prelude was performed by the Praise Ringers, the handbell choir of LBC and the organ and piano.

The meeting was called to order by moderator Joe Sakas. Motion made, seconded and passed for the Adoption of Program Agenda.

Dr. Dennis Bazemore, interim pastor of LBS welcomed all and had the invocation.

Rev. Dan Deaton recognized the new pastors and staff in the Association.

Joe Jordan reported on Dunn First mission to Kiev, Ukraine. He stated that the population is growing daily. There are over 30,000 homeless children in the country with a high use of drugs by these children. The country is struggling to break away from communism. Predators come from all over the world to take advantage of these children. It is hard to minister to them because they are leary of newcomers. Feeding stations have helped. Mission team helped with facilities, the "Village of Hope".

Rebecca Sloan (a graduate of seminary in Richmond) reported on the Door of Hope Ministry in South Africa. She said the first thing she noticed was the great beauty and great poverty. She told of homes made from crates. She commented on the love she saw at the Door of Hope. Much prayer is needed for the work there and the negative rumors in South Africa. She presented a powerpoint about the children.

Chris Oglesby reported on Swann Station's youth mission trip to Wooster, MA. They went to a town of 150,000 people where only about 3% attend any evangical church. The church there started with 5 people. Noel and Sherry Williamson went in June, 2006 to pastor. The youth group worked on facilities that had been there a long time. They stayed at Luther Rice's homeplace. There have been over 50 people attending now.

Alice Davis, Mission/Ministries Coordinator, said her goals are to encourage fellowshipm missions. She reported on numerous activities in our Association, including 21 mission trips, with another one that left today. Another one will leave November 5. There are many local ministries and outreach going on.

Rev. Dan Deaton reported that the Association is struggling financially, as well as some of the churches. The county is really growing and everyone is needed to reach the people. These are exciting days for God's people. Five new works on board, some churches dwindling, other areas are growing. The people of God need to be a praying people. People need to be trained. We cannot forget God's law.

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*
*Let not your heart be troubled,*
*nor let it be fearful.*

## Office of GuideStone Financial Resources for the Baptist State Convention of NC, Inc.

During the past year significant strides have been made to provide the very best service to employees of our churches and agencies who are active participants in the retirement plan, jointly administered by GuideStone Financial Resources, SBC, and the Baptist Convention of NC, Inc., and to those who have purchased insurance products from GuideStone. Through a contractual agreement with Morningstar Associates, LLC, a registered investment advisor, retirement participants now have access online to a leading innovator in offering retirement advice. Specifically, Morningstar Retirement Manager offers objective, expert recommendations and resources to help participants make clear decisions about their retirement plans. Never before have we been able to offer this incredible service at no cost to our retirement participants.

In the life and health areas enhancements continue to be made to provide additional flexibility in plan options, deductibles and competitive rates. Taking advantage of significant discounts through Highmark Blue Cross Blue Shield, medical plan rates have been stabilized. While over 40% of personal plan participants received a decrease in rates in 2005, over 57% of personal plan medical participants received a decrease in rates for 2006. Additionally, the two Medicare supplement plans offered to retirees also received rate decreases in 2006. The 31 day open enrollment period for new students in our divinity schools, Bible institute, and seminary continues to be an attractive option for that target group.

During the past year the importance of the protection benefits (disability and survivor), which come free to those who are active participants in the Church Retirement Plan and who are serving an eligible church, was magnified with 100 participants receiving disability protection benefits and 40 families receiving survivor benefits because of that many deaths among our church employees. One widow, whose pastor/husband in his early 50's suffered a stroke and died within ten days, received a survivor benefit check in the amount of $50,000 in addition to the money in his retirement account. The survivor check of $50,000 came quickly (also tax free) and proved to be a "life saver" to this widow. As in previous years, the great challenge is to educate our church employees and key lay leaders in our churches about these great benefits **provided at no cost** to those church employees who meet the eligibility requirements.

Furthermore, we gladly cooperate with the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, we have 222 North Carolinians, who have met the very strict guidelines, receiving financial assistance from GuideStone Financial Resources. Unfortunately, others could be assisted if we only knew who they were.

In conclusion, it is our strong desire to increase the level of retirement participation and to serve all of our churches and their employees with the appropriate information/products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 320 or 321, visit our Web site at www.northcarolinabaptists.org, call GuideStone at 1.888.984.8433, or visit the GuideStone Web site at www.GuideStone.org.

# BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
## (July 2005-July 2006)

**Many Voices, One Story...**North Carolina Baptists attending the Baptist State Convention Tuesday evening, November 15, 2005 sat as the lights in the Joel Coliseum in Winston-Salem dimmed. Messengers and guests arrived anticipating the night's report from Baptist Children's Homes (BCH). Every five years the Institution presents a 30-minute expanded report, which many people view, as the highlight of the convention.

The crowd present this night leaned forward as the first child stepped to the microphone to tell her story. Children and residents representing BCH's four campuses, wilderness camping program, group homes and developmental disabilities ministry filled the stage area. The 2005 meeting was BCH's opportunity to share the ministry through children's testimonies and songs while highlighting the Institution's 120th anniversary

BCH president Michael C. Blackwell enthusiastically addressed the group declaring, "We are uniquely, proudly, passionately and incurably a part of the North Carolina Baptist family."

To close the presentation, Broyhill Home resident Jennifer and developmental disabilities resident Marcie sang, "Jesus Loves Me."

"These are God's miracle children..." Blackwell said. "I want you to see in those eyes the eyes of our God who loves children."

But the true pinnacle of the evening for one special child occurred away from the eyes of messengers.

"We were all saying goodbye when I looked down and saw Jennifer crying," said Lou Arnsdorff, Jennifer's childcare worker. (Jennifer had just sung on state.)

A tearful Jennifer told Arnsdorff, "I just want to ask Jesus into my heart." In a crowded hallway outside the auditorium, Jennifer accepted Christ as her Savior.

**Show you love...**This year's Baptist Children's Homes' offering theme, "Show You Love," represents the pivotal role individuals and churches play in the lives of hurting children.

North Carolina Baptists show their love through their prayer and financial support. It is only through this commitment that BCH can continue to make a difference. This year's statewide offering goal is $1,375,000. This represents a $25,000 increase from last year. Challenge your church to participate in the 2006 Offering Campaign.

**Biography Unveiled...**The biography of BCH president Michael C. Blackwell was published and officially unveiled to the public in April. **The late Wint Capel, former editor of the Thomasville Times, wrote Just Call Me Mickey: From Mill Village to Mills Home, The Journey of Michael C. Blackwell**. The book chronicles Blackwell's life from his humble beginnings as a boy living in the mill village town of Gastonia to becoming president of one of the largest private children's homes in the southeast United States.

**NEW PMG members named...**Baptist Children's Homes president Michael C. Blackwell announced several key administrative appointments in June. Nancy McNeill was named BCH's Executive Vice President (EVP) of Operations overseeing the statewide Institution's day-to-day operations. Jim Edminson was appointed as BCH's Institutional Director for Communications directing the agency's statewide communications. Shane Nixon has been named BCH's Institutional Director of Information Services directing BCH's technology services and broadening his role of service. McNeill, Edminson and Nixon will serve on Blackwell's President's Management Group (PMG).

Former resident, BCH child care worker and administrative office manager Jennifer Shore was appointed Executive Assistant to the President and longtime staff member Ron Richardson was named Manager, Institutional Support Services.

**Dedicated to the Glory of God...**Baptist children's Homes set its sights towards the future expanding its services to children and families.

- The Alverta Bolick Home in Asheville was dedicated in May. The facility is home to developmentally disabled adults in the Asheville area.
- The campaign to build two similar facilities for special needs adults in the Sanford Community began in August 2005.
- A state-of-the-art education center in Kinston was dedicated in July. The new Reverend Kenneth e. Haigler & William: Bill" Overcash Education Center offers an on-campus school to residents at BCH's Kennedy Home.
- The Winifred Lindsay and Three Forks Homes for developmentally disabled adults were dedicated August 27 in Boone.
- Groundbreaking for DDM homes in Sanford and Asheboro will take place September 10 and October 14 respectively.

## THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
## 2005 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially under girding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2005, the Foundation assisted individuals in establishing 49 endowment funds and 12 charitable remainder trusts totaling $1.8 million and received $7.1 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $1.5 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $10.6 million in contributions during 2005 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2005, the Foundation held $136.1 million under management.

During 2005, our distributions totaled $7.8 million, with charity receiving $5.7 million and individuals, through trusts, receiving $2.1 million. During the 85-year history of The North Carolina Baptist Foundation, Inc., $29.1 million has been distributed to individuals and $53.3 million to Baptist churches, institutions and mission causes for a grand historical total of $82.4 million.

BAPTIST RETIREMENT HOMES

OF NORTH CAROLINA, INCORPORATED

PROUDLY SERVING OLDER ADULTS SINCE 1951

## Celebrates Joyful Lives of "Homes" Residents

The 2005 North Carolina Offering for Older Adults and Week of Prayer will be observed February 6 - 13. The theme for this year's Offering is "Expressions of Joy: Senior Lifestyles that Make a Difference." Offering materials focus on Graham and Gertrude Madison, who are 15-year residents of Brookridge Retirement Community in Winston-Salem. By their enthusiasm and willingness to serve, Graham and Gertrude add pleasure and vitality to the lives of all who know them. This year, Graham celebrated his 100th birthday, becoming one of several Baptist Retirement Homes residents who have achieved this milestone in longevity.

### Thank you, North Carolina Baptists!

One of the joys of aging is the security of knowing that you will be loved and cared for at every age. At Baptist Retirement Homes, birthdays are joyful occasions. Residents celebrate, knowing their care will continue even if their years outlast their resources.

For more than 50 years, Baptists across the state have been partners in serving Seniors through the North Carolina Offering for Older Adults. Because of your support, the Homes can keep its promise to provide its residents a "home for life." All monies from the Offering are used to care for residents who do not have the resources to pay for the assisted living or nursing care services they need and deserve. The goal for this year is $450,000.

To support churches in their observance of North Carolina Offering for Older Adults/Week of Prayer, Baptist Retirement Homes is sending packets of materials, which should arrive in early January. Also, administrative staff members and Trustees of the Homes look forward to visiting churches to participate in worship services or lead weeknight sessions. Churches may order additional printed materials or request a speaker by completing the Materials Request Card found in the Offering packets, or by calling Emily Reaves (336.725.0202) or by e-mailing her at ereaves@brh.org.

# REPORT FROM THE BAPTIST STATE CONVENTION OF NORTH CAROLINA

Executive leadership in the Baptist State Convention changed April 11, 2006 when Milton A. Hollifield, Jr. was elected executive director-treasurer. He was installed the same day during services at Calvary Baptist Church in Winston-Salem.

Hollifield declared that he intends to lead North Carolina Baptists "to become the strongest force in the history of this Convention for reaching people with the message of the Gospel".

Within months, Hollifield filled three executive leader positions. He eliminated the position of associate executive director-executive; and combined some of those duties with a newly named executive leader for administration and convention relations. Brian Davis, pastor of Beulah Baptist Church in Statesville, board member and Fruitland Baptist Bible Institute teacher, filled that position.

Hollifield called Don McCutcheon from the Florida Baptist Convention, to succeed him as executive leader for mission growth evangelism. He also brought on John Butler, pastor of First Baptist Church, Matthews and board chair in 2004-05 as executive leader for business services, replacing Glenn Harder who returned to corporate life.

Norman Jameson in public relations and resource development, and Lynn Sasser in congregational services, are the other executive leaders.

**Cause for Rejoicing**

BSC leadership rejoiced over many areas of progress that indicate God's blessing on the work. These include in part the 103 new churches started in 2005; thousands of volunteers participating in a national Crossover event in the Piedmont that sowed seeds for 27 new churches' continued strong support for Cooperative Program Missions Giving in which 1,672 churches increased their giving to missions through CPMG; a growing awareness of Pursuing Vital Ministry and coaching ministry; campus ministries growing in strength; powerful student weeks at Fort Caswell; burgeoning interest in church renewal weekends; nationally televised disaster relief efforts in Gulfport with Baptist Men; programs and services provided by Convention staff that serve countless churches; increasing visibility for prayer evangelism and personal evangelism strategies; well attended programs and special events and a convention of churches facing the future with the courage of their convictions and faith in Jesus.

Significant resources were committed to strengthening information technology services, recognizing that the Convention must stay current with technology to readily serve churches' needs.

The Convention is increasing emphasis on multi-cultural ministries-reaching people from the many and varied cultures present in North Carolina. The face of the Convention staff reflects that commitment as Ken Tan and Ralph Garay from the Philippines, Tayo Jolaoso, from Nigeria and Maria Luoni from Puerto
rico have joined the staff.

Of the 103 churches started last year, 39 are Anglo. The rest are a variety including Hispanic, cowboy, and several Asian languages. North Carolina Baptists now worship weekly in at least 33 languages.

Changed lives are Certain Proof that missions giving through the Cooperative Program works. Each church received a Certain Proof DVD of 90 second vide clips that feature lives changed through a ministry sponsored by North Carolina Baptists.

The 2006 and 2007 budgets each send an additional half percent for Baptist work in North America and beyond and North Carolina led all state conventions in designated missions gifts to the SBC.

### On Mission Celebrations

On Mission Celebrations is the new name for World Mission Conferences. Coordinate a conference in your association through Dan Euliss, 800-395-5102, ext. 121.

These missions awareness events provide missionary speakers from the association, state convention, North American Mission Board and the International Mission Board. In 2007 six associations will host OMCs.

### Retirement Planning

The importance of the insurance and health benefits provided to participating church staff members was never more dramatically demonstrated than during gone week this year when to young pastors died. One was covered and his widow and children received an immediate death benefit of $50,000. The other was not a participant in the plan and his family faces a much more difficult struggle.

Are your pastor and staff participating in the church annuity programs that protect their families and the church in the event of death or illness? Call Johnny Ross at 800-395-5102, ext. 320.

We cooperate with GuideStone to provide financial assistance to retired ministers and widows of ministers who are living in poverty. As of June 30, 222 North Carolinians receive financial assistance. We could help others if we knew who they are.

### Winning North Carolina

Don McCutcheon, new executive leader for Mission Growth Evangelism, brings a single toal to task: To Win North Carolina to Christ – Acts 1:8.

He will organize the work of his team around three priorities;

- Intentional, effective evangelism without apology
- Planting Intentionally and effectively evangelistic churches
- Assisting existing churches in becoming intentionally and effectively evangelistic

In 2005 North Carolina Baptist churches reported 23, 179 baptisms with only 75 percent of our churches reporting. If each of our churches will establish and reach a four-year goal to baptize just one more person than they did in previous year, we will surpass 43,000 baptisms in five years.

### Tent Ministry

The evangelism tent will seat up to 1500 people. It stays booked from March to November and is used for revivals, community outreaches, block parties, VBS and other evangelistic community events. Please reserve tent six to twelve months before your event.

### Coming Alongside

Congregational services come alongside congregations in their spiritual journey to help them become everything God desires for them. Coaching and consulting in the programmatic services of Sunday school, children's ministries and weekday education, deacon ministries, bible drill, discipleship, Pursuing Vital Ministry, architecture, special ministries like deaf and developmentally disabled, senior adults, singles and others, our staff is eager to serve you.

### Appreciate the Past, Celebrate the Present, Anticipate the Future

Across the years Campbell, Chowan, Gardner-Webb, and Wingate Universities and Mars Hill College have emphasized that all Christians are called to ministry whatever their vocation. Each of the schools has in the past and continues to assist students in understanding how they can live out their calling and faith in the world.

Each of the schools also places a high priority on educating persons for vocational ministry and missions. In 2005 there were 495 Ministerial Students in our North Carolina Baptist universities and college.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 551 North Carolina Baptist students in the amount of $1,176,551 in 2005. These students received an average of $2,135. From Little River Association 11 students received scholarship aid. These students came from the following churches: Anderson Creek Community, Angier, Antioch, Buies Creek First, Dunn First, Erwin First, Fellowship, Lillington and Neill's Creek.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are honoring your heritage as you impact the world for good and for God.

# 2006 Associational Report

The *Biblical Recorder* is now in its 173rd year of service to Baptists in North Carolina, a ministry that now extends around the world. The *Recorder*'s mission is "to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

The *Recorder* was founded in 1833 and has served since that time as the official news journal of the Baptist State Convention of North Carolina, even though it was privately owned and operated until 1939, when it became a convention agency. As it has from the beginning, the *Recorder* relates to the full spectrum of BSC churches, and reports on matters of interest to them.

In keeping with principles outlined in its charter and reflected in the Baptist State Convention Articles and Bylaws, the *Recorder* staff works "to maintain and safeguard the inalienable rights and privileges of a free press, these rights and privileges being consistent with the traditional Baptist emphasis upon the freedom, under Christ, of both the human spirit and Baptist churches."

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web. The Website, *www.biblicalrecorder.org*, provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

A "blog" or "weblog" by the editor at *http://journal.biblicalrecorder.org* offers an additional source of news and opinion that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

The *Recorder* currently averages about 45,000 print copies per issue, most of which are read by more than one person. In addition, *www.biblicalrecorder.org* attracts more than 250,000 unique readers per month, giving North Carolina Baptists' state paper a wider reach than ever before.

As a BSCNC agency, the *Biblical Recorder* gratefully receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. # 2006 ANNUAL STATISTICAL REPORT

The International Mission Board's Annual Statistical Report (ASR) contains the most accurate information for the stated reporting period available at the time of publication. After publication, the board's Global Research Department continues to process both new and revised reports as field personnel continually strive to provide the most accurate picture of the board's work and influence during the given reporting period. Regional offices may submit new or revised reports for a variety of reasons: typographical errors in the original report, newly received or corrected information from Baptist Partners, clarification of reporting categories, etc.

After publication of the ASR, all analyses utilize the most current data for the reporting period available at that time (including all new and revised reports submitted since the ASR's publication). Thus, subsequent ASRs will reflect corrected data and may differ from previously published reports.

Please note the year is the report year. The data would actually come from the prior year.

For current data regarding a given reporting period, including the latest revisions, contact the Global Research Information Center (GRIC@imb.org).

# North American Mission Board
# Annual Ministry Report 2006

In the midst of significant challenges in 2006, the North American Mission Board, in partnership with our Southern Baptist state conventions, associations, and churches, gained a renewed vision and passion for three primary tasks that define the agency: sharing Christ, starting churches, and sending people.

The staff and more than 5,000 missionaries who serve through NAMB are grateful for Southern Baptists' prayers and support and are looking toward the future, confident in God's leadership and provision. We are especially thankful to all Southern Baptists who gave so generously in 2006 to the Annie Armstrong Easter Offering for North American Missions. A total of $58.4 million--exceeding the national goal by more than $2 million--was given to help us share Christ, start churches, and send people. In addition, we are thankful for the continual financial support that churches give through the Cooperative Program. Our prayer is that God will find us good stewards of those funds and of the work He has called us to do.

Following are a few highlights of how God blessed those record gifts to the Annie Armstrong Easter Offering and Cooperative Program.

**Sharing Christ**

A total of 153 new chaplains received SBC endorsement through NAMB. The total chaplain count is 2,671, and more than 5,700 people came to Christ through their faithful sharing of the gospel in settings such as prison, military, institutional, corporate, and healthcare facilities. For more information about chaplaincy, visit www.namb.net/chaplain.

The Evangelism Response Center has 3,040 volunteers who serve as Telephone Encouragers (TE). In 2006, they directly engaged 14,100 callers, and another 15,000 calls were placed as call backs when TEs were not available because of demand. A total of 7,080 people made decisions related to their walk with Christ, including 781 for salvation.

- CrossOver Greensboro, held prior to the Southern Baptist Convention in 2006, gave volunteers the opportunities to participate in inner-city evangelism, street evangelism, sports clinics, Kindness Explosions, international festival, door to door witnessing, collegiate evangelism, and evangelistic events. There were more than 820 professions of faith. CrossOver San Antonio will be June 9-10.
- Prior to Katrina, New Orleans Baptist Ministries operated four ministry centers in New Orleans. The seven career missionaries were assisted in the work by US/C-2 missionaries, semester missionaries, and missionary interns to operate the centers and to assist the churches in special projects. Since Hurricane Katrina, the missionaries have become an integral part of starting and operating Operation NOAH Rebuild as well as assisting the reconnecting of churches to their communities. New Orleans Baptist Ministries and Operation NOAH Rebuild have provided an opportunity for Southern Baptists volunteers to partner with Louisiana Baptists in a way never possible in the past. For information on volunteering in the effort, see www.namb.net/noah.
- Special Ministries missionaries and volunteers lead by example in innovative evangelism outside of the walls of the church through resort and leisure ministries, sports evangelism, truck stops, and seafarers centers. A great example of God's blessings in 2006 is what happened in the U.S. territory of American Samoa. Because of the coordination of discipleship efforts of the various ethnic congregations of the island, there were 567 professions of faith reported in 2006 among international seafarers, with 177 of those being baptized in the waters off the island.

- Domestic Hunger Funds (funds benefiting the hungry in North America) totaling more than $1.4 million were distributed to the states last year. More than 2,000 hunger ministries reported more than 30,000 professions of faith. There were more than 50,000 volunteers working in hunger ministries, and 8,700 new volunteers were trained in evangelism. Last year, the gospel was shared with more than 650,000 people because of the opportunities provided through hunger ministries.

**Starting Churches**

- Southern Baptists established more than 1,400* new congregations in 2007. More than half of those are ethnic and African-American congregations. **The specific number of new congregations will be announced in March once all data has been compiled.*
- The Nehemiah Project, which has established seven church planting centers on Southern Baptist seminary campuses, trained and helped place 669 long term church planters. Since the Nehemiah Project began, more than 1,061 people who have served as short-term interns preparing for church planting roles.
- Canadian leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020. Partnerships continue with several SBC mega-churches to plant flagship churches in Canada.

**Sending People**

- NAMB's missionary count was 5,153 on December 31, 2006. Of this number, 2,942 are missionaries and their spouses operating under various levels of cooperative funding with state conventions and local associations, and another 2,211 are long-term Mission Service Corps missionaries.
- 1,623 high school and college students answered God's call to summer, sojourner, or semester missions. Semester missionaries made 9,041 gospel presentations resulting in 677 professions of faith and 626 rededications.
- An estimated 125,000 Southern Baptists participated in short-term projects through NAMB during the year.
- In 2005*, Southern Baptist trained Disaster Relief volunteers contributed more than 165,700 volunteer days in 166 responses. Volunteers from 41 state conventions prepared 17.1 million meals, repaired 7,245 buildings, cleaned 13,986 yards of storm debris, provided 155,967 showers and 28,253 loads of laundry and purified 68,846 gallons of water while training an additional 25,360 new volunteers. **Figures reflecting Disaster Relief efforts in 2006 will be available in March 2007.*
- World Changers summer mission opportunities saw more than 22,036 participants in 86 projects. PowerPlant, a mission opportunity mobilizing students in church planting and missions, saw 1,157 participants in 12 projects. Together these ministries made 12,414 presentations of the gospel resulting in 1,150 recorded professions of faith.
- Cleveland Hope began its first year of church and community wide implementation in Northeast Ohio in 2006. In addition to this Strategic Focus Citiesinitiative, work began on Embrace Baltimore and Vision San Diego to begin mobilizing churches and in partnership with state conventions, LifeWay and churches across North America. We anticipate developing a three year strategy to spiritually impact these great cities.

# Senior Adult Committee Report
## 2006

The council prepared lunch for the senior adult coordinators. The purpose of this meeting was to know the coordinators better and to communicate more effectively. We shared ideas and upcoming events.

Seniors from Friendship Baptist Church, Bunnlevel, hosted our annual 2006 meeting for 200 attendees. After a morning of fellowship and fun, we enjoyed a delicious meal in their new fellowship room. Thanks for a great day!

Presently the council is planning the 2007 meeting. We look forward to seeing many seniors on May 17, 2007 at the Holly Springs Baptist Church at 385 Holly Springs Church Road, Broadway, NC 27505. **Pictures will be taken for the scrapbook beginning at 9:00am with the meeting beginning at 9:30.**

# WMU Director's Report
## 2006

Did you ever ask yourself, "Why am I in WMU?" We need to ask ourselves as an association, "Why do we continue carrying on the work of WMU?" Maybe we need to evaluate why we do what we do. To do so, we only have to go back to the words of Jesus when He said, "Go ye into all the world and make disciples, teaching them to observe all that I have commanded." He also said, "You shall be my witnesses, in Jerusalem, in Judea, in Samaria, and into the uttermost part of the earth."

That is why we do missions, why we are involved in WMU. It is not our job to grow WMU, but to grow missions involvement and awareness. But, the wonderful news is that we can do that through WMU.
We are thankful for all those ladies, young girls, and children who are continuing to make sure the story of missions is taught and carried out. We had several new groups started in our churches this past year and for that we praise our Lord.

According to the records turned in with the church profiles, we had 1474 enrolled in all the WMU organizations this past year. This was up by 88 over 2004, so that is encouraging news. It is important that all of us make sure our church turns in the annual profile so that we can get accurate numbers in all the areas of associational work.

There were 12.1 million children living in poverty in the US in 2002. Every year 12 million people in this world die from lack of clean water and waterborne diseases. Because of these and many other alarming facts concerning poverty, the ministry emphasis for WMU for two years has been **Project Help: Poverty.** Special thanks for all those who have reached out in many ways to help those caught in the throes of poverty. A special offering of food was taken at last year's meeting that went to a church who has a food ministry for the poor. We are also taking up food at this year's meeting for the Anderson Creek Ministry. We heard from two people at last year's meeting who are involved particularly in a ministry to the homeless and the poor.

I am personally thankful for a good Leadership Team this year that have worked so faithfully in making and carrying out plans. They have been trained and done a good job of training our church leaders as well, of planning special events, and offering help whenever asked. In addition to those mentioned in other reports, we also made it possible for the children at Kingdom Builders Mission to have Bibles.

Please read all the reports in this booklet. You will be even more thankful for all that is being done in Little River Baptist Association by all our faithful WMU'ers, who are continuing to be **Christ's Followers.**

Respectfully Submitted,

Dorothy Barham
WMU Director

# History of Crossroads Church

It began in the heart of God and was then placed in the hearts of 3 families. These families felt God's leading to begin a new outreach-oriented church. Out of a great deal of prayer, came the conviction that God had given a "green-light" to move ahead.

After months of prayer and discussion, the church received its name on January 21, 1990. The scripture in the decision was Jeremiah 6:16, "stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls."

In February, 1990, a group of interested pastors and members of churches in the Little River Baptist Association voted to be supportive of the establishment of the new church.

From the beginning, Crossroads has displayed a passion for reaching out to the spiritually lost and searching people of Harnett County. The first major outreach event was a telephone-calling campaign. The group called 9,800 households and talked with over 5,000 people. Over 1,000 people agreed to receive information that was then mailed to them.

The first public worship service was held at Cape Fear Christian Academy gymnasium, on Easter Sunday, April 15, 1990. The Lord blessed the service with 144 people in attendance.

Through the years, Crossroads has searched for a permanent home that would serve as a base for ministry. In 1990, Crossroads purchased 38 acres of land at the intersection of Brick Mill Road and Hwy. 421. At one point, it appeared that the church would build on and develop that property, but because of zoning decisions, that never happened. The church met at Cape Fear until October, 1990, when it moved services to Pope's Barn (now Ron's Barn). Grover Blackburn served as interim pastor from 1991-1993. In August, 1992, the church moved to Buies Creek Elementary School, where it met until October, 1997. The church purchased the old Byrd's grocery store in Lillington, in August 1996. Work was completed in October, 1997 and a "grand-opening" was held on November 2, 1997.

Three men have served Crossroads as pastor. Jimmy Hutto served June to November, 1990. Jeff Witcher served February, 1993 to May, 1996. Ken Dalton became pastor in August, 1997.

In 2007, Crossroads committed to its next phase of outreach and growth. A second Sunday morning worship service has been added, a college/young adult worship service added, and home-based LIFE Groups have been implemented (in place of Sunday School). On January 27 of 2008, the church had a coordinated outreach push and saw God bless with over 400 people in attendance that day.

In the spring of this year, Crossroads will open an additional campus – Crossroads at Anderson Creek. It will be one church with multiple locations. LTC Kevin Gregory will serve as the campus pastor for what Crossroads hopes will be one of many opportunities to help penetrate the region for the Kingdom.

While this brief sketch tells you of the past years of God's blessings on Crossroads, we believe the best years are ahead of us.

**"With God's power working in us, God can do much, much more than anything we can ask or imagine."**

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*
*Let not your heart be troubled,*
*nor let it be fearful.*

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
(July 2006-July 2007)

***Oak Ranch added to ministry...*** Baptist Children's Homes (BCH) entered into a relationship with Oak Ranch, a residential program for at-risk boys, to manage the facility. Located on the Lee-Harnett County line near Broadway, Oak Ranch features two existing cottages, administrative buildings and an eight-horse equine therapy component.

"This is a historic event," said BCH President Michael C. Blackwell. "Baptist Children's Homes and Oak Ranch share a vision to provide hope and healing to children. This is a natural merger, and we look into the future with great hope and tremendous expectation."

Plans are in place to accept boys into care at Oak Ranch beginning in October, 2007, but the property and Oak Ranch's distinctive equine therapy program are already being utilized by BCH residents and staff members from the institution's statewide locations.

***New Program Helps Children With Intensive Challenges...*** BCH's new Level III program outreaches to children who are struggling to overcome a greater degree of emotional and behavioral issues. The service is designed to provide a highly structured and supervised residential environment that is responsive to the need for intensive, active therapeutic treatment and interventions.

Currently, BCH offers Level III child care services at Kennedy Home in Kinston and Moody Home in Franklin.

***Developmental Disabilities Ministry Continues To Grow...*** On August 27, 2006, members of the Three Forks association, BCH staff and other supporters gathered for the dedication ceremony of two new Developmental Disabilities Ministry (DDM) homes for developmentally disabled adults in Zionville

The Three Forks Home is named in honor of the association for gifting the original Camp Joy property for the new homes. Lindsay Home is named in memory of Winifred B. Lindsay who donated a lead gift of $400,000. Churches, businesses, organizations and other community friends helped raise funds to build the homes. The new DDM homes are a part of Joy Cove Ministries serving families in Watauga County and the surrounding community.

BCH held a groundbreaking ceremony on September 10, 2006 to celebrate the expansion of its Developmental Disabilities Ministry to Sanford. BCH recently began building the two group homes to serve special needs adults in the Lee County area.

The Sanford based ministry has been tapped Willett Ministries. Jane Willett-Cromer, a resident of Gulf and mother of a developmentally disabled adult, gave three and a half acres of land for the Sanford-based homes to BCH in the memory of her husband Howard.

BCH and Cross Road Retirement Community in Asheboro hosted a "Laying the Foundation" ceremony on October 14, 2006. The ceremony celebrated the construction of BCH's new DDM group home. The group home is located on the Cross Road Retirement Community campus which is owned by Cross Road Baptist Church. It will be called "The Asheboro Home," and dedication ceremonies are scheduled for August 26, 2007.

The 3,000 square-foot facility offers a residence for six developmentally disabled adult women and will serve families in Randolph County and the surrounding community. The home was built in cooperation with the U.S. Department of Housing and Urban Development (HUD). BCH will operate the home, providing the services and the staff.

***Baptists Touch BCH Through Technology...***Children in BCH's care greeted Messengers at the 2006 annual session of the Baptist State Convention at the Greensboro Coliseum through the power of technology. Using a web camera link, five children at Mills Home in Thomasville carried on live, real-time conversations with convention attendees and thanked them for their love and support. Mills Home children answered questions and gave "high fives" to Messengers who viewed them on a large, flat panel display screen.

***New Website Introduced...***BCH also introduced the redesigned BCH Family (***www.bchfamily.org***) website during the November convention. The new website offers streamlined navigation making it easy to find information about BCH's statewide services and a variety of ways to support the ministry. New features include online journals and photo galleries from the ministries locations around the state.

***Charity & Children Marks 120 Years...Charity & Children (C&C)*** marked its 120th anniversary in 2007. Throughout its history, it has been a strong voice speaking for Baptist Children's Homes conveying news, information, and children's success stories. The free publication is mailed to as many as 62,000 subscribers a month, with estimated readership in excess of 170,000 per issue.

Seven year ***C&C*** editor Jim Edminson introduced a new look for the paper in January utilizing concisely written stories, the use of vivid, large photos, ample white space, and contemporary artwork to make the publication more approachable to readers.

The BCH news publication is produced each month by its publisher and BCH president Michael C. Blackwell, Edminson, and Blake Ragsdale who was named Managing Editor in late 2006.

***BCH Named One Of Triad's "Best Places To Work"...*** BCH was a finalist in the ***Triad Business Journal's*** annual "Best Places to Work" competition. The institution finished in the elite four of the "charitable nonprofits" category. BCH president Michael C. Blackwell, accompanied by members of his President's Management Group, accepted the award at a ceremony in High Point.

BCH's state administration offices, Mills Home residential campus and Weekday Education facilities in Thomasville, and group homes for developmentally disabled adults in Winston-Salem comprise BCH's Triad area services.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
# 2006 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2006, the Foundation assisted individuals in establishing 49 endowment funds and 8 charitable remainder trusts totaling $2.6 million and received $6.5 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Over $2.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $11.7 million in contributions during 2006 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2006, the Foundation held $153.1 million under management.

During 2006, our distributions totaled $8.4 million, with charity receiving $5.9 million and individuals, through trusts, receiving $2.5 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $31.6 million has been distributed to individuals and $59.2 million to Baptist churches, institutions and mission causes for a grand historical total of $90.8 million.

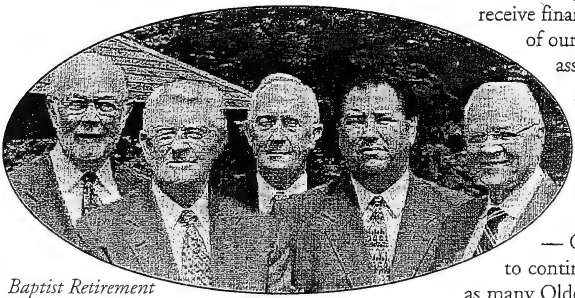
# *Our Partners in Caring*

At Baptist Retirement Homes not only are physical needs met but spiritual needs as well. At our Western North Carolina Baptist Home in Asheville, at the Brookridge Retirement Community in Winston-Salem, at the Gardens of Taylor Glen in Concord, at The Taylor House in Albemarle, and at the Hamilton Baptist Home in Hamilton our Baptist chaplains serve as faithful reminders that "God is our refuge and strength."

In addition to regular worship services and Bible studies, personal visits with the chaplain enrich the lives of the residents.



*Baptist Retirement Homes Chaplains*

**Because of your partnership with us** — Baptist Retirement Homes is now serving more than 700 Older Adults in our five locations across North Carolina.

**Because of your partnership with us** — Baptist Retirement Homes provides a full range of services to Older Adults including independent living, assisted living and nursing care as well as special programming for those with dementia-related disorders such as Alzheimer's Disease.

**Because of your partnership with us** — Baptist Retirement Homes is a leader in giving care to Older Adults who lack sufficient financial resources to pay the full cost of the care they need and deserve. Sixty percent of our nursing care residents receive financial assistance and thirty-five percent of our assisted living care residents receive assistance. This care is made possible by gifts from our Baptist churches. In 2006, funds received from North Carolina Baptists totaled approximately $1.4 million.

**Because of your partnership with us** — Our commitment for the years ahead is to continue to bring the highest level of care to as many Older Adults as we possibly can — both those with financial resources and those who need financial assistance. We are counting on our Baptist churches to *"... not forget to do good and to share with others, for with such sacrifice God is pleased." Hebrews 13:16.*

# Report from the Baptist State Convention of North Carolina

***For period July 1, 2006 to June 30, 2007***

North Carolina Baptists are on a journey to become "caring, sharing and daring" disciples for Jesus Christ. The Baptist State Convention of North Carolina staff, under the leadership of Executive Director-Treasurer Milton A. Hollifield, Jr., is devoted to encouraging, equipping and praying for Baptist congregations across the state.

One executive leader position changed this year. Norman Jameson served three years as executive leader for Public Relations and Resource Development before being named editor of the *Biblical Recorder*. Executive leaders Lynn Sasser, John Butler and Brian K. Davis stepped in to oversee the ministries of this group during the interim period.

Dan Euliss, senior consultant for stewardship education and North Carolina Missions Offering promotion, retired after 30 years in Baptist life.

**Serving Together**

God continued to bless North Carolina Baptists in ministry this year.

Thousands of students attended summer student weeks at Fort Caswell and this year, for the first time, Youth Weeks came to the western part of the state for two camp weeks at Nantahala Village.

During Congregational Leadership Days at Hollifield Leadership Center more than 3,000 North Carolina Baptists came to beautiful Lake Hickory to draw closer to each other and to God.

Fruitland Baptist Bible Institute launched construction of a chapel expansion that will more than double the building's capacity. A larger chapel will allow Fruitland to hold graduation ceremonies on campus.

Camp Caraway celebrated 45 years of Christian camping and 30 years since the opening of the Conference Center. The ribbon cutting for the RYE Foundation Staff House was held in conjunction with the 45th reunion of the boy's camp staff.

This year marked the 300th anniversary of associational partnerships in the United States. From the eastern coast to the mountains, the Baptist State Convention works alongside 80 associations to help grow, train and care for congregations.

These stories of God at work need to be told, so the Baptist State Convention launched a new Web site, www.ncbaptist.org. The new site is user-friendly, includes more downloadable resources and features more stories and photos.

The theme for the 2007 North Carolina Missions Offering and Week of Prayer was "Are You Listening?" This year the sub-theme, "Get 'Em To Gulfport," was introduced. North Carolina Baptists were invited to track the progress of "volunteers" NiC and Mo to hurricane-ravaged Gulfport, Mississippi, on the NCMO Web site, www.ncmissionsoffering.org. Gulfport is where North Carolina Baptist Men are building 700 homes and impacting tens of thousands of people through construction, food service and Christian compassion.

More than 1,500 churches increased their Cooperative Program giving amount for 2006 over 2005. An ad series in the *Biblical Recorder* during 2007 featured some of the churches that made increases in Cooperative Program giving.

**Planning for the Future**

On January 2, GuideStone Financial Resources, an agency of the Southern Baptist Convention, introduced My Destination Funds, a new family of funds targeted to a participant's projected future retirement date. These funds are professionally managed and the asset allocation is adjusted automatically as the participant ages. This significant development allows church staff to think more about ministry and less about managing their retirement account.

The Church Retirement Plan was another major emphasis. We work hard to educate church staff and church leaders about the best retirement plan for employees of Baptist churches. This year, annual church budget eligibility requirements for the Mission/Church Assistance Fund were dramatically adjusted from the previous requirement of less than $40,000 per year to less than $75,000 per year. Many pastors, who are active participants in the church retirement plan, will now qualify to receive $50 per month for five years.

**Casting a Vision**

For executive leader Don McCutcheon and the Mission Growth Evangelism Group, the Intentionally Evangelistic Church Strategy (IECS) was the primary focus in 2007. The strategy will remain a priority for years to come as the Convention seeks to help churches be intentionally and effectively evangelistic in every area of ministry, and in baptizing and discipling new believers. The IECS assists churches in developing an individualized process for effective evangelism based on Acts 2:41-47.

Guillermo Soriano, multicultural evangelism specialist, and Sammy Joo, international campus minister for the Triangle area, joined the Mission Growth Evangelism Group.

In January, the Office of Prayer for Evangelization and Spiritual Awakening was established. This significant step will allow the Convention to better assist churches and associations as they answer God's call to return to Him in holy lifestyles of prayer that lead to renewal, revival, spiritual awakening and the Great Commission.

Chris Schofield leads this team and Bob and Phyllis Foy and Wendy Minton Edwards serve as consultants. Visit www.PrayNC.org for more information.

**Church Planting**

North Carolina Baptists facilitated the planting of 88 new churches and 26 new affiliate churches. Of the 114 new churches, 34 were Anglo, 16 were Hispanic, 14 were African-American, 11 were Asian and seven were cowboy churches. Other church plants were multicultural. New church plants made 265,107 evangelistic contacts.

For the reporting year, North Carolina Baptist churches baptized 24,262 people.

The Church Planting Team held its first North Carolina Church Planting Forum which focused on prayer, leadership building, evangelism, sermon preparation, outreach, fundraising, Web site design, children and staffing.

The first "Supervising and Coaching Church Planters" event was held at the Cary office. Associational missionaries, associational staff and pastors learned to guide church planters to effective outreach through coaching and goal setting.

Ralph Garay, Asian church planting consultant, and Frank White, Anglo/African- American church planting consultant, joined the Church Planting Team.

**On Journey**

Congregational Services is committed to coming alongside North Carolina Baptist congregations on their journey toward their full Kingdom potential.

Congregational Services assists churches in Sunday School, church administration, church building and planning, music and worship, children's ministry, preschool ministry and family ministry.

This group also cares about church health, from discipleship and leadership development to church-minister relations and planning.

Congregational Services provides leadership and resources for meeting the growing multicultural needs in our state as well as ministries to the deaf, blind, other special needs individuals and military/chaplaincy ministry.

# Council on Christian Higher Education
## 2006 Report to Associations

The theme of this year's 177th Baptist State Convention's annual session focuses upon the ***Great and Wondrous Things*** that God has been doing in and through North Carolina Baptists. I hope that as you gather to celebrate the many *Great and Wondrous Things* that God has been doing through the churches of your association this year, that you will join the Council on Christian Higher Education as we, too, celebrate God's work on the college and university campuses of institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

The student body of each campus is growing, new facilities are being built, and students are provided with opportunities to grow academically and spiritually. Allow me to provide an example of only a few of the *Great and Wondrous Things* that God has done on each of the five campuses this year:

**Campbell University** – 2,835 undergraduate students; establishment of a football program; construction of a new convocation center and new chapel.

**Chowan University** –significant renovations underway; improvement of athletic facilities; growth of endowments now totaling over $21 million dollars; numerous students participated in missions trips and journeys to the Holy Land.

**Gardner-Webb University** – nearly 4,000 students from 34 states and 33 countries; new facilities for students with disabilities; new degree program – Master of Arts in Religion; marching band established; numerous students participated in missions trips to the Gulf Coast region, Canada, and Ecuador.

**Mars Hill College** – celebrated 150th anniversary; mission teams to Honduras, Greece, and New Orleans; established teacher education graduate degree program; new math and science building underway; renovations to athletic facilities.

**Wingate University** – over 1,800 students; 57 graduates comprised the School of Pharmacy's first graduating class; students involved in supporting the hunger relief efforts of the Charlotte Men's Shelter and Harvest Food Bank.

This year, undergraduate students were given the opportunity to apply for the Convention's Baptist Scholars Program scholarships on-line. The new application process is faster, easier, and much less complicated than the former paper applications.

I remind you that your generous gifts to the Cooperative Program provide important support to these five schools through scholarships and other unrestricted funds. These five schools, Campbell University, Chowan University, Gardner-Webb University, Mars Hill College, and Wingate University, strive to provide educational opportunities from a Christian worldview with a Baptist distinctive and are able to do so as you both give and pray for students, faculty, and campus leadership alike.

# Biblical Recorder
# Annual Associational Report 2006-07

Tony Cartledge, editor for the past nine years, has retired from the *Biblical Recorder* to become associate professor of Old Testament at Campbell University Divinity School. In July the board elected Norman Jameson, a journalist with 30 years' experience in Baptist communications, as the new editor.

Jameson, 54, comes most recently from the staff of the Baptist State Convention of North Carolina, where he was executive leader for public relations and resource development. He started his career in 1977 as feature editor of Baptist Press, the Southern Baptist Convention's daily news service. He also has been associate news director for Southwestern Seminary, associate editor of the Oklahoma *Baptist Messenger*, director of communications and editor of *Charity & Children* for Baptist Children's Homes of North Carolina and for five years was a consultant in public relations and capital fund raising.

The *Recorder's* position as a source of news, features, inspiration and connection is growing stronger as more people get their news daily—or more often—through the www.biblicalrecorder.org web site. Recently that site has received 300,000 visitors monthly. The *Recorder* is committed to keeping the news web site vital and current. It is a phenomenal source of searchable history for the past 10 years of North Carolina Baptist life. Yet it is current to the hour. At this point, use of the web site for readers is without charge. Staff is investigating ways the web site might return revenue to the *Recorder*, although web culture internationally is that content is free. The *Recorder* sells unobtrusive advertising on the site and will look to expand that presence.

On the print side, the *Recorder* remains the single greatest source for North Carolina Baptists to stay in touch with each other and to stay informed about their cooperative work worldwide. Where else are you going to learn about a church fire, pastor and staff movement, a successful Vacation Bible School, youth weeks at Caswell and about the work of your Conventions—locally, nationally and internationally?

In addition to keeping you informed of the regular workings of your cooperative efforts, the *Recorder* is going to bring special issues, addressing topics of interest to young families, parents and grandparents. The person in your church with no real interest in denominational issues will still find valuable information on daily living in the *Recorder*.

Postage costs went up $1,400 per issue in July, which translates to $38,000 annually, which will necessitate a subscription cost increase, pending board action in October. Cooperative Program receipts are trailing projections through July 2007, resulting in further budget shortfall.
The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, then in 1939 became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and serves the full spectrum of its churches.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program Missions Giving contributions from churches, making it possible to offer the *Recorder* at subscription rates below the actual cost of production. You can receive a free three-month subscriptions for yourself and your friends.

# GuideStone Financial - Annuity Report

## Office of GuideStone Financial Resources for the Baptist State Convention of NC, Inc.

The GuideStone Team has been extremely busy during this past year to ensure prompt and accurate delivery of information related to retirement, insurance, staff compensation, tax issues, etc. that impact dramatically the care of persons who serve on church staff here in North Carolina. We celebrated the retirement of Amy Strickland as Administrative Specialist on our team and welcomed Betty Pleasant to that ministry position after a number of years in the convention's administrative offices. We are very grateful for the ministry of these ladies in assisting church staff and key church leaders.

On January 2, 2007, Guidestone Financial Resources, an agency of the Southern Baptist Convention headquartered in Dallas, Texas, introduced a new family of funds, *My Destination Funds*, which are date targeted to a retirement participant's projected retirement date at some point in the future. For those participants who choose to invest using these funds the hassle of keeping up with an appropriate asset allocation as the participant grows older is now removed. These funds are professionally managed and the asset allocation is adjusted automatically as the participant ages. This is a "great and wondrous" development since many church staff are focused primarily on ministry to people rather than managing their retirement account. Furthermore, the retirement funds at GuideStone exceeded their respective mutual fund peer universe median as measured by Lipper rankings during this past year.

The successful transition to a single provider for medical insurance for the GuideStone medical plans reaped great rewards as 57% of Personal Plan participants received no rate increase or a reduction in premiums. This is a "great and wonderful" thing for those who are covered with GuideStone medical insurance. Life and disability coverage continues to be tweaked to meet the needs of our church employees. Beginning with the 2007 fall semester all students enrolled at one of the Southern Baptist seminaries (we have Southeastern Seminary in North Carolina) will be covered with $10,000 of life insurance at no cost to the student and the 31 day of open enrollment from matriculation for new students continues to be very attractive.

The Church Retirement Plan is a major emphasis of the GuideStone team. We are working hard to educate church staff and key church leaders to the best retirement plan on the market today for employees of our Baptist churches. On April 1 of this year annual church budget eligibility requirements for the Mission/Church Assistance Fund were dramatically adjusted from the previous requirement of less than $40,000 per year to less than $75,000 per year. Many of our church pastors will now qualify to receive $50 per month for a five year period, but they must be active participants in the church retirement plan to receive this "great and wonderful" benefit.

Finally, we gladly promote the Endowment ministry at GuideStone to provide ongoing and one-time financial assistance to retired ministers and widows of ministers who are living in poverty. As of March 31, we had 204 North Carolinians, who have met the very strict guidelines and are receiving financial assistance from GuideStone Financial Resources. Please assist us in identifying those persons who might qualify for this assistance.

In closing, it is our strong desire to serve all of our churches and their employees with the appropriate information/products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the new and redesigned GuideStone Web site at www.GuideStone.org.

The International Mission Board's Annual Statistical Report (ASR) contains the most accurate information for the stated reporting period available and this report is based on a data snapshot on January 1, 2007.

After publication, the board's Global Research Department continues to process both new and revised reports as field personnel continually strive to provide the most accurate picture of the board's work and influence during the given reporting period. Regions may submit new or revised reports for a variety of reasons, such as typographical errors in the original report, newly received or corrected information from Baptist Partners, or clarification of reporting categories. This report includes information on work outside of the United States and Canada.

After publication of the ASR, all analyses utilize the most current data for the reporting period available at that time (including all new and revised reports submitted since the ASR's publication). Thus, subsequent ASRs will reflect corrected data and may differ from previously published reports.

## North American Mission Board
## Annual Ministry Report 2007

In the midst of significant challenges in 2006, the North American Mission Board, in partnership with our Southern Baptist state conventions, associations, and churches, gained a renewed vision and passion for three primary tasks that define the agency: sharing Christ, starting churches, and sending people.

The staff and more than 5,000 missionaries who serve through NAMB are grateful for Southern Baptists' prayers and support and are looking toward the future, confident in God's leadership and provision. We are especially thankful to all Southern Baptists who gave so generously in 2006 to the Annie Armstrong Easter Offering for North American Missions. A total of $58.4 million--exceeding the national goal by more than $2 million--was given to help us share Christ, start churches, and send people. In addition, we are thankful for the continual financial support that churches give through the Cooperative Program. Our prayer is that God will find us good stewards of those funds and of the work He has called us to do.

Following are a few highlights of how God blessed those record gifts to the Annie Armstrong Easter Offering and Cooperative Program.

**Sharing Christ**

A total of 153 new chaplains received SBC endorsement through NAMB. The total chaplain count is 2,671, and more than 5,700 people came to Christ through their faithful sharing of the gospel in settings such as prison, military, institutional, corporate, and healthcare facilities. For more information about chaplaincy, visit www.namb.net/chaplain.

The Evangelism Response Center has 3,040 volunteers who serve as Telephone Encouragers (TE). In 2006, they directly engaged 14,100 callers, and another 15,000 calls were placed as call backs when TEs were not available because of demand. A total of 7,080 people made decisions related to their walk with Christ, including 781 for salvation.

CrossOver Greensboro, held prior to the Southern Baptist Convention in 2006, gave volunteers the opportunities to participate in inner-city evangelism, street evangelism, sports clinics, Kindness Explosions, international festival, door to door witnessing, collegiate evangelism, and evangelistic events. There were more than 820 professions of faith. CrossOver San Antonio will be June 9-10.

Prior to Katrina, New Orleans Baptist Ministries operated four ministry centers in New Orleans. The seven career missionaries were assisted in the work by US/C-2 missionaries, semester missionaries, and missionary interns to operate the centers and to assist the churches in special projects. Since Hurricane Katrina, the missionaries have become an integral part of starting and operating Operation NOAH Rebuild as well as assisting the reconnecting of churches to their communities. New Orleans Baptist Ministries and Operation NOAH Rebuild have provided an opportunity for Southern Baptists volunteers to partner with Louisiana Baptists in a way never possible in the past. For information on volunteering in the effort, see www.namb.net/noah.

Special Ministries missionaries and volunteers lead by example in innovative evangelism outside of the walls of the church through resort and leisure ministries, sports evangelism, truck stops, and seafarers centers. A great example of God's blessings in 2006 is what happened in the U.S. territory of American Samoa. Because of the coordination of discipleship efforts of the various ethnic congregations of the island, there were 567 professions of faith reported in 2006 among international seafarers, with 177 of those being baptized in the waters off the island.

Domestic Hunger Funds (funds benefiting the hungry in North America) totaling more than $1.4 million were distributed to the states last year. More than 2,000 hunger ministries reported more than 30,000 professions of faith. There were more than 50,000 volunteers working in hunger ministries, and 8,700 new volunteers were trained in evangelism. Last year, the gospel was shared with more than 650,000 people because of the opportunities provided through hunger ministries.

## Starting Churches

Southern Baptists established more than 1,458 new congregations in 2007. Of these, 55.3 percent are ethnic and African-American congregations.

The Nehemiah Project, which has established seven church planting centers on Southern Baptist seminary campuses, trained and helped place 669 long term church planters. Since the Nehemiah Project began, more than 1,061 people who have served as short-term interns preparing for church planting roles.

Canadian leadership set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020. Partnerships continue with several SBC mega-churches to plant flagship churches in Canada.

## Sending Missionaries

NAMB's missionary count was 5,153 on December 31, 2006. Of this number, 2,942 are missionaries and their spouses operating under various levels of cooperative funding with state conventions and local associations, and another 2,211 are long-term Mission Service Corps missionaries.

1,623 high school and college students answered God's call to summer, sojourner, or semester missions. Semester missionaries made 9,041 gospel presentations resulting in 677 professions of faith and 626 rededications.

An estimated 125,000 Southern Baptists participated in short-term projects through NAMB during the year.

In 2006, 41,000 Southern Baptist trained Disaster Relief volunteers worked in 156 responses. Volunteers from 41 state conventions prepared 631,000 meals, repaired 6,176 buildings, cleaned 4,331 yards of storm debris, and purified 259,000 gallons of water. More than 19,000 new Disaster Relief volunteers were trained.

World Changers summer mission opportunities saw more than 22,036 participants in 86 projects. PowerPlant, a mission opportunity mobilizing students in church planting and missions, saw 1,157 participants in 12 projects. Together these ministries made 12,414 presentations of the gospel resulting in 1,150 recorded professions of faith.

Cleveland Hope began its first year of church and community wide implementation in Northeast Ohio in 2006. In addition to this Strategic Focus Citiesinitiative, work began on Embrace Baltimore and Vision San Diego to begin mobilizing churches and in partnership with state conventions, LifeWay and churches across North America. We anticipate developing a three year strategy to spiritually impact these great cities.

# Additional Information on LRBA Ministries And Specific Fund Needs

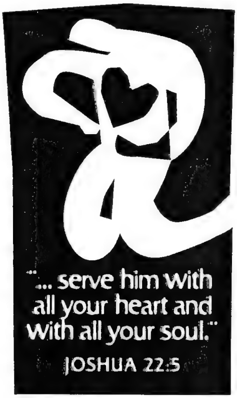
1. **Armenia Partnership** – LRBA has entered an agreement to support a church planter in Gavar, Armenia. We have also purchased an old factory (single building) being renovated into church use. Monies are needed for building materials and pastor support. We are currently paying the pastor $250 / per month through designated contributions. Approximately $8,000 is still needed for additional building materials.

2. **CCN Broadcasts** – This resource is considered the best resource available for training in all areas of church life. These broadcasts are utilized at Hollifield Learning Center by the Baptist State Convention regularly. They are available to us on an annual fee basis with a start-up first year @ approx. $2,000. We are now able to offer the best cutting-edge training out of the LRBA office.

3. **Future Church Sites**– As we strategically plan for new church starts, it is essential that we have funds to purchase land. We have a new work fund started, and we need additional funding so we can acquire new church sites.

4. **New Work on Ray Road** – We are partnering with Crossroads Church to develop new work in the Anderson Creek community. This is a brand new work being projected during the next year. It will necessitate budget support beyond our current budget allocations for new work.

5. **Truck Stop Ministry** – We have placed over 9000 N. Testaments. The price of these has increased 3 times since we began the ministry. Funds will be sent to purchase bibles, gospel tracts and chaplain services.



"... serve him with all your heart and with all your soul."

# Senior Adult Committee Report
## 2007

In 2007, we celebrated our 10th year of having an Associational Senior Adult Ministry. This has allowed us to become better acquainted with Harnett's Baptist Seniors. We've shared ideas and programs with each other. Interaction afforded others to establish new friendships. Some groups have traveled together. Now the "baby boomers" are approaching senior status. We do look forward to them becoming a part of our group. It has been a real delight to be involved in spreading the joy of Christ.

Our 2007 meeting was held at the Holly Springs Baptist Church with 218 registering. We had 21 churches represented. David Moore, State Senior Adult Director, entertained us with his guitar and humor.

Neill's Creek Baptist Church, at 4200 Neill's Creek Road in Angier, is hosting our 2008 Senior Fellowship Day on May 15th at 9:30 AM. Please make your seniors aware of this opportunity.

# WMU of Little River Baptist Association Celebrates 100th Anniversary

In November of 1907, twenty-three ladies from seven different churches gathered together at the Presbyterian Church in Dunn, NC, meeting separately from the men, and organized the first Associational WMU of Little River Baptist Association.

To commemorate that historic meeting, the Little River WMU had a special celebration in May at Chalybeate Springs Baptist Church, which was one of the first churches in the association to have a WMU organization. The ladies and guests enjoyed a delicious dinner, after which they were privileged to hear from Ruby Fulbright, Executive Director of NC WMU, and Dan Deaton, Director of Missions for Little River Baptist Association, and to enjoy inspiring music, as well as to sing, "Faith of our Mothers." Vivian Simpson, former Associational WMU Director had compiled the history of the associational WMU, and presented a condensed version of that history.

The main speaker for the celebration was Dr. Roy Smith, former Executive Director/Treasurer of the Baptist State Convention. Dr. Smith reminded all those present of the powerful influence for missions that WMU has been in spite of opposition, and he encouraged the women to continue being faithful in carrying out the task of reaching the world with the gospel.

Dorothy Barham was completing her tenure as Associational WMU Director. The new director is Shirley Crissman, who was elected, along with the other Leadership Team members.

### ARTICLE III - OBJECTIVES

# HISTORY OF ANTIOCH BAPTIST CHURCH
## MAMERS, NC

Antioch Baptist Church is the third oldest church in the Little River Baptist Association. It was organized in 1833 and was called New Bethel until 1847, when the name was changed. The New Bethel Church building was located in back of the present cemetery.

In 1874, twenty-four members left Antioch Baptist Church to form a new church, which is now called Holly Springs Baptist Church. In 1900, Neill and J. D. McKay deeded 10 acres of land to Mark Wade and J. W. Yarborough as deacons in Antioch Baptist Church. This land is where the church is located today. In 1907, a WMU was organized.

In 1908, the New Bethel Church building was torn down and the present sanctuary was built. Framing of the sanctuary was completed using wood from a large tract of pine trees donated by the Jim David family. G. W. O'Quinn donated the timber for the rafters. Charles Ross loaned the church a sawmill to cut the timber and the men of the church made the pews. In 1934, eight Sunday School rooms were added to the back of the sanctuary. In 1941, an educational building was constructed providing eighteen classrooms, four assembly rooms, and a nursery.

In 1944, an eight-room parsonage was built. In 1955, a second education building was constructed, joining the former educational building and the sanctuary. This building provided an additional eight classrooms, one assembly room, and a pastor's study.

In 1958, Antioch Baptist Church organized a mission located on Highway 27. This mission became Calvary Baptist Church in 1974. In 1964, the fellowship hall was completed, providing a kitchen, a complete nursery, and a new pastor's study. In 1970, the sanctuary was completely renovated, adding bathrooms, central heating, air conditioning, and new furniture.

Through the years, Antioch Baptist Church has been instrumental in sending at least fifteen people into the ministry. Seven men were ordained into the Gospel ministry: James A. Davis; Walton Page; Irvin Stephens; Ronald Byrd; Arthur Wall; Charles Blackwell; and Ed Rogers. Five ladies from the church have graduated from seminary: Foy O'Quinn; Zula Rogers; Phyllis Thomas; Donnie Stewart Winston; and Rebecca Lindhout. There have also been three people commissioned as missionaries from Antioch Baptist Church: Phyllis Thomas, Chile 1978-1989; Josh and Betty Stewart, Southeast Asia 2009-present.

The following men have served as pastor of Antioch Baptist Church: *H. D. Judd* (1876); *J. W. Collins* (1884); *O. Churchill* (1885); *A. N. Campbell* (1886-1893); *W. G. King* (1893-1894); *A. N. Campbell* (1894-1899); *G. A. Bain* (1899-1903); *J. A. Clark* (1904); *D. P. Rollins* (1904-1905); *E. M. Lassiter* (1905); *G. T. Mills* (1905-1912); *C. H. Norris* (1912-1913); *L. L. Hudson* (1913-1917); *W. C. Dowd* (1917-1920); *S. A. Edgerton* (1920-1923); *A. C. McCall* (1923-1927); *L. L. Johnson* (1928-1933); *M. F. Booe* (1934-1935); *R. F. Hall* (1936-1941); *L. J. Martin Groover* (1980-present)
*Earl Bradley* served as interim pastor from April 1952 to Jane 1953 and from September 1956 to March 1957.

### Little River Baptist Association
## 133$^{rd}$ Annual Meeting – First Session – Monday, October 27, 2008
### Trinity Baptist Church

Prelude and praise music was presented by Trinity Baptist Church prior to the opening of the session.

The 133$^{rd}$ Annual Meeting of the Little River Baptist Association was called to order by Rev. Jerry Parsons, LRBA Moderator, followed by the adoption of the program agenda.

The host Pastor, Rev. Steve Pegram, welcomed the delegates and guests and gave the invocation.

Rev. Dan Deaton, LRBA Director of Mssions, recognized four new pastors: Rev. Kevin Gregory-Crossroads Anderson Creek site; Rev. David McLaurin-Duncan; Rev. James Tart-Faith; and Rev. Alex Poindexter-Graceway Mission.

The congregation sang, "Footsteps of Jesus."

Power vignettes were presented by Debbie Jones from Buies Creek First, of a mission trip by that church to Vermont. Their ministries included VBS, backyard Bible clubs, soccer camp, Bible studies, and housing complex ministry. They also gave book bags that were provided by Overhills Community Baptist Church.

Josh Stewart, Youth Minister, and Jason Purshey from Holly Springs, reported on a mission trip that 23 youth and 6 adults from their church made to New Orleans. They shared Jesus as they did construction work.

Alice Davis, LRBA Missions/Ministries Coordinator, reported on the work here in our association. She said God is busy growing churches in our area as the floodgates open. We are in the business of exalting the Savior and must work together. We are God's army – His hands and feet – as we do missions. She told that Operation Inasmuch, which was on April 18, involved 34 churches, 185 projects, and 1477 volunteers. A video clip of some of the work that day was shown.

Emery Hobbs, LRBA Treasurer, gave the treasurer's report. He referred to pages 11-18 in the program booklet and discussed some of the changes. He pointed out that the major increase in the budget is for new church starts. He recommended that the budget by adopted as printed. The vote will take place during the business session on Tuesday evening.

Georgia Lee Brown, LRBA Assistant Clerk, reported that 114 messengers and 29 visitors were present for a total attendance of 143.

Rev. Joe Greene, Chairman of LRBA Resolutions Committee and Pastor of Chalybeate Springs, called Emery Hobbs to the podium. He then read a resolution honoring G. Emery Hobbs and expressing gratitude to him for 9 years of service as treasurer of the Little River Baptist Association.

Rev. Dan Deaton, LRBA Director of Missions, reflected on mission work in our association and beyond. This included a report on a mission trip to Vermont and new churches in our assocaiton that are reaching new people. Rev. Deaton expressed gratitude to Rev. Jerry Parsons for his service as moderator of our association for the past 2 years. He also asked for prayer for Rev. David Whiteman, who had surgery today. Rev. Deaton told about the good work of Explore Mission (formerly named Holland Community Baptist Church) led by Rev. Clay Burgess. He made a motion that Explore Mission be moved from a mission to a church and accepted into the association. The motion received a second and was passed.

Rev. Clay Burgess expressed thanks to Rev. Dan Deaton for his vision and encouragement and to the association for the support given.

Rev. Jesse Mooney, pastor at Coats Baptist Church, led a prayer of thanksgiving for the offering to be taken that would be for the New Work Fund of the Little River Baptist Association. During the taking of the offering, special music by Trinity Baptist Choir was the song, "Standing on the Solid Rock".

Dr. Bruce Blackmon emphasized the work of the North Carolina Baptist Foundation. He reported that the Little River Association Endowment for Missions Fund with NCBF is now in the amount of $1,251.00.

The hymn, "Turn Your Eyes Upon Jesus", was sung by the congregation.

Dr. Ken Dalton spoke on multi-site church planting, which is one church in two locations. Crossroads has an additional church site at Anderson Creek that meets at Overhills High School. Rev. Kevin Gregory is the campus pastor at the additional site. There were about 25 people at the service there last Sunday.

Rev. Alex Poindexter talked about the new work at GraceWay Mission, which began on January 20, 2008. This mission is supported by the Little River Baptist Association and the Baptist State Convention. The average attendance is now approximately forty. Rev. Poindexter asked those present to pray and to become a part of the vision for this mission work.

Kenneth Cummings and Marion Hobbs, of Holly Springs Baptist Church, reported on a mission trip to Gavar Baptist Church in Armenia, which is in partnership with LRBA. Much work has been done since their first visit in 2006. They showed video clips of the church building and the improvements that have been made there. In addition to the construction work, they also ministered through VBS at the school, eye glasses clinic in various locations, and visits in homes. They asked for prayers for Armenia.

Rev. Dan Deaton reported that the offering tonight was in the amount of $711.62. Since it was almost time for the session to close, Rev. Deaton suggested that Rev. Paul Fowler share a brief word of testimony rather than preach the annual sermon and that he be allowed to preach the annual sermon in 2009.

Rev. Paul Fowler, pastor of Friendship Baptist Church, read scripture and shared some brief inspirational thoughts. He invited those in attendance to share in a time of fellowship and refreshments in the Fellowship Hall of the church.

The closing hymn sung by the congregation was, "Take the Name of Jesus With You."

The meeting was adjourned with the benediction by Rev. Jerry Parsons.

# In Memoriam

The following names represent lives that touched us in many ways. They represent precious family members and dearest friends. The contribution they made to their own families, to the family of God, and to our Lord's kingdom work cannot be described with words. Our Lord has fulfilled His plan in their lives and now He has seen fit to reward their faith and labor. Each passing has left a void in the hearts of many, yet it is a void that Jesus heals in His time. We honor these precious lives by our continued faith in Christ – the **ONE** our departed loved ones continue to serve.

*Peace I leave with you; My peace I give to you;*
*not as the world gives, do I give to you.*
*Let not your heart be troubled,*
*nor let it be fearful.*

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
(July 2007-July 2008)

***Kasey . . .*** The life Kasey lived was a sharp contrast from the life she was actually living at school where she was popular and a cheerleader. An abusive stepfather, a distant mother, and the responsibility of caring for her two younger brothers were too much for the young teen. Kasey moved in with her grandmother believing it would help. Instead, as she grew older, she acted out and made dangerous choices that put her at risk.

Kasey's grandmother knew about Baptist Children's Homes and made a call. The teenager now lives at BCH's Oak Ranch near Broadway, becoming the first girl ever admitted into the residential facility that had before only served boys. Today, she is one of seven girls in care.

Kasey likes living at the 755-acre ranch. She loves taking care of the horses. She is taking responsibility for her actions. Kasey is involved in theatre at the Harnett County school she attends. Recently, she played a fish in "Seussical the Musical," and she is a member of the school's photography club. Her favorite subject is English.

Kasey reads her Bible and says she prays a lot. "I am a Christian. I have given my heart to the Lord. I tell Him everything."

Kasey is only one of nearly 1,500 children who find hope and care each year at Baptist Children's Homes. Each one has a story. Each one is given an opportunity in the name of Jesus. Thank you, North Carolina Baptists, for remembering "the least of these."

***President Blackwell Marks 25th Year . . .*** BCH president Michael C. Blackwell observed his 25th year overseeing the statewide child care Institution on July 1. Blackwell has led BCH to become family-focused and child-centered while never losing sight of the ministry's core Christian values. His accomplishments are too numerous to list here, but the reader is referred to the July 2008 Commemorative issue of ***Charity&Children*** for a complete summary. Complimentary copies are available by calling 1-800-476-3669, ext. 1211. Under Blackwell's leadership, BCH now operates facilities in 16 North Carolina cities.

***New Transitional Service . . .*** BCH introduced a new residential service to specifically aid older children as they prepare for life as independent adults. Transitional living provides care, counseling, and life-skills education to older children in a less restricted residential setting. The service was created in response to the growing need in North Carolina to help transition children from residential care to productive and self-sufficient adult lives. In

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
## 2007 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

Accomplishing this mission does indeed involve Caring, Sharing, and Daring. The Caring of the Foundation manifested itself in 2007 as individuals were assisted in establishing 35 endowment funds and 8 charitable remainder trusts totaling $1.8 million and received $4.8 million in contributions to existing endowments, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote Make Your Will Month, Christian estate stewardship and church fund management. Approximately $445,000 from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received just over $7 million in contributions during 2007 for Christian causes.

And, how is this for sharing? During 2007, our distributions totaled $13.9 million, with charity receiving $11.6 million and individuals, through trusts, receiving $2.3 million. During the 86-year history of The North Carolina Baptist Foundation, Inc., $33.9 million has been distributed to individuals and $70.8 million to Baptist churches, institutions and mission causes for a grand historical total of $104.7 million.

The Daring is seen in our investing Kingdom money in such a way as to grow the assets while at the same time protecting the principal. To this end, the Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Citi Institutional Consulting, a division of Citigroup Global Markets, to help select top money managers and evaluate performance. As of December 31, 2007, the Foundation held $156.9 million under management.

***Food Roundup Reaches New High . . .*** The annual "Food Roundup" in April exceeded its goal, setting a new mark in the amounts of food, supplies, and gift cards given to BCH. North Carolina Baptists across the state, with the coordination of church leaders and association directors of missions, came together to deliver more than $300,000 in donated items. Another high was set in the month of May when almost 3,000 volunteers and guests visited BCH facilities for work days and special events.

***Mills Home Church Renovation . . .*** Renovation of the Mills Home Baptist Church in Thomasville was completed with the help of North Carolina Baptist volunteers and a generous estate gift. ***BCH Reaccredited . . .*** BCH has been reaccredited by the Council on Accreditation of Services for Family and Children (COA). The institution has been accredited ever since.

***Five Star Rating . . .*** Three BCH centers received five star ratings, the highest possible rating, from the North Carolina Division of Child Development. The on-site daycare at Care House in Lenoir, a group home providing care and education for single teenage mothers and their babies, received its license in May 2007. The Fleshman-Pratt Education Center for infants to three year olds and Robert Idol Child Development Center for three to five year olds received five star ratings last summer. Both centers are a part of BCH's Weekday Education program in Thomasville.

***Truett Home . . .*** A special open house on February 3, 2008 celebrated the opening of the Truett Baptist Association Children's Home in Hayesville. The home represents one of the most unique relationships in North Carolina Baptist life as BCH provides residential child care services at the facility and Truett Association provides funding and leases the property. Truett Association and BCH have partnered to provide help to children and families living in Cherokee, Clay and Graham Counties.

***Girls Wilderness Camp . . .*** On May 20, 2008, President Blackwell made the long-awaited announcement of the establishment of a wilderness camping program for girls. Thanks to the generous compassion of North Carolina Baptists, the Mother's Day Offering received **$727,884 in 2007**, a new record! They feel the hand of God lifting their burdens through you, and their gratitude is life-changing.

# Biblical Recorder - Annual Report 2008
## Biblical Recorder Helps You Embrace Change

If it is not apparent to you yet, it soon will be: change is not linear, but exponential. Change comes at you not in a straight, predictable line, but in a blistering curve upward and accelerating. Changes you anticipated in five-years jump on you overnight. Knowledge is your only preparation to engage change without getting bowled over and the Biblical Recorder arms you with the knowledge you need to know, now.

That theme, "Know Now" is behind our July update of the www.biblicalrecorder.org website. You will find in the *Recorder* rich resources in news, features, inspiration, Sunday school lessons, interpretive insights about issues, ideas about what others are doing and where to find ideas for your own—all things you need to handle accelerating change in your church and spiritual life.

The *Biblical Recorder* is not the final word in the undulating mix of ideas among North Carolina Baptists. Instead, the *Recorder* is a forum in which to share and learn what others are doing in missions, church, evangelism, physical and spiritual health, personal finances, ministry and theological topics. You will be able to contact the staff writer of any story and make comments on any story simply by clicking on the appropriate boxes at the end of each.

We will have a photo album online and we want to publish photos of your mission trips and special events. Send us 8-12 photos with identification of the event and we'll put them up for the world to see. Your Kingdom efforts, whether next door or in another nation, deserve a wide audience to help readers of the Recorder be inspired, informed and immediate.

Those of you so inclined can start your own blog, hosted at the *Recorder* site, where you will have some built in audience and traffic. The online *Recorder* is updated several times daily. So come back often and stay in touch with the part of the Kingdom we call North Carolina Baptists.

The archives from 11 years of online news have been transferred to this site and are searchable by key words. So the *Recorder* is by far your best tool to find information about NC Baptist life. The print version of the *Biblical Recorder* carries the most current and vital versions of the daily updates with colorful photos and staff change information. There will always be something in the print version that is not online and an individual subscription is just $15 annually. Churches may subscribe in various group plans to save even more money.

The *Recorder* is a great place to advertise your church staff searches, and to peruse while you look for the right person to join your own staff.

The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, then in 1939 became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and serves the full spectrum of its churches.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program Missions Giving contributions from churches, making it possible to offer the *Recorder* at subscription rates below the actual cost of production. # Baptist State Convention of North Carolina
## Report for July 1, 2007 to June 30, 2008

North Carolina Baptists faithfully invest in the lives of others so that the truth of the Gospel may penetrate hearts and change lives. The Baptist State Convention of North Carolina staff, under the leadership of Executive Director-Treasurer Milton A. Hollifield, Jr., is committed to helping Baptist churches maximize their ministry outreach for the purpose of building the Lord's Kingdom.

This year the Executive Committee voted unanimously that the ministry of the BSCNC expand to create a new group – the Church Planting and Missions Development Group (CPMD). Formed out of components of the Mission Growth Evangelism Group (MGE), Administration & Convention Relations Group and Business Services Group, this new division will combine Church Planting; Associational Partnerships; Cooperative Program (CP) Missions Development, Stewardship, and NCMO; and the new Women's Ministry under the direction of a new executive leader. As a result of this action, the group formerly known as MGE will be re-named the Evangelization Group and retain its leadership role of evangelism with adults, youth and children as well as the outreach to college and university campuses across the state of North Carolina under Executive Leader Don McCutcheon.

Embrace Women's Ministries and Missions was launched this year. This ministry will embrace God's call to pray for and minister to women, their families and future generations for the building up of Christ's Kingdom. Embrace will focus on ministry to women and families through three major intents: evangelism, discipleship and missions.

**Associational Partnerships**
Ken Kessler, Baptist State Convention Associational Partnerships Team Leader for the past three and a half years, took a position with the Baptist General Association of Virginia in April 2008. Betsy Roland, Associational Partnerships Ministry Assistant, continues to serve associational staff as we search for a new Team Leader. The Convention serves churches along with 80 associations across the state.

Each year Associational Partnerships hosts an associational missions summer conference. This year's conference theme was "Living with Urgency:

Seize the Divine Moment." Speakers included Hugh Townsend, North American Mission Board; Pedro Rosario, Crown Financial Ministries; and David Mann, LifeWay Network Partnerships Specialist.

Bivocational Ministries also hosts an annual summer conference. "Developing the Leader Within You" was the focus this year, with special emphasis on 1 Timothy 5:2-3. Conference participants at Caraway Conference Center heard from Jim Henry, retired senior pastor; Ray Gilder, bivocational specialist with the Tennessee Baptist Convention; and Diane Gilder, teacher and leader in conferences for ministers spouses. Lester Evans is the BSCNC bivocational ministries consultant. The BSCNC has about 1,400 churches with bivocational staff.

Also sponsored annually is the Associational Staff/Convention Staff Dialogue. Each January, leaders dialogue about common ministry points in associations across North Carolina. Leaders learn from the ideas of others and encourage one another in their evangelism opportunities.

The retired directors of missions banquet in December invites leaders and their spouses to Caraway to fellowship and share how the Lord continues to work in their lives.

Associational Partnerships help associations fill ministry positions and provides training for search committees. Through Ministry Partnership Agreements local associations partner with this office in outreach such as church planting, resort ministry and ethnic and language ministry.

BSCNC also offers demographic services for associations & churches. Understanding the demographics of an associational area can help leaders be more effective in their planning and outreach. Convention churches can access this information through the Percept organization at the Web site www.link2lead.com. This year Percept added advanced features to allow leaders to view demographic data not only in their association, but within a certain mile radius of the association. Leaders can also view the demographics of other associations.

Associational Partnerships allows North Carolina Baptists to serve together and minister in the name of Jesus Christ.

### Conference Centers

This year 768 students made professions of faith, 1,804 made rededications and 52 were called to full time ministry during summer youth weeks at the North Carolina Baptist Assembly at Fort Caswell. During Congregational Leadership Days at Hollifield more than 3,000 North Carolina Baptists came to Lake Hickory for retreats and leadership development. Truett Camp hosted the Western Happiness Retreat, Junior Music Camp and Youth Music Week. Caraway Conference Center and Camp built a prayer chapel and welcomed 23,000 guests to its facilities.

### Church Planting

The Lord blessed the Baptist State Convention of North Carolina with a total of 99 new churches last year. This consisted of 77 new church plants and 22 new affiliates. Included were 77 Anglo, 15 Hispanic, eight Asian and eight multi-ethnic churches. Others were African-American, cowboy, biker, Montagnard, Hmong and African churches.

For the reporting year, **N Carolina Baptist churches baptized 23, 122 people.**

One of the primary components of the church planting process in North Carolina is Basic Training for Church Planters, a weeklong training event. This year we trained 106 people at this event.

The Church Planting Team also offered a "Partners in Church Planting" conference at Caraway Conference Center, when participants learned the three levels of partnerships in church plants.

Amaury Santos, Hispanic church planting consultant, joined the Church Planting Team.

### Eternal Impact

The theme for the 2008 North Carolina Missions Offering and Week of Prayer was "Eternal Impact" (www.ncmissionsoffering.org). This offering is the visible expression of North Carolina Baptists who desire to impact eternity. The offering supports the work of NC Baptist Men, church planting and evangelism, missions education and promotion, associational projects and mission camps. By supporting this offering and week of prayer, North Carolina Baptists work to impact God's world for eternal change to God's eternal glory.

Another way North Carolina Baptists make missions a priority is by giving through the Cooperative Program. Awards were given to the 20 churches leading the Convention in Cooperative Program giving for 2007. Among churches with more than 400 members, Peninsula Baptist Church in Mooresville was first in giving, while the leader among churches with fewer than 400 members was Laurel Springs Baptist Church in Deep Gap.

### Making Disciples

Congregational Services has a vision for North Carolina Baptist churches to make disciples resulting in lives changed by the power of God.

Congregational Services assists churches in Sunday School, church administration, church building and planning, music and worship, children's ministry, preschool ministry and family ministry.

Youth who attended music week at Truett Camp were challenged to devote their lives to worshipping the Creator. This year the All-State Youth Choir celebrated 10 years of ministry.

Churches participating in Sunday School leadership training and the Associational Smaller Membership Sunday School Growth Plan saw more people coming to church and hearing the Gospel. Through collaborative leadership, the Pastors Disciple-Making Network, and discipleship conferences such as Transformed Hearts, North Carolina Baptists have been encouraged to go forth and make disciples for Jesus Christ.

**Scholarships**
A scholarship program has been established and is administered by the Convention for students from North Carolina Baptist churches. This year nearly $1 million was awarded, with more than 700 students receiving scholarships. Students applying for the Baptist Scholarship were required to answer two essay questions: "Give your personal testimony" and "How is the Cooperative Program relevant to today's generation?" Students were also required to submit a letter of recommendation from their church pastor.

**Telling the Good News**
The Intentionally Evangelistic Church Strategy (IECS) remains the primary strategy for winning North Carolina to Christ.A total of 444 participants and 166 North Carolina Baptist churches participated this year in the IECS and IECS training.The IECS strategy seminars are moving from exclusively state meetings to more seminars on the associational level.
In May, the Office of Prayer for Evangelization and Spiritual Awakening announced the addition of a prayer room at the Baptist Building in Cary. This room serves as a model for Kingdom-focused prayer that seeks to glorify Christ and fulfill His mission.

The annual Revive Us Again statewide prayer conference was held at Hope Community Church in Raleigh and pastors and leaders united in prayer for revival and awakening during eight associational half-day retreats. Regional overnight one-day retreats were also held across the state.

The "Evangelizing Our Culture with the Gospel" conference was held February 25-26 at Lawndale Baptist Church in Greensboro and included equipping seminars, worship and church growth dialogue sessions.

**Retirements**
Janice Haywood, senior consultant for children's ministry, retired after 30 years of serving North Carolina Baptist churches. Fruitland Baptist Bible Institute president Kenneth W. Ridings retired after 11 years as president.

# Council on Christian Higher Education
## Baptist State Convention of North Carolina

This year at the Baptist State Convention annual session you will hear stories of how North Carolina Baptists are following Jesus' model of ministry to be *Caring, Sharing, and Daring.* Our theme this year for the annual session will help us remember how our Savior's mission becomes our model for all modern ministry in His name.

The Council on Christian Higher Education invites you to join us as we rejoice in how students on college and university campuses across the state are proving themselves to be *Caring, Sharing, and Daring* disciples for Jesus Christ. Here are just a few examples of how God is at work at the five institutions of higher education that cooperate with the Baptist State Convention of North Carolina.

Campbell University: The School of Education marked its first year as a Teaching Fellows program; ninety-five percent of the Norman Adrian Wiggins School of Law Class of 2007 passed the North Carolina Bar Exam; work is nearing completion on the new football stadium complex and the $30 million John W. Pope, Jr. Convocation Center; crews broke ground on the Robert H. and Anna Gardner Butler Chapel.

Chowan University: Campus Ministry founded a new tradition – The Chowan Cares Campaign – launching a campus-wide annual week dedicated to community service and outreach; students participated in lay revival weekends, missions trips and summer missions.
Gardner-Webb University: Overall enrollment was 3,988 for the fall semester, the highest enrollment in history; the GOAL (Greater Opportunities for Adult Learners) program celebrated 30 years of service; the Frank Nanney Hall building, the new home for the Noel Program for Students with Disabilities, opened its doors for the first time; the founding of The Center for Transformational Leadership was announced.

Mars Hill College: The Ferguson Math and Science Center opened with more laboratory and classroom space; the new Day Hall, currently in the planning stages, will be MHC's first LEED (Leadership in Energy and Environmental Design) certified building; renovations will be made to the Wall Science Building and Moore Fine Arts Building.

Wingate University: The University introduced a new master's program in Physician Assistant Studies; introduced the Ed.D in Educational Leadership; more than 430 people attended Wingate's annual fall "Church Youth Day;" 18 students served on short-term mission trips; 300 students participated in campus ministry programs.

We hope you will attend the annual session of the Baptist State Convention in Greensboro November 10-12 and hear more from the Council on Christian Higher Education about how students are living as *Caring, Sharing, and Daring* .

Your gifts to the Cooperative Program are critical to the success of these institutions and students. This year nearly $1 million was awarded in scholarships, with more than 700 students receiving scholarships. Students applying for the Baptist Scholarship were required to answer two essay questions: "Give your personal testimony" and "How is the Cooperative Program relevant to today's generation?" Thank you for your support and please continue to pray for our college students and faculty.

## GuideStone Team of the Baptist State Convention of NC, Inc.

### Report for 2008

The GuideStone Team of the Baptist State Convention of North Carolina exists to educate and inform key lay leaders who are the decision makers in our churches, and to facilitate the delivery of important products and services to the employees of the more than 4,000 churches affiliated with our state convention. Specifically, we use a variety of delivery methods to enhance the procurement of the following for church employees: **Insurance Products** (Life, Accidental Death & Dismember-ment, Medical, Disability, Dental, and Long Term Care), **Retirement Products** (Church Retirement Plan, Traditional and Roth IRAs, Personal Investments, etc.), **Compensation Planning for Church Employees**, **Tax Issues**, etc. In addition, we work closely with GuideStone Financial Resources in Dallas to provide financial assistance to those elderly ministers and widows of ministers who live under financial duress and need ongoing and/or one time assistance through the **Mission:Dignity Ministry** which is the new term for the very successful Adopt an Annuitant Ministry.

To personalize the importance of our work please consider the following vignettes. First, consider Pastor A, who had emergency heart bypass surgery this year with no medical insurance. The overwhelming cost of this surgery has placed a tremendous financial burden on him and his family. Furthermore, this pastor was not an active participant in the church retirement plan until recently. With the state convention protection benefits that come with monthly contributions to the retirement plan this pastor, as a retirement participant, now has a survivor and disability benefit in place for himself and his family in case of a debilitating illness, accident or death. Since no underwriting is required to prove evidence of good health, this pastor, his family, and the church he is serving is now protected from another catastrophic event resulting in disability and/or death. In 2007 working with GuideStone we paid the following disability and survivor protection benefits to North Carolina church employees and/or their families: 111 Disability Benefits Totaling $606,708.68 and 39 Survivor Benefits Totaling $391,254.53. This is a powerful example of **CARING** by our state convention by providing these much needed financial resources for those in need.

Secondly, please note that all church planters who receive financial assistance from the Baptist State Convention of North Carolina are now required to be an active participant in the Church Retirement Plan. With this change in policy we have the assurance of protection for all of our church planters, their families, and the churches they are starting in case something happens to them. By **DARING** to move in this direction our state convention has provided a safety net for those who have stepped out in faith to begin much needed new churches in our state.

Thirdly, consider Pastor C, who retired because of poor health. During the past year we qualified him to begin receiving monthly financial assistance from GuideStone through the Mission: Dignity Ministry to supplement his paltry monthly income. In fact, his wife shared recently that they would be in deep financial trouble without monthly financial assistance from GuideStone. As of 6/30/08, we have 206 persons from North Carolina who are receiving financial assistance through Mission:Dignity. **SHARING** this way fulfills the mandate of scripture to provide for those in need. Please assist us in identifying other persons who might qualify for this assistance.

Finally, we wish to serve all of our churches and their employees with appropriate information and products to meet their needs. For more information call the Baptist State Convention of NC at 1.800.395.5102 extensions 5594 or 5595, visit our Web site at www.ncbaptist.org, call GuideStone at 1.888.984.8433, or visit the GuideStone Web site at www.GuideStone.org.

The International Mission Board's Annual Statistical Report (ASR) contains the most accurate information for the stated reporting period available and this report is based on a data snapshot taken January 1, 2007.

After publication, the board's Global Research Department continues to process both new and revised reports as field personnel continually strive to provide the most accurate picture of the board's work and influence during the given reporting period. Regions may submit new or revised reports for a variety of reasons, such as typographical errors in the original report, newly received or corrected information from Baptist Partners, or clarification of reporting categories. This report includes information on work outside of the United States and Canada.

After publication of the ASR, all analyses utilize the most current data for the reporting period available at that time (including all new and revised reports submitted since the ASR's publication). Thus, subsequent ASRs will reflect corrected data and may differ from previously published reports.

For current data regarding a given reporting period, including the latest revisions, contact the Global Research Information Center (GRIC r;imb.orr).

# North American Mission Board
## 2008 Report

The North American Mission Board assists Southern Baptists in their task of fulfilling the Great Commission in the United States, Canada and their territories through a relevant national strategy for sharing Christ, starting churches and sending missionaries, in cooperation with Acts 1:8 Partners.

NAMB saw God at work in many ways in 2007 and welcomed new and exciting changes in partnership with our Southern Baptist state conventions, associations, and churches, as we continued to focus on our three primary tasks of sharing Christ, starting churches, and sending missionaries.

The staff and more than 5,000 missionaries who serve through NAMB are grateful for Southern Baptists' prayers and support and are looking toward the future, confident in God's leadership and provision. We are especially thankful to all Southern Baptists who gave so generously in 2007 to the Annie Armstrong Easter Offering® for North American Missions. A total of $59.4 million—exceeding the national goal by more than $2 million—w as given to provide resources to share Christ, start churches, and send missionaries. In addition, we are thankful for the continual financial support that churches give through the Cooperative Program. Our prayer is that God will find us good stewards of those funds and the work He has called us to do.

Following are a few highlights of how God blessed those record gifts to the Annie Armstrong Easter Offering and Cooperative Program.

**Sharing Christ -** A total of 278 new chaplains received SBC endorsement through NAMB. The total chaplain count is 2,778. NAMB-endorsed chaplains presented the gospel 61,057 times, resulting in 9,954 professions of faith and 2,352 baptisms. SBC chaplains serve in settings such as prison, military, institutional, corporate, and healthcare facilities. For more information about chaplaincy, visit www.namb.net/chaplain.

The Evangelism Response Center has 3,900 volunteers who serve as Telephone Encouragers (TE). In 2007, ERC received more than 34,000 calls. Telephone Encouragers directly engaged with 12,008 callers. A total of 7,264 people made decisions related to their walk with Christ, including 1,731 callers who prayed to receive Christ. On average, 20 percent of calls to the Evangelism Response Center make a decision related to their relationship with Christ.

Crossover San Antonio, held prior to the Southern Baptist Convention in 2007, gave volunteers opportunities to participate in inner-city evangelism, Festival de Alabanza (Festival of Praise), block parties, international festival, door-to-door evangelism, Compassion in Action (servant evangelism) and prayer walking. There were more than 820 professions of faith. Crossover Indianapolis will take place June 6-7, 2008.

NAMB is continuing its involvement in the long-term rebuilding of New Orleans by bringing national coordination to the ongoing effort by Southern Baptist volunteers through Operation NOAH Rebuild. Last year 11,611 Southern Baptists served in the re-building efforts. But beyond meeting physical needs, Southern Baptists are meeting spiritual needs. Operation NOAH volunteers shared the gospel 495 times resulting in 132 professions of faith. In addition, NAMB is working with its partners in the Gulf Coast region to strengthen churches and start new churches to address the area's urgent spiritual needs. For information on volunteering in the effort, see www.namb.net/noah.

- Domestic Hunger Funds (funds benefiting the hungry in North America), totaling more than $1.2 million, were distributed by NAMB to state Southern Baptist Convention partners. In 2007, Southern Baptist hunger ministries fed more than 3.5 million meals to the hungry in North America. More than 2,000 hunger ministries reported more than 35,000 professions of faith. There were more than 67,000 volunteers working in hunger ministries, and 7,200 new volunteers were trained in evangelism. Last year, missionaries and volunteers shared the gospel with more than 580,000 people because of the opportunities provided through hunger ministries.

## Starting Churches

- Southern Baptists established more than 1,455 new congregations in 2007. Of these, 55.2 percent are ethnic and African-American congregations.
- Through seven Nehemiah Project church planting centers on Southern Baptist seminary campuses, 741 students were trained and placed as long term church planters. More than 1,115 people have served as short-term interns preparing for church planting roles.
- Canadian leadership has set a prayer goal of establishing 1,000 healthy, reproducing churches by 2020. The National Church Starting Team has asked churches to partner with them to explore and pray in 2000 communities in 2008 as a part of "Encounter Canada 2008." Their goal is to explore and pray in every community across Canada by December of 2010.

## Sending Missionaries

- NAMB's missionary count was 5,271 on December 31, 2007. Of this number, 3,235 are missionaries and their spouses operating under various levels of cooperative funding with state conventions and local associations, and another 2,036 are long-term Mission Service Corps missionaries.
- 1,478 high school and college students answered God's call to summer, sojourner, or semester missions. Semester missionaries made 13,467 gospel presentations resulting in 1,054 professions of faith and 497 rededications.
- An estimated 125,000 Southern Baptists participated in short-term projects through NAMB during the year.
- In 2007, 17,989 trained Southern Baptist Disaster Relief from 42 state conventions prepared 1,039,989 meals, repaired 1,238 homes/buildings, completed 1,357 mud-outs of flood debris, removed storm debris from 8,565 yards, purified 206,511 gallons of water, cared for 823 children, provided 64,587 showers, and washed and dried 4,547 loads of laundry.
    - More than 9,493 new Disaster Relief volunteers were trained in 2007 to 70,410 the number of trained volunteers listed on state rosters.
    - 157 new mobile units were added to the DR fleet in 2007.
    - 6,257 gospel presentations with 508 professions of faith and 124 other decisions were reported.
    - There are currently 2,377 trained DR chaplains on the state rosters. In 2007, are reported 9,186 chaplain interventions took place.

- World Changers summer mission opportunities saw more than 22,346 participants in 87 projects. PowerPlant, a mission opportunity that mobilizes students in church planting and missions, saw 1,746 participants in 16 projects. Together participants in these ministries made 14,157 presentations of the gospel resulting in 1,209 recorded professions of faith.

- In 2007 Cleveland Hope, NAMB's Strategic Focus City emphasis in partnership with the State Convention of Baptists in Ohio, completed its second full year of church and community wide implementation averaging 490 baptisms (a 99% increase of pre-SFC engagement); 16 new church plants (80% success rate); 5,233 people mobilized to engage with local churches (prior to SFC engagement Cleveland averaged 350 annual mobilized volunteers) and more than 50,000 prayer intercessors mobilized. In 2007, Embrace Baltimore and Vision San Diego developed, recruited and called staff-teams and developed multi-year community strategies in cooperation with their local churches, state conventions, LifeWay Christian Resources and churches from across North America. We anticipate 2008 will be a significant year for spiritually impacting these urban communities.

# WMU of Little River Baptist Association

I want to thank all the faithful WMU'ers out there who have kept their focus on missions! Recently WMU has challenged our ladies and churches with some mission projects and as always our WMU groups have met and exceeded these challenges!

In September we kicked off the first project for our military with "Operation Bandana" and provided over 550 bandanas to our Fort Bragg soldiers! Wow! And again you came through on our Red Boxes ministry with 800+ bottles of shampoo! In December, we asked for 3,000 Christmas cards and you provided 9,000! We were able not only to provide cards for the inmates at Harnett Correctional facility, but to nursing home residents and those who get Meals on Wheels. We also shared our excess with the Anderson Creek Senior Center and the Department of Aging, who in return gave them to disabled veterans, the mentally handicapped and to grandparents who are raising grandchildren! Talk about a mission project that kept on giving! Praise the Lord!!

We also participated in another new project for our female soldiers that was a big success! WMU provided 217 kits for the ladies that included such items as blank note cards, lotion, hard candy, and eye wash. Throughout 2008, we held three Baptist Women's Day of Prayer sessions, our annual Prayer Retreat and Pastor Appreciation Dinner. Our women also provided snacks for the divinity students at Campbell University and held an International Mission Study on Venezuela for our children. Our children also participated in "Jesus Quenches Our Thirst" by passing out bottled water to returning Campbell students.

These are just a few things that your Associational WMU and your church WMUs are doing to spread and teach the Word of God through missions! That's what it's all about! Jesus tells us to, "Go ye into all the world and make disciples, teaching them to observe all that I have commanded." This is exactly what we have tried to do and we thank each and everyone that has helped us do just that! May God continue to bless each of you and our churches as we continue to do His will!

Respectfully Submitted,
Shirley Crissman
Associational WMU Director
